Found - Tatum O'Neal 2011-06-14

Academy Award winner Tatum O'Neal continues her inspiring true-life story begun in the 2004 New York Times bestseller *A Paper Life with Found: A Daughter's Journey Home*—a moving memoir of discovery and reconciliation. In *Found*, the star of "Paper Moon," TV's "Rescue Me," and the OWN (Oprah Winfrey Network) docuseries "Ryan and Tatum: The O'Neals" shares her hard-won insights on recovery, forgiveness, and the healing power of love.

A Carlin Home Companion - Kelly Carlin 2015-09-15

Truly the voice of a generation, George Carlin gave the world some of the most hysterical and iconic comedy routines of the last fifty years. From the "Seven Dirty Words" to "A Place for My Stuff," to "Religion is Bullshit," he perfected the art of making audiences double over with laughter while simultaneously making people wake up to the realities (and insanities) of life in the twentieth century. Few people glimpsed the inner life of this beloved comedian, but his only

child, Kelly, was there to see it all. Born at the very beginning of his decades-long career in comedy, she slid around the "old Dodge Dart," as he and wife Brenda drove around the country to "hell gigs." She witnessed his transformation in the '70s, as he fought back against-and talked back to-the establishment; she even talked him down from a really bad acid trip a time or two ("Kelly, the sun has exploded and we have eight, no-seven and a half minutes to live!"). Kelly not only watched her father constantly reinvent himself and his comedy, but also had a front row seat to the roller coaster turmoil of her family's inner life-alcoholism, cocaine addiction, life-threatening health scares, and a crushing debt to the IRS. But having been the only "adult" in her family prepared her little for the task of her own adulthood. All the while, Kelly sought to define her own voice as she separated from the shadow of her father's genius. With rich humor and deep insight, Kelly Carlin pulls back the curtain on what it was like to grow up as the daughter of one of the most recognizable

comedians of our time, and become a woman in her own right. This vivid, hilarious, heartbreaking story is at once singular and universal—it is a contemplation of what it takes to move beyond the legacy of childhood, and forge a life of your own.

The Incest Diary - Anonymous 2018-11

Throughout her childhood and adolescence, the anonymous author of *The Incest Diary* was raped by her father. Beneath a veneer of normal family life, she grew up in and around this all-encompassing secret. Her sexual relationship with her father lasted, off and on, into her twenties. It formed her world, and it formed her deepest fears and desires. Even after she broke away, even as she grew into an independent and adventurous young woman, she continued to seek out new versions of the violence, submission and secrecy she had struggled to leave behind. In this graphic and harrowing memoir, the author revisits her early traumas and their aftermath - not from a clinical distance, but from deep within - to explore the ways in which her father's abuse shaped her, and still does. As a matter of psychic survival, she became both a sexual object and a detached observer, a dutiful daughter and the protector of a dirty secret. And then, years later, she made herself write it down. With lyric concision, in vignettes of almost unbearable intensity, this writer tells a story that is shocking but that will ring true to many other survivors of abuse. It has never been faced so directly on the page.

Hopeful Healing - Mackenzie Phillips 2017-02-07

"As the daughter of lead singers of the 1960s band The Mamas and The Papas, Mackenzie Phillips grew up in a dysfunctional environment and subsequently battled a near-fatal drug addiction. Now, delivered with warmth and candor, she presents the wisdom she gained from her own personal journey through addictions and her understanding of practical treatment from her work as a rehabilitation counselor. Using her own life experiences as examples of proven recovery methods, she shares the tools and holistic approaches that are available to help you on your journey to recovery."--Amazon.com

American Psycho - Bret Easton Ellis 2013

First ever hardcover edition of the classic horror novel.

Some Choose Darkness - Charlie Donlea

2019-05-28

Forensic reconstructionist Rory Moore sheds light on cold-case homicides by piecing together crime scene details others fail to see. Cleaning out her late father's law office after his burial, she receives a call that plunges her into a decades-old case . . . In the summer of 1979, five Chicago women went missing. The predator, nicknamed The Thief, left no bodies or clues behind—until police received a package from a mysterious woman named Angela Mitchell, whose unorthodox investigations appeared to unmask the killer. Then Angela disappeared without a trace. Forty years later, The Thief is about to be paroled for Angela's murder. But the cryptic file Rory finds in her father's law office suggests there is more to the case. Making one startling discovery after another, Rory becomes helplessly entangled in the enigma of Angela Mitchell and what happened to her. As she continues to dig, even Rory can't be prepared for the full, terrifying truth that is emerging . . .

