Love and Intuition - Sherrie Dillard 2010-09-08

Develop your intuition in one of the most spiritual aspects of life: love and relationships.

Love, by its very nature, is profoundly spiritual—it brings out the intuitive side of us all.

By embracing your innate intuition and letting it expand, the love and joy you deserve will naturally flow right to you.

In this heartfelt and uplifting book, professional psychic Sherrie Dillard teaches you how to develop your natural psychic ability and intuition to attract and sustain soulful love.

After discovering your personal love type—emotional, spiritual, mental, or physical—you can find out your spouse or

partner's love type and practice exercises, creative visualizations, and guided meditations to strengthen your relationship, heal rifts, get a better understanding of how you relate to each other, and deepen your connection.

Woven throughout are stories from Dillard's clients that shed light on attraction, fidelity, passion, sex, intimacy, and common relationship issues.

You'll learn to change unhealthy relationship patterns, receive guidance from angels and spirit guides, and even add spice to your love life. "This book is truly a gift, brimming with deep insight and practical suggestions."—Diane Brandon,

Why Mr. Right Can't Find You - J. M. Kearns 2009-12-15

How many of us never meet the person with whom we could be happy? How many of us limit our romantic choice to the people who happen to wash up on our shore? In *Why Mr Right Can't Find You*, J.M. Kearns, Ph. D., shows that finding true love can be a proactive adventure. In chapters like *How Men See Women*, *The Underrated Chance Encounter*, and *The Truth About Bars*, J.M. Kearns lays bare the surprising vulnerabilities of the single male, and the power they confer on women. Men, he explains, are not shallow, not the enemy, and not aliens from Mars. In fact, the good man who is searching for you is your greatest ally, and Kearns shows you exactly how to take advantage of that fact. In the process he overturns the classic dating myths - that destiny chose the "one and only" man for you, that baggage is bad, that all men

~~prefer the same body type~~

and solves the fascinating riddle of compatibility, with a hilarious and practical guide to the factors that make two people click, illustrated with real-life vignettes straight from the dating trenches. Finally, in a full online dating section, Kearns (who met his partner online) gives clear, simple advice on sites, photo sets, matchmaking, body issues, and that crucial first meeting.

Review "If you've been on the lookout for ages but still haven't found The One, this is for you...you'll be in the arms of your true love in no time!"

—OK! Magazine "A literary MRI of the male brain."

—Georgie Banks, CBC News Viewpoint. "Kearns insists it's really not difficult to direct the right man to you, whether it's online, someone you already know, or a total stranger. So read this, sit back and wait for the offers to pour in... Kearns says we should break the mentality of 'acceptable' places and realize 'any time is a good time to meet Mr. Right.' And sadly, men can't read our

so direct him to you."

Make Love Work - Nic Beets
2023-05-02

Proven, practical strategies to help your relationship and make it flourish 'Insightful, practical and inspiring . . . required reading for anyone in or venturing into a relationship.' - Jennifer Ward-Lealand, actor and intimacy coordinator We all want to make the most of our relationship. We hope it will be the centre of joy and satisfaction in our life. Yet so often we end up hurt, frustrated or resentful. If you've wondered why your relationship has stalled or why you find intimate partnerships so hard; why you behave the way you do or why you can't make sense of what your partner does, **Make Love Work** explains it all. It gives you the tools you need to be successful in love - from preventing your insecurities and neurobiology from wrecking your relationship to being a team player and handling conflict

well. There are practical strategies for handling common areas of stress: fairness, sex and intimacy, parenting, money and setting boundaries. Plus, excellent advice on the really tough issues: infidelity, abuse, major stresses, loss and grief. **Make Love Work** is your essential bible for making your relationship the best it can be.

Intimacy and Type - Jane Hardy Jones 1997

Two psychologists share what they have learned from more than 25 years of counseling to give couples and counselors insights into using type to improve love relationships. Includes discussion of common conflict areas and hints to overcome them, ways to improve communication, and the use of differences to enhance a relationship.

Intimate Partner Sexual Violence - Louise McOrmond Plummer 2013-10-21

Intimate Partner Sexual Violence (IPSV) is the most common type of sexual violence and a common component of domestic violence, yet most

Intimacy And Type A Practical Guide For Improving Relationships For Couples And Counselors

cases go unreported and service responses are often inadequate. This book brings together advice for all those professionals working with individuals who have experienced IPSV and puts forward recommendations to tackle this prevalent form of sexual violence. With contributions from leading experts on IPSV, Intimate Partner Sexual Violence is a comprehensive guide to the subject which bridges the gap between research and practice. Multidisciplinary and international in approach, the book covers key issues salient to all professionals - the impact of IPSV, reproductive coercion, the physical and psychological indicators, possible consequences of taking a case to court, and best practice service responses. One section also addresses the risks and needs of IPSV victims in different contexts, such as those in same-sex or teenage relationships, immigrant victims, and those living in rural areas or in prison. This is an authoritative resource for

all professionals who work with IPSV victims including counselors, social workers, refuge workers, victim advocates, mental health professionals, pastoral workers, lawyers, police, and health practitioners.

