

Lets Be Real Honest Discussions About Faith And Sexuality

Forgiveness, Reconciliation, and Moral Courage - Robert L. Browning 2004

This is a print on demand book and is therefore non- returnable. This series contributes to the growing discipline of practical theology by providing frontline scholarship on major topics in the field, with an emphasis on the emerging international discussion. Written by expert scholars known worldwide, these volumes will be of interest to pastors, students of theology, and those working in the allied fields of sociology, psychology, cultural studies, social work, and medicine. According to the authors of this powerfully reasoned book, only a serious commitment to the Christian ideas of forgiveness and reconciliation can meet the needs of today's troubled world -- and the church must take the lead in this process. Partly a survey of existing attitudes and partly a how-to manual for developing an active "public" church, this book highlights the importance of forgiveness and reconciliation in both congregational life and society, and it traces out the intricacies of making them happen. After discussing common views of human nature and exploring the concepts of forgiveness and reconciliation as found in Scripture and church tradition, Robert Browning and Roy Reed put forth an innovative four-pronged approach integrating recent scientific studies of forgiveness with bold, theologically grounded ministry proposals.

Religion Versus Spirituality: Can Spirituality Flourish Apart from Organized Religion? (Debates in Dialogues) - Joseph Schrock 2019-03-20

This is a book that is devoted to helping inquiring spiritual thinkers find a path of genuine spirituality that leads them into spiritual growth and true harmony with the Divine. Three imaginary characters intensely and passionately debate questions concerning the reliability of Judeo-Christian scriptures, questions about whether the concept of original sin

(in the Garden of Eden) is a viable concept for the twenty-first century, etc. Intense debates flare over questions about sexual morality, whether Pauline theology can be regarded as credible in our age of scientific knowledge, whether Heaven and Hell are real, and numerous other issues that are of vital concern to spiritual seekers. The three debaters in these dialogues are: 1) An independent spiritual seeker, 2) A Christian apologist -- devoted to a defense of mainstream Christianity, and 3) A devoted skeptic who questions all things religious or spiritual. If you are a spiritual seeker, one who finds that the materialist/secularist scientific paradigm for all reality leaves you cold, this book can engagingly point you in the direction of ever-deepening spiritual insights that will enable you to progressively advance toward genuine harmony with Ultimate Reality -- the Creator and Ruler of our wondrous universe. This book can show you that you need never to abandon intelligence, logic, science, or clear and rational thinking in order to attain a profound spirituality. True spirituality need not be imprisoned in the straitjackets of dogmatic or narrow thinking about reality. The Divine whom you can learn to serve faithfully and devotedly does not demand of you a repudiation of your God-given intellect, and God is never scared of humble and earnest questions. It was not stated flippantly nor erroneously that in regard to true spirituality, "Seek and you shall find; knock and the door will be opened to you". Many of the claims made in this book incorporate the conviction that one must not necessarily buy into the theology of any extant organized religion, but can have a "direct line" to the Creator, receiving thereby inspiration, encouragement, empowerment, inner peace, and growth toward spiritual perfection. For many in our "scientifically enlightened" age, religion is pushed into the "backwaters", and passionate devotion to spirituality is regarded as passe. This need

not be so, because the Divine permeates every atom in this universe, and the energy that sustains the universe is also highly willing to inspire, direct, and guide your life. We need not settle for science as the "new god", because powerful though it is as a wonderful instrument, it is nevertheless constrained by the limitations of human powers and our relatively puny intellects. Your life can transcend what science has to offer, because science is bereft of powers to master the mind and the spirit of humanity. By availing yourself of the hints and guidelines offered in this book, you can discover a glorious path of growing inner peace and joys that transcend the powers of human understanding. Freedom of your will opens for you the door to genuine choice -- a choice that could (potentially) have the significance of Heaven versus Hell.

Living in Love and Faith: The Course - 2020-11-09

Living in Love and Faith: The Course aims to help Christians think more deeply about what it means to be human. It provides a structured and accessible way for local groups to engage in and reflect on Living in Love and Faith, a major exploration of Christian teaching and learning about identity, sexuality, relationships and marriage. The five sessions of the course each address a key question: • What does it mean to learn together as followers of Jesus Christ? • How does our identity in Christ relate to sex and gender? • What kinds of relationships does God call us to? • Where do our bodies and sex fit in to all of this? • How do diversity and difference affect our life together as a church? Each session includes an opening reflection about learning together, followed by teaching, time for discussion and Bible study. The sessions end with an invitation to reflect on our learning, bringing it to God in prayer. As well as providing notes for those leading groups, the course also signposts the relevant sections of the Living in Love and Faith book as well as recommending films, podcasts and other digital resources available.

