This girl had built herself a reputation of stringing guys along only to reject them when they finally dared to confess their feelings for her. This, in turn, earned her a certain nickname: "The Seatmate Killer." It was only a matter of time before Yuuki fell victim to the overly friendly Yui, but little did she know that he was as clueless as they come! The tables have suddenly been turned, and the hunter will soon become the prey. "Damn it! You think that poker face of yours is gonna get to me?! I'll make you regret this, you'll see!" This rom-com

is off to a bumpy start as a now-determined Yui takes it upon herself to get her revenge!

Seven Blades in Black - Sam Sykes 2019-05-02

Acclaimed author Sam Sykes returns with a brilliant new epic fantasy that introduces to an unforgettable outcast magician caught between two warring empires. 'Seven Blades in Black offers villains that are as memorable and unique as the heroes. Action, magic, romance and humor mingle well in this mammoth tale. It's an immersive read in a well realized world' Robin Hobb Set in the Scar, where the magical, decadent Imperium battles the upstart, technologically-savvy Revolution, SEVEN BLADES IN BLACK follows the exploits of Sal the Cacophony, the most famous and dangerous of all the rogue mages. Among humans, none have power like mages. And among mages, none have will like Sal the Cacophony. Once revered, now vagrant, she walks a wasteland

scarred by generations of magical warfare. The Scar, a land torn between powerful empires, is where rogue mages go to disappear, disgraced soldiers go to die and Sal went with a blade, a gun and a list of names she intended to use both on. But vengeance is a flame swift extinguished. Betrayed by those she trusted most, her magic torn from her and awaiting execution, Sal the Cacophony has one last tale to tell before they take her head. All she has left is her name, her story and the weapon she used to carved both. Vengeance is its own reward. PRAISE FOR SEVEN BLADES IN BLACK 'Sykes is a master at taking familiar elements of fantasy and stirring them to a wicked, wholly original churn. In Sal the Cacophony, Sykes has crafted a protagonist for the ages. Ludicrous, wicked, delightful' Pierce Brown, author of Red Rising 'Exciting and inventive. I never realized how much I needed wizard-hunting gunslingers in my life. Buy Sam's book' Peter V. Brett, author of The Painted Man

'Seven Blades in Black is terrific. The tale of Sal the Cacophony is delightfully sarcastic and deeply sorrowful. If you've ever wanted to read Final Fantasy: The Book, this is it' Nicholas Eames, author of Kings of the Wyld 'By the end of the first page, you'll know Sam is in love with his characters. By the end of the second, you'll know you are too' Myke Cole, author of The Armored Saint 'Gunslingers and mad mages and monsters, oh my. Sykes' latest is a brutal and vulgar epic yet still fun enough that - and I say this as the highest of compliments - makes me wish like hell it ends up with an adaptation into a role-playing game' Chuck Wendig
