**Loved You Once** - Claudia Burgoa 2020-05-02

USA Today Bestselling author Claudia Burgoa presents a heartwarming, sexy romance about second chances and starting over. After a week off the grid, I finally get reception and the first voicemail I hear stuns me. "You're summoned to Baker's Creek by the late William Tower Aldridge." Twelve Years. It's been twelve years since the last time I heard from the Aldridge family. That one voicemail changes everything-I need the money the late William offers. In exchange, I have to live eighteen months in Baker's Creek. I've survived cancer, the jungle, and the plague. This should be easy compared to all that, right? Or so I think

until...I see him. Confident, charismatic, bitter, sexy as hell, Doctor Hayes Benjamin Aldrige. My first love, my first kiss-my late husband's brother. He hates me. He still hasn't forgiven me for walking out on him, and I can't blame him. It's been over ten years, and I still have feelings for him. But I faked it once and I can fake it twice. I can survive eighteen months and that'll be the last time I see the Aldridge brothers. Isn't it? The Baker's Creek Billionaire Brothers series is a romantic comedy saga packed with the perfect mix of angst, tears, and laughs. If you like strong heroines & alpha males, steamy romances, and witty love stories, this series is for you!

**Loved You Once** - Jyerrmou 2022-03-01

Andrea smith met a guy at a subway train when she was 12 years old. She and the guy became close friends until the mysterious guy just disappeared. After 6 years, she met a guy who always reminds her of the guy that he met at the subway. But at that time, she became clueless about everything that happens around her. Markus used to make her happy every time that they were together and they became close when they got into a relationship. But when things get miserable and indescribable, what will she do? Markus Hakenson changed her life. But is she going to give up once that she finds out about everything and every heartbreaking reason that Markus will state to her? Is she going to give up? Or is she going to fight, in the name of love? Will she still feel normal after everything that happened in the past? Andrea is just an ordinary girl who makes mistakes like all the other girls. She is also someone who gets hurt when she is experiencing something deep inside. Andrea is simple but strong enough to face the challenges that she has in her life. But in life, in love, will she show her courage and courageously face all the challenges that destiny has to give?

**Once again, by mrs. Forrester** - Bridges 1887

**Loved You Once** - Hollis Shiloh

Two sweet gay Regency romance stories: Loved You Once Boyhood friends are separated and grow up apart. When they meet again, Sander is shocked to discover his friend Paul still has feelings for males—and acts on his feelings. Sander is disturbed and unnerved; he's never allowed himself to think those sorts of things, much less act on them. The punishment would be death, after all. But he doesn't want to lose Paul again, no matter what. Perhaps his friendship can be enough; perhaps Sander won't be jealous of more.... Laurent St. Claire When Laurent St. Claire discovers the handsome singer he's been seducing is a virgin, he breaks things off cruelly between them. He doesn't want a hesitant lover—and he doesn't want matters of the heart to enter into it. Or so he thought.... Total length for both stories: ~22,000 words Heat level: low Categories: sweet gay romance, Regency romance, historical / English romance

How to Forget Someone You Once Loved - Edwin Nelson 2018-11-07

When we love someone, at the same time our worldview changes, what they do or think affects us, the longer they stay attached, the more deeply rooted thoughts and feelings they are. Everything they do, everything they think has a meaning to us, thanks to the "half" of that, our lives become "pink," more motivation and hard work, hardships or reflections in life suddenly become blurred, as if by a prism of matte coverage. Then suddenly one day, the reality comes up when he suddenly becomes an old lover and no longer around, you will wake up with a messy feeling, and feel empty when everything that both have torn together as suddenly as they have never existed. The reality is broken, you will search for the meaning of life without the other, you will also ask yourself whether this is the real love the two have ended, not stop at When the reality of the past is overwhelmed by the faint prism that will drag on ... All negative emotions will come as if to break all the motivation to strive. You will also gradually lose faith in yourself, around people as well as no longer believe in happiness ... Overcoming it or not is located in themselves, someone a few months, someone a few years but someone still lives with the whole life. Yes, love is great, but honestly, feelings are crazy. Do you know why we can not forget someone easily, even after a few months, or a few years? That's because whenever someone leaves you, your "survival instinct" will be activated and become extremely powerful. But what does this mean? Do you know why a small child always cried when his mother went out of sight in only 5 minutes? That is because the child has been pushed to the brink of survival, must be alone. Being abandoned means "DEATH." This is why the children, naturally, tend to seek their mother for protection and love, and also why they cry. There is an interesting thing here! Do you know that even though we are adults, our brains can still be in a state of activation of survival when we have to endure a breakup? Because our brains have defaulted that we CAN BE DISABLED, WE WILL NOT TAKE OUT. I hope these things mean something to you. Because just understanding this has helped you avoid a lot of psychological damage. And this book will tell you the naked truth of separation, This book will give you a method. - How long have you been parting? - How did you suffer? - How many mistakes did you make? At 4 weeks, all negative emotions will go away. You will much more be a person of SELF, SECRET, SAFE. And much, much more! Would you like to know more? Download and start moving towards your goals.
