

Macho Marines Vol 6 True Homosexual Military Stories

The Enemy - Lee Child 2009-07-28

'There's only one Jack Reacher. Accept no substitutes' Mick Herron 'The thing about Lee Child's books is that you can't put the damn things down. . .there's something about his writing that's addictive. The Enemy is no exception. . .Superb.' Independent on Sunday _____ North Carolina. New Year's Day, 1990. A soldier is found dead in a sleazy motel bed. Jack Reacher is the officer on duty. The soldier turns out to be a two-star general. The situation is bad enough, then Reacher finds the body of the general's wife. This stomach-churning thriller turns back the clock to a younger Reacher, in dogtags. A Reacher who still believes in the service. A Reacher who imposes army discipline. Even if only in his own pragmatic way... _____ Although the Jack Reacher novels can be read in any order, The Enemy is 8th in the series. And be sure not to miss Reacher's newest adventure, no.27, No Plan B! ***OUT NOW***

Surfer Sex - Rusty Winter 1985

Gay Encounters from Australia

Strength of the Wolf - Kendall McKenna 2013-09

Major Tim Madison has his hands full. A young Alpha werewolf has stormed into his personal life, while Tim struggles to keep military werewolves from safe on the front lines. After a fiery exit from Afghanistan, Tim Madison is promoted to major. Jeremy Wagner is a civilian, just beginning his Transition to True Alpha. As a lone wolf, he has no one to teach him the vital principles of strong leadership. After a volatile chance encounter, Tim and Jeremy form an intimate bond. As Jeremy prepares to someday lead his own pack, Tim struggles with military werewolves being needlessly maimed in combat, as well as specifically targeted by hostile forces. Despite Tim and Jeremy's feelings, werewolf and human politics or family conflict could prevent their mate-

bond.

The End of Don't Ask, Don't Tell: The Impact in Studies and Personal Essays by Service Members and Veterans - J Ford Huffman 2012-12-03

Featuring 4 reports and 25 personal essays from diverse voices—both straight and gay—representing U.S. Marine Corps, Army, Navy, and Air Force veterans and service members, this anthology examines the impact of “Don’t Ask, Don’t Tell” and its repeal on 20 September 2011 in order to benefit policy makers, historians, researchers, and general readers. Topics include lessons from foreign militaries, serving while openly gay, women at war, returning to duty, marching forward after repeal, and support for the committed same-sex partners and families of gay service members.

Generation Kill - Evan Wright 2005-02-01

Based on Evan Wright's National Magazine Award-winning story in Rolling Stone, this is the raw, firsthand account of the 2003 Iraq invasion that inspired the HBO® original mini-series. Within hours of 9/11, America’s war on terrorism fell to those like the twenty-three Marines of the First Recon Battalion, the first generation dispatched into open-ended combat since Vietnam. They were a new pop-culture breed of American warrior unrecognizable to their forebears—soldiers raised on hip hop, video games and The Real World. Cocky, brave, headstrong, wary and mostly unprepared for the physical, emotional and moral horrors ahead, the “First Suicide Battalion” would spearhead the blitzkrieg on Iraq, and fight against the hardest resistance Saddam had to offer. Hailed as “one of the best books to come out of the Iraq war”(Financial Times), Generation Kill is the funny, frightening, and profane firsthand account of these remarkable men, of the personal toll

of victory, and of the randomness, brutality and camaraderie of a new American War.

Albion's Seed - David Hackett Fischer 1991-03-14

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Nothing to Lose - Lee Child 2009

Jack Reacher becomes curious about what is driving events in a small town when he is accosted by four hostile local people, and is then charged with vagrancy.

Between Ghosts - Garrett Leigh 2018

WINNER of the 2017 EPIC Award for Contemporary Romance In 2003, journalist Connor Regan marched through London to add his voice to a million others, decrying the imminent invasion of Iraq. Eight months later, his brother, James, was killed in action in Mosul. Three years on, Connor finds himself bound for Iraq to embed with an elite SAS team. He sets his boots on the ground looking for closure and solace—anything to ease the pain of his brother's death. Instead he finds Sergeant Nathan Thompson. Nat Thompson is a veteran commander, hardened by years of combat and haunted by the loss of his best friend. Being lumbered with a civilian is a hassle Nat doesn't need, and he vows to do nothing more than keep the hapless hack from harm's way. But Connor proves far from hapless, and too compelling to ignore for long. He walks straight through

the steel wall Nat's built around his heart, and when their mission puts him in mortal danger, Nat must lay old ghosts to rest and fight to the death for the only man he's ever truly loved.