Children of the Great Recession - Irwin

Garfinkel 2016-08-21

Many working families continue to struggle in the aftermath of the Great Recession, the deepest and longest economic downturn since the Great Depression. In *Children of the Great Recession*, a group of leading scholars draw from a unique study of nearly 5,000 economically and ethnically diverse families in twenty cities to analyze the effects of the Great Recession on parents and young children. By exploring the discrepancies in outcomes between these families—particularly between those headed by parents with college degrees and those without—this timely book shows how the most disadvantaged families have continued to suffer as a result of the Great Recession. Several contributors examine the recession's impact on the economic well-being of families, including changes to income, poverty levels, and economic insecurity. Irwin Garfinkel and Natasha Pilkauskas find that in cities with high unemployment rates during the recession, incomes for families with a college-educated mother fell by only about 5 percent, whereas families without college degrees experienced income losses three to four times greater. Garfinkel and Pilkauskas also show that the

number of non-college-educated families enrolled in federal safety net programs—including Medicaid, the Earned Income Tax Credit, and the Supplemental Nutrition Assistance Program (or food stamps)—grew rapidly in response to the Great Recession. Other researchers examine how parents' physical and emotional health, relationship stability, and parenting behavior changed over the course of the recession. Janet Currie and Valentina Duque find that while mothers and fathers across all education groups experienced more health problems as a result of the downturn, health disparities by education widened. Daniel Schneider, Sara McLanahan and Kristin Harknett find decreases in marriage and cohabitation rates among less-educated families, and Ronald Mincy and Elia de la Cruz-Toledo show that as unemployment rates increased, nonresident fathers' child support payments decreased. William Schneider, Jeanne Brooks-Gunn, and Jane Waldfogel show that fluctuations in unemployment rates negatively affected parenting quality and child well-being, particularly for families where the mother did not have a four-year college degree. Although the recession affected most Americans, Children of the Great Recession reveals how vulnerable parents and children paid a higher price. The research in this volume suggests that policies that boost college access and reinforce the safety net could help protect disadvantaged families in times of economic crisis.

[The Shack](#) - Wm. Paul Young 2017-09-26

After his daughter's murder, a grieving father confronts God with desperate questions -- and finds unexpected answers -- in this riveting and deeply moving #1 NYT bestseller. When Mackenzie Allen Phillips's youngest daughter Missy is abducted during a family vacation, he remains hopeful that she'll return home. But then, he discovers evidence that she may have been brutally murdered in an abandoned shack deep in the Oregon wilderness. Four years later, in this midst of his great sadness, Mack receives a suspicious note that's supposedly from God, inviting him back to that shack for a weekend. Against his better judgment, he arrives on a wintry afternoon and walks back into his darkest nightmare. What he finds there will change his life forever.

A Paper Life - Tatum O'Neal 2005-10-04

A real Hollywood-style tell-all, this is the extremely candid and highly explosive autobiography of one of the movie industry's most talented and troubled young stars. At age ten, Tatum O'Neal became the youngest Oscar winner in history for her performance in the film classic *Paper Moon*. As the sidekick to her father, the flamboyant star and man-about-town Ryan O'Neal, she became a fixture at the most glamorous Hollywood parties and counted celebrities ranging from Cher to Stanley Kubrick among her childhood friends. Yet behind the glittering façade of Tatum's life lay heartbreak: abandonment, abuse, neglect, and drug addiction. She reveals the most intimate secrets of her dysfunctional relationships with her father, Ryan O'Neal, and stepmother, Farrah Fawcett, as well as her alcoholic mother, Joanna Moore, and ex-husband, tennis pro John McEnroe. After the collapse of her marriage and with no real family to turn to, Tatum succumbed to the demons of her past that would nearly kill her. Now she has emerged clean and sober, rediscovering herself as an actress, mother, and wonderfully vibrant woman in what she considers the prime of her life.

