Heart of the Living God - Michael G. Maness 2004-06-23

Maness asks us to tie up our sneakers, for we are going to have some fun as we hike into the Grand Canyon of Love. Love is the treasure of life. It is Love all the way. Nothing else really matters outside of Love. Best of all, our Love will only get better in heaven. The treasured ability to have loving relationships is God's gift to us in our Imago Dei the image of God we all share. Likewise, what we know of Love this side of heaven is but a dusty image of what God experiences. I want to get personally involved, says Maness. Can we have a free-will relationship with anyone, even God, if all of what we do and think is settled? I don't think so. Love is greater than that, and I shall prove that, and that is indeed a Grand Canyon. Manes brings some of the brain-splitting complexities of this to light with good humor, introduces dynamic foreknowledge, and challenges Classical Theism's avoidance of Love. And he exposes some foul play in the process. That's the first half of the book. For those wanting to strike out on their own (wanting to see more of the depth and

diversity of the Grand Canyon), the second half contains reviews of about 60 major authors, a 4,000+ Abysmal Bibliography, and a huge index to just about everything in the book. Maness has thrown a gauntlet before the Classical Theists. So tie up your sneakers and take a hike with Michael G. Maness as he walks with you into the Grand Canyon. see more at [www.PreciousHeart.net](http://www.PreciousHeart.net)

**Learn to Love** - Thomas Jordan PhD 2019-12-08

*Learn to Love: Guide to Healing Your Disappointing Love Life* was written by Dr. Thomas Jordan, a New York City psychologist who specializes in the treatment of people with love life problems. After 30 years of clinical research and treatment, Dr. Jordan wrote a book that shows readers how to make the psychological changes that will dramatically improve their love lives. The method Dr. Jordan describes in his book worked for many of his patients, and as he describes in his book, helped him in his own love life as well. *Learn to Love* guides readers through the process of becoming aware of what they've learned about love relationships, how to unlearn what was unhealthy, and clarifies what they'll need to learn or relearn and practice to get control of their love lives.

**The Best Possible Wedding Gift** - Mary Hennessey 2004

Our culture encourages couples to make elaborate preparations for their wedding day, and yet so little thought is given to a life of marriage. This book - *The Best Possible Wedding Gift* - focuses on what follows the wedding day - the life of marriage. The authors define "marriage" as a coming together of two emotionally committed people, dedicated to each other's personal and spiritual growth in ways that create a deepened intimacy, where both partners feel deeply loved and fully valued. The information presented in the book is of equal value to singles who may be contemplating a romantic partnership. This book is also ideal for those who have walked love's path and been disillusioned. In this comprehensive explanation of what marriage can be, the authors share what they have learned about awakened partnership and its capacity to transform relationship into authentic shared living that embraces the deepest levels of both intimacy and romance. This book will prepare you to embrace the mystery of love, entertain its changing nature with awareness and skill, bask in its joy, laughter and tears and share its sweet nectar with your lover. It points out the markers and signposts others have graciously left along love's often unpredictable, but well-trodden path The book presents marriage as a possible accelerated path to personal growth, fulfillment and happiness. No other relationship has quite the same power to transform lives. In *The Best Possible Wedding Gift*, Mary and Austin Hennessey explore the nature of committed relationship, and show how to evolve this shared togetherness into the partnership most couples dream of. With an accomplished background in relationship mentoring, and enhanced by their own authentic marriage, they explain the heart-centered subtleties that create and sustain the love, passion and compassion that are the fuel of an awakened marriage.

*Teaching What Matters* - Steve A. Banno Jr. 2022-04-13

*Teaching What Matters* is a comprehensive guidebook distilling that course with emerging research in the science of happiness and altruism.

**The Encyclopedia of Guilty Pleasures** - Sam Stall 2004-09-01

What do Neil Diamond, Touched by an Angel, Pamela Anderson, The Boy in the Plastic Bubble, White castle hamburgers, Benny Hill, Thomas Kinkade, and the song "You Light Up My Life" have in common? They're all guilty pleasures—and they're all celebrated in this massive A-to-Z encyclopedia. Authors Sam Stall, Lou Harry, and Julia Spalding have unearthed fascinating trivia about literature (Valley of the Dolls, The Sports Illustrated Swimsuit Issue), television (The Real World, Land of the Lost), fashion (Members Only jackets, the WonderBra), and more. Every page features a sophisticated two-column design and handy guide words for quick at-a-glance reference. Best of all, we've illustrated 100 of the guiltiest pleasures with the same portrait style used by the Wall Street Journal. Complete with 1,001 entries, it's the ultimate guide to

everything you hate to love!