Reptiles in Love - Don Ferguson 2006-02-27
Nagging, snide comments, passive-aggressive tendencies, running away, childish insults; sometimes even the most loving couples can revert to their primitive nature. Don Ferguson, a psychologist and relationship therapist, has discovered that no matter how evolved we think we are, our reptilian brain is still primed for instantaneous reactions and fight-or-flight. This syndrome can rule relationships and in the end destroy them. Through the latest neurological research, Ferguson has discovered how to manage our primitive reactions with thoughtful, 'new brain' interventions. Written in a highly entertaining and readable way, Reptiles in Love has an answer for helping

couples to stop attacking each other and transform their dysfunctional, prehistoric relationship into a more evolved and loving partnership.

Loving Yourself Loving

Another - Julia Cole 2001

This text reveals how a lack of self-esteem can profoundly affect an individual's close relationships. Comprising exercises, advice, and self-awareness puzzles, this guide is designed to help the reader improve their emotional well-being.

Testing and Assessment in Counseling Practice - C.

Edward Watkins, Jr.

2012-12-06

The primary purpose of this revision remains identical to that of the first edition--to show how key personality, cognitive/behavioral, and vocational tests/assessment procedures can be used by counselors in their work with clients. Too often, assessment books only provide the reader with information about tests and assessment procedures. They do not, however, take the next step--showing readers

~~how these tests/assessment~~

procedures can be used and integrated into the actual work of counseling. This revision is designed to fill that void.

Chapter authors, all of whom are experts in their respective topic areas, share the theoretical and research backgrounds about a particular test/assessment procedure and then provide a case example or examples to show how assessment data can be meaningfully incorporated into the counseling process.

Neurodiverse Couple

Therapy - Kelli Murgado-

Willard 2023-11-20

This inclusive and comprehensive manual equips marriage and family therapists with the skills to identify, support, and provide Brain-Informed Care to neurodiverse couples. Written from Murgado-Willard's unique perspective as a neurodivergent couple therapist, this book addresses a knowledge gap in the couple counseling field and helps therapists develop and maintain an ethical standard of

Intimacy And Type A Practical Guide For Improving Relationships For Couples And Counselors

care for neurodiverse couples.

The text also introduces a new style of couple therapy for use in private practice settings: Brain-Informed Neurodiverse Couple Therapy (BINCT). Chapters begin by providing some historical context of neurodiversity before offering invaluable training on best practices, assessment, treatment planning, and using non-ableist, practical interventions for this population. Case studies that present a variety of sexual identities are featured throughout as well as a glossary of key terms and checklists that therapists can use immediately in their practice. This book aims to implement a paradigm shift in the field and is essential reading for therapy students. It is invaluable reading for practicing therapists that did not receive training on working with neurodiverse clients.

Emotional Intelligence 2.0 - Theresa Williams 2022-03-30
Why are so many people with high IQs and excellent academic achievements unsuccessful in life? Why do some people build social relationships with ease while others seem incapable of doing so? Have you ever found

yourself in a situation where anxiety and fear overwhelm you to the point that you freeze up or are unable to make the right decision? The secret? EMOTIONAL INTELLIGENCE! In today's society, it is believed that a person with great academic achievements and a high IQ has it easy and will certainly be successful in life. But in many cases, getting good grades in college or having a high IQ is not strictly linked to success. Does this seem strange to you? Either way, this is the reality of things. Think about it.. the vast majority of successful people didn't do so well in school. There is a type of intelligence that few know of, yet it is one of the most important for our well-being and that of others, and it is Emotional Intelligence(EI). With the methods explained in the book, you will be able to train and develop this type of intelligence, thus changing your life! You will finally understand how to relate to others in the best way possible by always making the wisest

Intimacy And Type A Practical Guide For Improving Relationships For Couples And Counselors

decisions in every area of your life without letting negative emotions take over. This book is for: - Those who want to increase work productivity, with a greater capacity for leadership; - Those who want to reduce anxiety and stress as well as the risk of suffering from disorders such as depression; - Those who would like to know themselves better and make better decisions - Those who want to more fully enjoy their relationship as a couple and beyond; - Those who want to use empathy to better understand others' moods - Those who want to improve social relations and control anger; - And much, much more... Don't worry, it's not your usual academic textbook full of complex terms. This book will give you the right strategies in a simple and challenging way. If you want to discover the power of Emotional Intelligence and finally control your emotions, Get This Book NOW!