The Kiss - Kathryn Harrison 2011-05-04

Exquisitely and hypnotically written, like a bold and terrifying dream, *The Kiss* is breathtaking in its honesty and in the power and beauty of its creation. In this extraordinary memoir, one of the best young writers in America today transforms into a work of art the darkest passage imaginable in a young woman's life: an obsessive love affair between father and daughter that began when Kathryn Harrison, twenty years old, was reunited with a parent whose absence had haunted her youth. A story both of taboo and of family complicity in breaking taboo, *The Kiss* is also about love—about the most primal of love triangles, the one that ensnares a child between mother and father. Praise for *The Kiss* “I couldn't stop reading this. I'll never stop remembering it.”—Mary Karr, author of *The Liars' Club* “Only a writer of extraordinary gifts could bring so much light to bear on so dark a matter, redeeming it with the steadiness of her gaze and the uncanny, heartbreaking exactitude of her language.”—Tobias Wolff, author of *This Boy's*

Life "Beautifully written . . . jumping back and forth in time yet drawing you irresistibly toward the heart of a great evil."—The New York Times "Like all good literature, *The Kiss* illuminates something that we knew already, while also teaching us things we had not even suspected."—Los Angeles Times "A darkly beautiful book, fearless and frightening, ironic and compassionate."—Mary Gordon, author of *Circling My Mother* "Harrison's story is her own, but it is also a brilliant fiction, densely mythic, sometimes almost liturgical sounding and raw. She is both author and protagonist of a dark pilgrim's progress."—The Atlanta Journal and Constitution

Parenting Matters - National Academies of Sciences, Engineering, and Medicine 2016-12-21
Decades of research have demonstrated that the parent-child dyad and the environment of the family—which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. *Parenting Matters* identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8;

universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

Meeting God at the Shack - John Mark Hicks 2017-02-10

How can wounded people come to believe that God deeply loves them? Many have enjoyed William Young's *The Shack*, even if they puzzled over the book's actual meaning and theology. While some were quick to dismiss it as fiction, *The Shack* isn't really fiction at all. It's a modern day parable. *Meeting God at The Shack* shows hurting people how to read this story with profit and come to know God more fully.

The Vanishing Act of Esme Lennox - Maggie O'Farrell 2009-11-12

From the Costa Award winning, bestselling author of *THIS MUST BE THE PLACE* and *I AM, I AM, I AM*, comes an intense, breathtakingly accomplished story of a woman's life stolen, and reclaimed. 'Unputdownable' Ali Smith Edinburgh in the 1930s. The Lennox family is having trouble with its youngest daughter. Esme is outspoken, unconventional, and repeatedly embarrasses them in polite society. Something will have to be done. Years later, a young woman named Iris Lockhart receives a letter informing her that she has a great-aunt in a psychiatric unit who is about to be released. Iris has never heard of Esme Lennox and the one person who should know more, her grandmother Kitty, seems unable to answer Iris's questions. What could Esme have done to warrant a lifetime in an institution? And how is it possible for a person to be so completely erased from a family's history?

Lincoln as I Knew Him - Harold Holzer 2009-02-10

those who knew him suggest Lincoln was a terrible dresser, loved bawdy jokes and stories, and was a push-over around children.

Y is for Yesterday - Sue Grafton 2017-08-24

Y is for Yesterday is the twenty-fifth and last in the Kinsey Millhone Alphabet mystery series by Sue Grafton. The darkest and most disturbing case report from the files of Kinsey Millhone, Y is for Yesterday begins in 1979, when four teenage boys from an elite private school sexually assault a fourteen-year-old classmate – and film the attack. Not long after, the tape goes missing and the suspected thief, a fellow classmate, is murdered. In the investigation that follows, one boy turns in evidence for the state and two of his peers are convicted. But the ringleader escapes without a trace. Now, it's 1989 and one of the perpetrators, Fritz McCabe, has been released from prison. Moody, unrepentant, and angry, he is a virtual prisoner of his ever-watchful parents – until a copy of the missing tape arrives with a ransom demand.

That's when the McCabes call Kinsey Millhone for help. As she is drawn into their family drama, she keeps a watchful eye on Fritz. But he's not the only one being haunted by the past. A vicious sociopath with a grudge against Millhone may be leaving traces of himself for her to find . . .

I'm Just Sayin'! - Kim Zimmer 2011-08-02

As the notorious Reva Shayne on the daytime television drama Guiding Light, Kim Zimmer portrayed a vixen, a manic-depressive, an Amish woman, a time traveler, a Civil War belle, a talk show host, a cancer survivor, a loving mother, and a devoted wife. In her more than two decades on the show, she earned eleven Daytime Emmy nominations and four wins, not to mention a legion of loving fans. Now, in this heartfelt memoir, Zimmer delves into her experiences as a daytime diva. Packed with on- and off-set photographs and behind-the-scenes information, blatantly honest and wildly indiscreet, I'm Just Sayin' tells all in an insightful journey through the parallel lives of Reva Shayne and Kim Zimmer—and the true stories behind the longest-running drama in television and radio history.

