Practicing the Presence of God - James R. Bell 2010-09-24 When my siblings, Betsy, John and Wick, cleaned out my father's lake house, they found and saved for me files of his many sermons dating back to 1955, as well as three unpublished manuscripts that he had submitted to fulfill his Doctor of Ministry degree. Practicing the Presence of God by my father, the Rev. Dr.

James R. Bell, is the manuscript that best represents his life-long career as a minister faithfully serving Christ in his community. In his book he tells us how to live more meaningful and exciting lives by bringing the presence of Christ to others and finding guidance on how to do so in the Scriptures. To this day, even while suffering the onslaught of dementia at age 92, he ministers to those confined to the Alzheimer unit of the assisted living facility that has become his home since the death of his wife in 2009. Perhaps we children suffer more watching our father slip away before our eyes. He was a brilliant minister, received his Master of Divinity degree from Princeton Theological Seminary in 1943, served as chaplain in the Pacific during WWII; and for over twenty years served as pastor of the First Presbyterian Church of Flourtown, Pennsylvania, with his devoted wife, Betty, by his side. He preached well into his late eighties and carried his Bible everywhere he went. It is with deep gratitude for his life that we share this manuscript with you. Yadav - Jill Lowe 2003 Born into upper-class English society, Jill Lowe made her first trip to India for all the wrong reasons. After 17 years of marriage and five children, her husband had gone bankrupt with her inheritance, and her comfortable London existence had come to a bitter end. At the age of 52 she needed to change her scenery, prove her mettle. After touring south India with a hilariously unsuitable travel companion, Jill hired her own driver in Delhi, got into his taxi and, three years later, married him. floor, sleep on charpoys and relieve themselves in the fields. The nearest phone booth is twenty-five kilometres away. commitment and resilience.

Their families accept their relationship with open arms, but not everyone else does. In this gritty yet graceful memoir of a thoroughly unconventional romance, Jill is touchingly honest about her loneliness in Britain, her adventures on the road, her stop-and-start wedding plans and the long, gratifying process of learning to live an Indian life.