SIECUS Report - 1999

Sacred Bridges - Mike Ratliff 2002

The statistics are staggering: the dropout rate for teenagers in church escalates as youth enter high school and continues to increase with each

year. Churches have little idea what they can do about the hemorrhage and most often simply give up and hope the youth will return "when they have children of their own, " which is not happening. Sacred Bridges provides help for pastor, youth leaders, and other adults who are interested in keeping senior high youth involved in church. The book offers success stories from churches who have not only retained youth but have reached new youth in the high school years. From these success stories, Mike Ratliff distills the principles that will enable other churches to be more effective in reaching and keeping senior high youth.

Hard Questions, Real Answers - William Lane Craig 2003-10-17

Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers, and even Christians, are often troubled by questions about suffering, doubt, failure, and unanswered prayer. Yet careful, compassionate answers are hard to find, in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In *Hard Questions, Real Answers*, William Lane Craig doesn't offer trite phrases or pat answers—he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope—God Himself. This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues.

Sexless in the City - Kat Harris 2021-04-20

Discover a renewed biblical vision for sex, singleness, and relationships, and transform into an empowered woman of faith equipped to navigate today's dating culture with vision, clarity, and freedom. Let's face it: being single in today's culture as a woman of faith can be a STRUGGLE FEST. But it doesn't have to be. With real talk and straight wisdom, speaker, podcaster, and founder of The Refined Woman Kat Harris says it's time for a new conversation about singleness, sex, and desire. Growing up at the height of the purity movement, Kat knew this much: good Christians don't have sex until marriage. But approaching 30 and thrust into the New York City dating scene, she found a set of rules was not a compelling enough reason to keep her clothes on. Caught between purity culture's rules and popular culture's do what feels good, Kat began a multi-year journey searching for answers to the biggest questions about sexuality and faith: What does the Bible really say about sex? Why does almost everyone deal with some sort of sexual shame? But really--what's a single girl to do with her sexual desire? What if we never get married . . . then what? It turns out Kat was asking questions that countless women were dying to ask but didn't know they had the permission to do so. Hungry for clarity, she researched, wrestled, and discovered a God who wasn't afraid or ashamed of sex and desire as she thought He might be. In actuality, God created sex and desire within humanity and called it very good. Now she believes God desires to restore a generation disillusioned with purity culture and Christian dating, discouraged about their singleness, ashamed of their sexual

desire, and uncertain how to practically walk this season out well. Join Kat on her messy, sometimes painful, and always honest journey to discovering God's heart for sexuality, desire, singleness, and our purpose within it all.

Oriented to Faith - Tim Otto 2014-07-07

Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality, Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines. If the world is to "know that we are Christians by our love," the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world. In *Oriented to Faith*, Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel. With an authentic and compelling personal voice, Tim invites us to explore how God is at work in the world, even amidst the most difficult circumstances, redeeming and transforming the church through this difficult debate. With gentle wisdom and compassionate insight, Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ.

Tough Questions, Honest Answers - Cameron Harder 2020-05-05

In *Tough Questions, Honest Answers*, Christian theologian Cameron Harder explores pressing contemporary challenges to religion—from religion itself to modern "big ideas" that often confound thoughtful seekers. Asking, "Is it good to believe in God?" he examines some of the social costs and benefits of religious commitment. Issues addressed include religion and violence, religion and child sexual abuse, mystery and miracle, the compatibility of science and faith, and God's role when bad things happen. Harder also reflects on whether there is room for faith and religion in the twenty-first century and shares his own reasons for claiming the Christian faith. *Tough Questions, Honest Answers* is an excellent conversation starter for inquirers, skeptics, and faithful doubters. Young parents who are wondering how to nurture their child's spirituality and older readers who want to re-think their faith in light of what they've learned about the world over the decades will appreciate Cameron Harder's forthright, accessible discussion. Harder strives in this book to be personally honest with the questions he raises, to push past common platitudes and propaganda others offer in response to them. He acknowledges, "I'm an explorer too—looking for a clearer view of what religion could be, and should not be, for my children and grandchildren."

Body and Soul - Marvin M. Ellison 2008-07-01

Ellison and Thorson-Smith have coedited a collection of essays--in collaboration with two dozen prominent theologians--that plays off the controversial 1991 Presbyterian study they coauthored entitled Keeping Body and Soul Together: Sexuality, Spirituality, and Social Justice; and takes stock of sexuality, religion, and ethics at the beginning of the new millennium. The cutting-edge analyses address the possibilities--and demands--of a justice-love ethic for individuals, church, and society.