**The Italian American Experience** - Salvatore J. LaGumina 2003-09-02

First Published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

**Divorce Busting** - Michele Weiner Davis 1993-02

A step-by-step approach to making your marriage loving again.

*Laugh Your Way to a Better Marriage* - Mark Gungor 2008-03-25

Based on Mark Gungor's wildly popular seminar, Laugh Your Way to a Better Marriage® builds on Gungor's success with tens of thousands of couples who credit him with enriching, and even saving, their marriages. By using his unique blend of humor and tell-it-like-it-is honesty, he helps couples get along and have fun doing it. Through exploring a variety of subjects including the myth of a "soul mate," the different ways men and women think, the conflicting levels of libido, and the necessity to forgive, Gungor proves that the key to marital bliss is not romance or destiny -- it's work and skill. Couples need to work hard at maintaining their relationship and to have the skills to pull it off. The longer spouses wait to learn these skills, the greater their chance of wanting to bail, yet Gungor makes it easy for couples to bring their relationship to the next level.

**Stable** - April Michelle Lewis 2012-12-19

THIS SPIRITUAL GUIDE PROVIDES A PHILOSOPHY DESIGNED TO BOTH HEAL THE INDIVIDUAL AND ULTIMATELY CARRY THE WORLD INTO A NEW ERA OF UNITY. SUPPORTED BY SCRIPTURE AND SCIENCE. STABLE: The Keys to Heaven on Earth offers a new and different message as religious barriers are broken down. STABLE is defined by author April Michelle Lewis as Sound Thought, Always Believe, Life of Excellence—truly the keys to experiencing heaven on earth. For thousands of years, humankind has envisioned a peaceful world. Peace can be obtained. It is not impossible and is, in fact, well within our reach. Various scientific studies support the existence and the true nature of God and heaven. When these discoveries are applied to our lives, it launches us all toward an existence that God has intended for us here on earth. Through the STABLE philosophy, people of all backgrounds across the world can learn to love each other, share their possessions, strengthen their faith, turn their dreams into reality, and find hope in the face of debilitating depression. This spiritual guide seeks to heal individuals in every aspect of their lives, and ripple out like a beautiful wave to unite the entire globe. It is time to live as though heaven is on earth.

*Heart to Heart* - Herbert N. Budnick 1997-12

A highly original study, [addressed] to those who must grapple with uncertainties and fears created by life threatening disorders. [This] very practical book is recommended.

**One Small Barking Dog** - Ed Gungor 2010-03-30

Small Is the New Big In this humorous, insistent book, Pastor Ed Gungor demonstrates that the world is changed most by ordinary people—the "small dogs" of the human race. Small dogs may not run the world, but neither can the world tune them out. If it weren't for small dogs, the world might be a quieter place, but it would certainly be a needier one. With chapters like "Dare to Be Small," "Fight the Big-Dog Lie," and "The Bark of Faith," Gungor challenges the notion that earthly prominence, status, and power are essential to significance. Reminding us that small is the new big, he inspires us to fall in love with life—the everyday, normal kind—and shows us how to make an eternal difference. Living a Life That's Hard to Ignore The thing about small, barking dogs is that they can't be ignored. They may not be show-dog material or win outstanding awards, but through their persistence and insistence they make themselves known. Only a handful of people ever achieve notoriety and "greatness," but the energizing truth of One Small Barking

Dog is that every single one of us can change the world. New York Times bestselling author Ed Gungor debunks the big-dog lie and clearly teaches "ordinary" people how to live out their faith in a way that not only changes the world we live in now but that affects lives for eternity. By the time you finish this book, you won't be worried about being small. You'll be ready to take on the world. You'll know how to live a life that can't be ignored. Whether you've just graduated from school or you've been at this life for many years, Ed Gungor's concrete principles and simple life wisdom will show you new ways to make a big impact on your world.

