

Lose Weight Through Great Sex With Celebrities The Elvis Way

Paperbound Books in Print - 1992

England's Amorous Angels, 1813-1823 -

Gayle Shadduck 1990

Between 1813-1823, five major poems appeared in England exploring the subject of sexual union between "sons of God" (usually depicted as angels) and "daughters of men" (usually depicted as Cain's female descendants). Why angels were suddenly conscripted into active service to serious poetry, by poets who expected and yet who really did not expect that these embodied, male angels would be taken seriously, is the question this text seeks to answer.

Swimming Chickens - Colin McEnroe 1989-12

Humorous essays deal with dog pills, insects, chickens, talking animals, science, cats, dinosaurs, pigeons, Bigfoot, fish, bats, and bears
Cumulative Book Index - 1990

A world list of books in the English language.

Library Journal - 1989

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Forthcoming Books - Rose Army 2002

Jumpstart Your Metabolism - Pam Grout 1996

The Utne Reader - 1990

Subject Guide to Books in Print - 1993

Mirabella - 1989

Lose Weight Through Great Sex with Celebrities

- Colin McEnroe 1989-07-31

From Michael Jackson's love children to men named Brad, Lose Weight Through Great Sex with Celebrities is Hartford Courant columnist Colin McEnroe's latest testimony to the fact that

life is more than ham and pineapple pizza; it is and can be funny.

Images of Elvis Presley in American

Culture, 1977-1997 - George Plasketes 1997

Was Al Gore only half-kidding at the 1992 Democratic Convention when he compared Bill Clinton to "the King?" Why does Elvis's name and image still pop up in so many movies, television shows, and songs? From black velvet paintings, comic books, and postage stamps to impersonators, movie characters, and sports stars, Images of Elvis Presley in American Culture, 1977--1997 provides a surprisingly broad vista from which to view American popular culture. An insightful exploration of America's overwhelming and enduring cultural fascination with the expanding and elusive Elvis myth, this book combines historical, textual, and sociocultural analysis with a wide range of resource materials to examine the many images of Elvis in American culture. Focusing on the period following his death in 1977 up to the present, Elvis Presley in American Culture, 1977--1997 informs and entertains popular readers and academicians in American studies, popular culture, radio/television/film, sociology, music, and 20th-century American history. Elvis fans ("Elfans") and collectors of Elvis Presley materials and memorabilia also need to add this perspective-enhancing book to your personal libraries. Author George Plasketes shows us how representations, reflections, responses, and references to Elvis in art, artifacts, film, video, television, music, performance, literature, memorabilia, and alleged sightings, continue to make American culture a "mystery terrain" of endless "Elvistas." The repetition of these images is a link to our cultural identity. Elvis Presley in American Culture, 1977--1997

provides the necessary critical analysis and the resource guide to the various representations of Elvis during the past 20 years, to give readers an engaging and informative way to pursue and interpret the expansive and ever-evolving Elvis myth and its importance to American popular culture.

Book Review Index Cumulation, 1989 - Neil E. Walker 1990-04

The Index provides a broad coverage and access to book reviews in the general social sciences, humanities, sciences, and fine arts, as well as general interest magazines and includes journals from Great Britain, Canada, Switzerland, Israel and Australia. In addition, it indexes several journals that, while published in the US, concentrate on reviewing foreign published or foreign language books. These include Hispania, French Review, German Quarterly and World Literature Today.

The Printed Elvis - Steven Opdyke 1999-09-30

More than 400 books have been published on the American musical icon, Elvis Presley. This critical, annotated guide contains reviews of the varied literature on Elvis, from his career and its social and political aspects to biographies and discographies. The annotated literature not only includes works by family, friends, and musical peers but also references and guides to Elvis collectibles. Each entry details, in addition to pertinent publishing and author information, the specific perspectives and information unique to the literature. The author provides assessments made by Elvis' peers and an introductory essay discusses the surrounding contradictions and the enduring fascination with Elvis. By covering

the vast and different Elvis literature available, this guide will appeal to scholars and fans alike. Organized by type of literature, the guide is easy to reference. Informative addenda include a guide to collecting Elvis books and a chronological listing of Elvis books. In addition to a general index, the guide is indexed by author, by songs, films, and album titles, and by books, magazines, and publications. This compilation offers valuable assistance and critical information to anyone researching some aspect of Elvis and his career.

The Publishers Weekly - 1989

The Boston Globe Index - 1989

Mound City Chronicles - William Stage 1991

Infinite Elvis - Mary Hancock Hinds 2001

Here, for the first time anywhere, is a precise measurement of a celebrity's impact on American culture. This annotated, highly readable listing details the verified book titles, magazines, dissertations, and significant articles about Elvis Presley. The entries show that Elvis was more than just a popular-culture phenomenon. Besides documentation of his concerts, the food he ate, and posthumous Elvis sightings, here is the proof of Elvis's impact on every aspect of American life: his invention of rock 'n' roll; his spurring of the sexual revolution; his influence on the civil rights movement; how his death changed the media's treatment of celebrities; and how a new religion devoted to Elvis has become part of the mainstream.
