Reliques of ancient English poetry, by T. Percy, ed. by H. B. Wheatley - English poetry 1876

The Theatre - 1894

Folio Manuscript: Ballads and romances - Thomas Percy 1868

Ballads and Romances - John Wesley Hales 1868

Captain Cox, His Ballads and Books - Love poems 1871

Captain Cox, His Ballads and Books - Robert Laneham 1871

Queen Anne's Love - C D Overstreet 2021-08-30

Anne is considered the most popular girl in Colombia School for Ladies. Despite her poor health and plump body she is the idol of the school and even called "Queen" by the students. She had admirers and rivals at every turn and spends more of her time enjoying herself outside of class fraternizing than she does actually learning anything, but that does nothing to dent her popularity. Much to the chagrin of her best friend and lover, Sarah. She has been riding Anne's skirts into high society for years. Previously Anne's only confidant now that she is interacting with other people more regularly it's quickly becoming clear to Anne that maybe their friendship had dimmed and Sarah has become more concerned on what Anne can do for her rather than wish her. It is even possible that their friendship was based more on a lack of options than the two having much in common at all. And she's not the only one. The other girls have noticed the coldness growing between Anne and Sarah. While Sarah desperately splits her time between trying to schmooze her way into high society on her friend's name and keep Anne's attention the school's alphas are circling and none too subtle about their plans to push Sarah from her place at Anne's side and quickly fill the void. A smart young business woman who offers Anne opportunities at wealth and power. A brutish but loving sports star. A foreign princess with a wild

side. A famous actress with romance in her soul. A teacher whose childlike delight at the world is truly infectious. A younger admirer and genius. An older woman who would gladly sweep her away to a tropical paradise with no worries. Those being only the ones willing to step forward, hearts on their sleeves. Anne wants to be true to her lifelong love and work out their problems, but as Sarah's jealousy and neglect war with seduction and romance as well as friends whispering in her ear and a voice in her head that tells her that maybe she deserves better she begins to wonder if Sarah is still the one. Will Sarah rise to the challenge or lose Anne's heart to someone more deserving?

King Richard III and Anne Neville - S. a Charlewood 2015-03-03

This book is of its very nature imagination, for no one knows what King Richard and Queen Anne said to each other. The author has used the events of their lives as a framework, imagining what they and those around them may have said to each other. Thus this is a work of fiction, based on bare facts. The author has studied King Richard III for sixty years, but does not claim to be an historian.

Bishop Percy's Folio Manuscript - Thomas Percy 1868

Lady Anne's Walk - Eleanor Alexander 1904

The Ancient English Poetry - Various Authors 2022-01-04

This work gives a unique opportunity to dive into the world of ancient British poetry and legends. Here, a reader will find the primary sources for the epic stories about Gilderoy, Winifred, Bryan, Sir Cauline, King Estmere, Sir Guy, King Arthur, the Fairy Queen, and many more. A collection in three volumes contains numerous works by famous and anonymous authors adapted to modern English. The significance of this work is apparent. It was the first collection of ballades in English poetry of this size. It influenced the Romantic movement greatly and contributed to the revivals of ballades in England. Robert Burns, Wordsworth, and Coleridge based their lyric poems on this collection. Although, this work could never see the light of the day. Back in the 18th century, Irish Bishop Thomas Percy saved a manuscript almost set afire

by a housemaid. It was an ancient collection of ballades, which inspired the Bishop for further research. Today, it's not just an important historical book; it is also a great source of study materials as well as an exciting read for anyone fond of history and British poetry.

Lady Anne and the Howl in the Dark - Victoria Hamilton 2019-04-23
Fans of the Lady Julia Grey Mysteries will love these Georgian historical mysteries. After receiving a distressing letter from a friend, Lady Anne Addison wastes no time in traveling to Yorkshire to offer whatever help she can. She has no idea what she'll find there, but she certainly wasn't expecting to be met by tales of a werewolf terrorizing the area—nor the dead body she discovers upon arriving. Driven by curiosity and a keen intelligence, Lady Anne dismisses the notion of such a beast, but she's nonetheless drawn into the mysteries by the secrecy surrounding her friend and the infuriating yet enticing Lord Darkefell. With a murderer on the loose and the supposed werewolf ravaging livestock and terrifying the locals, Lady Anne puts her reservations aside and joins forces with the seductive Darkefell to get to the bottom of things. And though his nearness is a tempting distraction, Lady Anne manages to uncover one clue after another, unraveling the mysteries and drawing ever closer to the killer, even while her true feelings for the enigmatic marquess elude her . . . This book was originally published under the name Donna Lea Simpson. Praise for the Lady Anne Addison Mysteries: "If you are looking for a historical mystery with romance, suspense, and a suggestion of paranormal, then read Lady Anne and the Howl in the Dark." —Fallen Angel Reviews "[Hamilton] excels at imbuing her realistic characters with subtle depths . . ." —American Library Association "[The author] has set up a well-drawn Gothic horror setting here, so the atmosphere is fantastic, what with it being chilling, mysterious, and menacing all at once." —Mrs. Giggles