Finding Your Leading Man -

Jon P. Bloch 2000-12-08

For all the gay men who have

~~spent years fruitlessly looking~~ for Mr. Wonderful, who have kissed every toad in the pond without even one turning into Prince Charming, finally there is a roadmap to guide them to a lasting, more fulfilling relationship. Even now, when an ever increasing number of gay men are looking to establish a lasting relationship, studies show that male/male relationships end sooner than either straight or lesbian relationships. But it doesn't have to be that way. Finding Your Leading Man is a guide to help the gay man seeking intimacy and wishing to improve the quality of his relationships. Dr. Jon Bloch first explores the twelve basic personality types that gay men employ to hide their fears and desires, provides practical tips for getting past the intimacy blockers of each type, and details which personality types are most - and least - compatible with each other. Finally, he then explains how to use this knowledge to build a successful long-term intimate relationship. Fun, practical,

Intimacy And Type A Practical Guide For Improving Relationships For Couples And Counselors

and easy to use, How to Find Your Leading Man is a clear, enjoyable, and simple guide for the gay man on the hunt for his one and only.

The Two Truths about Love -

Jason B Fischer 2013-01-02

Some relationships last, others fall apart, and still others seem to thrive and grow as the years go on. *The Two Truths About Love* is a guide to creating this third type of relationship—an extraordinary partnership wherein each partner feels fully accepted and loved as they are. Designed over the course of thousands of hours conducting face-to-face counseling sessions with clients, psychotherapist and former Buddhist monk Jason B. Fischer's unique approach has already improved the lives of countless individuals and couples. The two secrets to creating extraordinary relationships are simple: partners must 1. Give permission for the other person to be who they truly are while also 2. Taking responsibility for their own reactions, behaviors, assumptions, and expectations

of their partner and the relationship. This book gives readers the tools to start giving permission and taking responsibility in their own relationships and offers strategies for letting go of dissatisfaction and habitual conflicts. In short, accessible chapters, readers learn how to put these seemingly simple rules into practice to regain balance and peace in their partnerships.

clinical writing and record keeping, working with peers and supervisors, understanding diversity, and self care and safety. Following an evidence and competency based approach, the latest research findings are reviewed from the fields of psychology, social work and counseling.

The Art of Love - Bud Harris
2010-05

Are you:-- seeking to renew a relationship? -- considering a new relationship? -- troubled with establishing a long-term relationship? -- divorced and trying to understand why your marriage failed? -- experiencing problems in love, romance, sex, intimacy or marriage? -- a therapist or counselor who would like to provide an accessible resource for your clients? -- Millions of books on relationships have been printed over the years. Why do we need another? We need *The Art of Love: The Craft of Relationship* for the same reasons that over four and a half million readers wanted Spencer Johnson's *Who Moved My Cheese*. Following

~~Johnson's methods of teaching~~ to a broad, modern audience, *The Art of Love: The Craft of Relationship* presents the profound principles that form a loving relationship in an easily accessible manner. Using a very simple approach, it will help people shift their attitudes and provide them with the skills to create loving, long-lasting partnerships. There are so many titles in print on change because it is an ongoing challenge for most of us. So are relationships. With more than six decades of experience working with couples, we knew we had vital information, lessons, and insights to share, but we insisted that the book be short, engaging, and easy to read. A helpful book does not have to be dense to be packed with wisdom, skills, and ideas that can open the door to a new era of fulfilling relationships. We have brought complex material and common sense into a format that is carefully constructed to achieve results by being communicative and consistent, enjoyable and

Intimacy And Type A Practical Guide For Improving

Relationships For Couples And Counselors

hopeful. Unlike the textbook appearance of most self-help books that include psychological jargon, case examples and exercises, *The Art of Love: The Craft of Relationship* uses stories and dialogue to teach profound insights and valuable skills. It sticks to people talking in a way the reader can identify with and understand. It brings hope because the reader who is experiencing stress in a relationship can see that other people, like them, are, too. And, that learning a few basic skills can bring lasting change and renew love. The best news is that our book will be useful to many people because it will give them a new way to look at their relationship and the skills to handle problem after problem in a way that builds love and trust. Our mission is to appeal strongly to those who are considering a relationship, seeking to renew one, or are looking for a way to understand a partner and a process for dealing with problems in love, romance, sex, intimacy and living together.
