

Lonely Planet Slovenia 7th Ed 7th Edition

Switzerland - Nicola Williams 2015

Overtourism - Claudio Milano 2019-06-07

This book examines the evolution of the phenomenon and explores the genesis of overtourism and the system dynamics underlining it. The 'overtourism' phenomenon is defined as the excessive growth of visitors leading to overcrowding and the consequential suffering of residents, due to temporary and often seasonal tourism peaks, that lead to permanent changes in lifestyles, amenities and well-being. Enormous tensions in overtourism affected destinations have driven the intensification of policy making and scholarly attention toward seeking antidotes to an issue that is considered paradoxical and problematic. Moving beyond the 'top 10 things you can do about overtourism', this book examines the evolution of the phenomenon and explores the genesis of overtourism as well as the system dynamics underpinning it. With a rigorous scientific approach, the book uses systems-thinking and contemporary paradigms around sustainable development, resilience planning and degrowth; while considering global economic, socio-political, environmental discourses. Researchers, analysts, policy makers and industry stakeholders working within tourism as well as those within the private sector, community groups, civil society groups and NGOs will find this book an essential source of information.

Rick Steves Croatia & Slovenia - Rick Steves 2018-07-10

Lonely Planet's Guide to Life - Lonely Planet 2020-11-17

This book collects together cultural pearls of wisdom from 86 countries to form the ultimate reference book for how to live well. Each culture lives by its own words of wisdom - handed down from generation to generation, covering everything from keeping a house tidy as a Shinto shrine to cooking a meal as simple and nutritious as a southern Italian's supper. Do you want to eat as well as the French, enjoy life as much as the Costa Ricans, live as thoughtfully as the Scandinavians and be as healthy as the Japanese? This 416-page book, packed full of expertly-sourced information and stunning photography, will tell you how. With countries as far and wide reaching as Colombia and New Zealand, you'll be sure to learn plenty of life lessons that you can put into action throughout.

Down and Delirious in Mexico City - Daniel Hernandez 2011-02-08

MEXICO CITY, with some 20 million inhabitants, is the largest city in the Western Hemisphere. Enormous growth, raging crime, and tumultuous politics have also made it one of the most feared and misunderstood. Yet in the past decade, the city has become a hot spot for international business, fashion, and art, and a magnet for thrill-seeking expats from around the world. In 2002, Daniel Hernandez traveled to Mexico City, searching for his cultural roots. He encountered a city both chaotic and intoxicating, both underdeveloped and hypermodern. In 2007, after quitting a job, he moved back. With vivid, intimate storytelling, Hernandez visits slums populated by ex-punks; glittering, drug-fueled fashion parties; and pseudo-native rituals catering to new-age Mexicans. He takes readers into the world of youth subcultures, in a city where punk and emo stand for a whole way of life—and sometimes lead to rumbles on the streets. Surrounded by volcanoes, earthquake-prone, and shrouded in smog, the city that Hernandez lovingly chronicles is a place of astounding manifestations of danger, desire, humor, and beauty, a surreal landscape of “cosmic violence.” For those who care about one of the most electrifying cities on the planet, “Down & Delirious in Mexico City is essential reading” (David Lida, author of First Stop in the New World).

Lonely Planet Goa & Mumbai - Lonely Planet 2019-10-01

The Real Tenerife - Jack Montgomery
2013-03-11

The most comprehensive guide to Tenerife's resorts, towns and villages available in the English language, written with insight and passion by travel writers who have spent years treading the streets of every town and village, trekking along goat trails in the mountains and revelling at fiestas until dawn (all in the name of research). In short exploring the Tenerife that visitors and even most residents never see...the Tenerife which lies beyond the holiday brochures. Much more than just a tourist guide, *The Real Tenerife* gives you the insiders' view of this surprising, beautiful and diverse Spanish island which lies off the coast of Africa. Inside you will discover: hidden treasures beyond the tourist hotspots, a brief look into Tenerife's past and future, intimate guided tours of towns and villages across the island, personal photographs from the authors' travels, a guide to Tenerife culture and celebrations; hotel and restaurant recommendations; tips on when, where and how to enjoy the island's fiestas and much, much more... *The Real Tenerife* gives you everything that other travel guides to Tenerife don't. Previously published as *Going Native in Tenerife* - revised, updated and additional locations and photographs included as well as additional information on existing locations added in December 2012.