**Transcending Turmoil** - Donna F. LaMar 2013-12-01

*The Therapist's Notebook* - Lorna L Hecker 2013-02-01

When did you last have enough free time to carefully create, develop, and test a therapeutic concept or teaching method to improve the help you provide to your patients? With The Therapist's Notebook, a compilation of original ideas by practicing clinicians, you can tap into the knowledge and experience of seasoned professionals to give your clients tangible, field-tested assignments that will represent their work and progress in therapy. Appropriate for practicing marriage and family therapists, psychologists, social workers, and other therapists of any professional affiliation who deal with children, adolescents, adults, couples, or families, this dynamic handbook provides you with handouts and homework activities that are quick and easy and require little effort or experience to use. The Therapist's Notebook is a valuable resource for both experienced and novice clinicians. Established clinicians will know how to fit each chapter to a particular clientele, while uninitiated clinicians or trainees will appreciate how the ready-made materials help their clients and spur their own creativity in intervening. You'll find therapeutic work becomes less stressful and more enjoyable as you learn about helping these populations deal with important issues: Adults--goal setting, boundary issues, life transitions, communication, problemsolving, compulsivity, feelings Couples--trust, infidelity, leisure time, communication, conflict resolution, sexuality, enrichment Families--rules/punishment, decisionmaking, gender roles, chores and responsibilities, communication Children--self-esteem, school problems, social skills, abuse, discipline problems Adolescents--peer pressure, school issues, communication, involvement in therapy, behavior Other--resistant clients, crisis counseling, linking clients with social resources The Therapist's Notebook gives you a tangible, useful product you can utilize with clients. The book's compilation of homework, handouts, and activities that have been successfully applied to client populations is valuable not only for therapists' daily use, but also to illustrate creative, clinically tested interventions to future counselors, therapists, social workers, teachers, school psychologists, and special educators. Particularly useful as an ancillary text in university courses in psychotherapy-related fields, the book's user-friendly format will enliven practicum courses and ensure heightened student participation.

**Loving Each Other** - Leo F. Buscaglia 1984

In this exploration of loving and living, bestselling author Leo Buscaglia addresses the intricacies and challenges of love relationships. He asks such important questions, as: How do we best interweave our lives with our loved ones? Do we change our way of relating depending on the circumstances: If we fail in one relationship, can we succeed in others? In this exhilarating book, Leo doesn't give pat answers. He presents alternatives and suggests behavior that opens the way to truly loving each other. He recalls with heartwarming detail the importance of his own family and friendships in helping him to be open to grow and to love.

**Loving Each Other** - Leo F. Buscaglia 1984

Explains how to develop the commitment, honesty, generosity, and positive attitudes toward oneself and others essential to sustaining a loving relationship

**Heart of the Matter** - Linda Austin 2003-05-06

Why is it that love seems to come easily to some people and not to others? In her first book, What's Holding You Back? Eight Critical Choices for Women's Success, Dr. Linda Austin explored the "psychological glass ceiling," the emotional barriers that keep women from achieving career success. This book is about a different kind of inner glass ceiling: the one that holds you back from the heights of great love. Dr. Austin is convinced that there's nothing fundamentally wrong with those who have difficulty finding and keeping

love; BUT there may be specific behaviors that you engage in -- and specific behaviors that you do not engage in -- that have a profound impact on whether you find and keep love. The good news? Those behaviors can be learned, practiced, and eventually incorporated into your personality. Dr. Austin wants you to know that small adjustments in your outlook and actions can have enormous impact on your ability to get the love you want. And in this perceptive, highly original book, she identifies the five core behaviors that determine your ability to have successful, loving relationships, as well as the patterns of behavior that can subtly sabotage those efforts. The Core Behaviors 1. Engage with the World around You 2. Evaluate the Choices You Make for Love 3. Expand Your Safety Zone 4. Establish Emotional Independence 5. Evolve Consciously, Willfully, Healthily Heart of the Matter shows how these five essential practices can deepen and transform your ability to give and receive love and loyalty. It explains how to make those small and specific changes that will have huge ripple effects on what happens to you in life -- and most important of all, it demonstrates how to identify and use your strengths so that you can move toward the life and love you want so much. Heart of the Matter reflects Dr. Linda Austin's twenty-five years as a psychiatrist, assisting all sorts of people in their efforts to live more fully in the real world of loving human relationships. Pragmatic and sensible, this book is based on the conviction that each of us has the capacity to improve our ability to find and inspire love through specific behaviors. So whether you're currently in a relationship, or

it's been so long since you've dated that you think "seeing someone" refers to a psychiatrist, Heart of the Matter can help you move toward that healthy, loving relationship you want -- and so richly deserve.