Lives of the Queens of England, from the Norman Conquest - Agnes

Strickland 1885

Lives of the Queens of England, from the Norman Conquest. By Agnes Strickland. ... A New Edition, Carefully Revised and Augmented. In Six Volumes - Agnes STRICKLAND 1865

Lady Anne and the Menacing Mystic - Victoria Hamilton 2020-07-07
Description/Blurb: Fans of the Lady Julia Grey Mysteries will love this all-new Lady Anne Addison Mystery from Victoria Hamilton . . . While in Bath preparing for her upcoming marriage to Lord Darkefell, Lady Anne learns of a profoundly accurate mystic working in town whose uncanny predictions have stunned the gullible and the skeptical alike. Certain there's a harmless rational explanation for the medium's supposed otherworldly abilities, Anne's tolerance turns to defiance when the seer's dark pronouncements begin having a decidedly harmful affect on her friends—and a troubled local vicar takes his own life. Convinced that the woman is orchestrating a devious scheme, Anne begins to suspect that she's working in league with a shrewd newcomer who's attached himself to many of the town's wealthy widowers. As she navigates the swirling rumors of Bath society to confirm her suspicions and unmask the charlatans for what they are, she discovers that the treacherous conspirators are plotting to make her own future very dark—and very short-lived . . . Praise for the Lady Anne Addison Mysteries: "If you are looking for a historical mystery with romance, suspense, and a suggestion of paranormal, then read Lady Anne and the Howl in the Dark." —Fallen Angel Reviews "[Hamilton] excels at imbuing her realistic characters with subtle depths . . ." —American Library Association "[The author] has set up a well-drawn Gothic horror setting here, so the atmosphere is fantastic, what with it being chilling, mysterious, and menacing all at once." —Mrs. Giggles

Lady Anne's Lover - Maggie Robinson 2012-07-11

Lady Imaculata Anne Egremont has appeared in the scandalous pages of the London List often enough. The reading public is so bored with her nonsense, she couldn't make news now unless she took a vow of chastity.

But behind her naughty hijinks is a terrible fear. It's time the List helped her. With a quick scan through its job postings and a few whacks at her ridiculous name, she's off to keep house for a bachelor veteran as plain Anne Mont. Major Gareth Ripton-Jones is dangerously young and handsome on the face of it, but after losing his love and his arm in short order, he is also too deep in his cups to notice that his suspiciously young housekeeper is suspiciously terrible at keeping house. Until, that is, her sharp tongue and her burnt coffee penetrate even his misery--and the charm underneath surprises them both. Trust the worst cook in Wales to propose a most unexpected solution to his troubles. . . Praise for Maggie Robinson's Novels "Steam rises from the pages." --RT Book Reviews (4 stars) on *Mistress by Marriage* "Deliciously wicked. . .hard to put down." --Romance Junkies (5 stars) on *Mistress by Midnight*

contributed to the revivals of ballades in England. Robert Burns, Wordsworth, and Coleridge based their lyric poems on this collection. Although, this work could never see the light of the day. Back in the 18th century, Irish Bishop Thomas Percy saved a manuscript almost set afire by a housemaid. It was an ancient collection of ballades, which inspired the Bishop for further research. Today, it's not just an important historical book; it is also a great source of study materials as well as an exciting read for anyone fond of history and British poetry.

Lady Anne's Dangerous Man - Jeane Westin 2006-01-03

In Restoration England, when the battle of the sexes was especially humorous and high-spirited, a beautiful young aristocrat embarks on a swashbuckling adventure with a dashing highwayman. Lady Anne Gascoigne is eager to take her wedding vows, until she discovers her devious fiancé has conspired to let King Charles II steal her virtue. Now, to save her honor and her life, she must flee under the protection of a notorious but charming rake who has just escaped hanging—and proceeds to win her heart. The illegitimate son of a powerful man, John Gilbert lives by his wits and his sword, leading a merry band that robs the rich and corrupt, then escapes to their forest hideaway. As proper Lady Anne blossoms under John's command, opening up to the freedom and sensuality he offers, she poses a new set of challenges for him—to stay alive long enough to ensure her protection, earn an equal place by her side, and convince her of his undying love.