Six Ways from Sunday - Mercy Celeste 2013-04-12

Take one NFL tight end, and one Marine, add one week and watch the sparks fly. Bowen Murphy craved two things, football and Dylan. After high school he had football but he lost Dylan. Dylan Sunday walked a different path, one laid down before him by his father and his grandfather. Losing Bo one day after discovering they shared more than football wasn't part of the bargain. Six years of missed connections and finally Dylan is able to come home to the man he left behind. The spectacle of the biggest game in the NFL is only the beginning of one sizzling week. After that time and fate would decide if Bo and Dylan would walk the same path, or if one of them would make the ultimate sacrifice. Warning: bittersweet tale of two hot men, making up for six years of separation. May not be suitable for sensitive readers.

Subject Guide to Books in Print - 1993

Point of Contact - Melanie Hansen 2018-03-01

Only love can heal an impossibly broken heart There'd forever been a thread running through Trevor Estes's life—his son, Riley, strong and constant like a heartbeat. But when Riley is killed in combat, everything in Trevor's life unravels into a mess he doesn't know how to mourn. Then Jesse Byrne, Riley's friend and platoon mate, arrives on Trevor's doorstep with a box of Riley's things. Jesse's all-too-familiar grief provides an unlikely source of comfort for Trevor: knowing he's not alone is exactly what he needs. Trevor never imagined he'd find someone who fills his heart with hope again. As the pair celebrate Riley's memory, their unique bond deepens into something irreplaceable—and something neither man can live without. But diving into a relationship can't be so simple. Being together means Trevor risking the last link he has to his son...leaving Jesse to wonder if he'll ever be enough, or if Trevor will always be haunted by the past. This book is approximately 120,000 words One-click with confidence. This title is part of the Carina Press

Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise! Carina Press acknowledges the editorial services of Alissa Davis

Beyond Duty - Sjd Peterson 2013-08

As Gunny and Mac navigate emotional waters as choppy as any they've seen, they might learn Semper Fi applies to more than their careers.

Strength of the Pack - Kendall McKenna 2013

Lieutenant Lucas Young doesn't know much about shifters. When Sergeant Noah Hammond is assigned to Lucas' platoon, the Marine Corps' True Alpha werewolf challenges the Lieutenant's authority and his self-control. As Lucas learns to dominate and command Noah, he struggles against a strong attraction and deepening emotional bond. During their combat deployment to Afghanistan, Lucas and Noah begin mirroring legendary partnerships. Their bond and their power grow as they survive dangerous combat and ambushes. When one of them is wounded in battle, they both must embrace the strength of their bond before they lose each other forever.

Not Gay - Jane Ward 2015-07-31

A different look at heterosexuality in the twenty-first century A straight white girl can kiss a girl, like it, and still call herself straight—her boyfriend may even encourage her. But can straight white guys experience the same easy sexual fluidity, or would kissing a guy just mean that they are really gay? Not Gay thrusts deep into a world where straight guy-on-guy action is not a myth but a reality: there's fraternity and military hazing rituals, where new recruits are made to grab each other's penises and stick fingers up their fellow members' anuses; online personal ads, where straight men seek other straight men to masturbate with; and, last but not least, the long and clandestine history of straight men frequenting public restrooms for sexual encounters with other men. For Jane Ward, these sexual practices reveal a unique social space where straight white men can—and do—have sex with other straight white men; in fact, she argues, to do so reaffirms rather than challenges their gender and racial identity. Ward illustrates that sex between straight white men allows them to leverage whiteness and masculinity to authenticate their

heterosexuality in the context of sex with men. By understanding their same-sex sexual practice as meaningless, accidental, or even necessary, straight white men can perform homosexual contact in heterosexual ways. These sex acts are not slippages into a queer way of being or expressions of a desired but unarticulated gay identity. Instead, Ward argues, they reveal the fluidity and complexity that characterizes all human sexual desire. In the end, Ward's analysis offers a new way to think about heterosexuality—not as the opposite or absence of homosexuality, but as its own unique mode of engaging in homosexual sex, a mode characterized by pretense, dis-identification and racial and heterosexual privilege. Daring, insightful, and brimming with wit, Not Gay is a fascinating new take on the complexities of heterosexuality in the modern era.

Forthcoming Books - Rose Army 1998-04

Pulp Vietnam - Gregory A. Daddis 2020-10-22

Explores how Cold War men's magazines idealized warrior-heroes and sexual-conquerors and normalized conceptions of martial masculinity.

Loving a Warrior - Melanie Hansen 2018-11-26

BUD/S: six months of the most intense training there is. It's survival of the toughest, and Matt Knytych is determined to come out the other side a navy SEAL. Distraction is life or death. And just the sight of former marine Shane Hovland is enough to shake Matt's concentration. Shane came to BUD/S training ready to prove himself—again. Semper Fi is forever, but he needs a new start. Not this dangerous heat with a man he barely knows. Everything they've ever wanted is riding on a thin, punishing line. And they'll have to fight for more than just each other if they want to make it through intact. After all, the only easy day was yesterday. This book is approximately 77,300 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!

New York Magazine - 1980-10-06

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted

resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

West Coast Review of Books - 1983

Book Review Index - 2003