UnSweetined - Jodie Sweetin 2009-11-03

In the vein of Nic Sheff's "Tweak" and Tori Spelling's "sTori Telling, UnSweetined" reveals the former "Full House" star's harrowing journey

from her role as America's sweetheart on a popular television show to her struggle with substance abuse. color photo insert.

My Daddy The Devil and Me - Debra Ann Brown-Davis 2009-11-06

My Daddy, the Devil, and Me is a harrowing true story that will turn everything you think you know about incest upside down. How can someone you trust and adore brainwash you and turn you into something you are not? Debra Davis thought she was Daddy's little girl—but, at age 15, Daddy's little girl become Daddy's lover and slave. Led by her father into a violent life of crime, she became a prostitute, drug addict, victim of physical abuse, and prison inmate. She nearly murdered her father one night... but she never stopped loving him. This is anything but an ordinary autobiography. For 21 years, Debra Davis kept a dark and dirty secret—and then, at last, she broke free. You've never read anything like this book.

Losing It - Valerie Bertinelli 2008-02-25

Valerie Bertinelli, then: bubbly sitcom star and America's Sweetheart turned tabloid headline and rock star wife. Now: actress, single working mother of teenage rock star, and weight-loss inspiration to millions. We all knew and loved Valerie Bertinelli years ago when she played girl-next-door cutie Barbara Cooper in the hit TV show One Day at a Time, and then starred in numerous TV movies. From wholesome primetime in America's living rooms, Valerie moved to late nights with the hardest-partying band of the decadent eighties when she became, at twenty, wife to rock guitarist Eddie Van Halen. Losing It is Valerie's frank account of her life backstage and in the spotlight. Here are the ups and downs of teen stardom, of her complicated marriage to a brilliant, tormented musical genius, and of her very public struggle with her weight. Surprising, uplifting, and empowering, Losing It takes you behind the scenes of Valerie's acting career and marriage, recalling the comforts, friendships, and problems of her television family, her close relationships with her parents and brothers, the stress and worries of being the wife of a rock star, and the joys of motherhood. Like many women, Valerie often remembers the state of her life by the food she ate and the numbers on her scale. So despite her celebrity, Valerie's voice is

Downloaded from
legacy.opendemocracy.net on
2022-01-06 by guest

so down-to-earth, honest, and appealing that you'll feel as if you're talking with a girlfriend over coffee. Funny and candid, Valerie recounts her attempts to maintain a healthy self-image while dealing with social pressures to look and act a certain way, and to overcome career insecurities and relationship problems, all of which will be familiar to the hundreds of thousands of women who struggle every day with these same issues. From marital turmoil to the joys of a new career, from being named among Penthouse's ten sexiest women in the world to overhearing whispers about her weight gain in the grocery store, this is Valerie's inspiring journey as she finds new love, raises a terrific kid, and motivates other women as a spokesperson for Jenny Craig.

High on Arrival - Mackenzie Phillips

2011-08-04

Not long before her fiftieth birthday, Mackenzie Phillips walked into Los Angeles International Airport. She was on her way to a reunion for *One Day at a Time*, the hugely popular 70s sitcom on which she once starred as the lovable rebel Julie Cooper. Within minutes of entering the security checkpoint, Mackenzie was in handcuffs, arrested for possession of cocaine and heroin. Born into rock and roll royalty, flying in Learjets to the Virgin Islands at five, making pot brownies with her father's friends at eleven,

Mackenzie grew up in an all-access kingdom of hippie freedom and heroin cool. It was a kingdom over which her father, the legendary John Phillips of The Mamas & the Papas, presided, often in absentia, as a spellbinding, visionary phantom. When Mackenzie was a teenager, Hollywood and the world took notice of the charming, talented, precocious child actor after her star-making turn in *American Graffiti*. As a young woman she joined the nonstop party in the hedonistic pleasure dome her father created for himself and his fellow revelers, and a rapt TV audience watched as Julie Cooper wasted away before their eyes. By the time Mackenzie discovered how deep and dark her father's trip was going, it was too late. And as an adult, she has paid dearly for a lifetime of excess, working tirelessly to reconcile a wonderful, terrible past in which she succumbed to the power of addiction and the pull of her magnetic father. As her astounding, outrageous, and often tender life story unfolds, the actor-musician-mother shares her lifelong battle with personal demons and near-fatal addictions. She overcomes seemingly impossible obstacles again and again and journeys toward redemption and peace. By exposing the shadows and secrets of the past to the light of day, the star who turned up *High on Arrival* has finally come back down to earth -- to stay.
