make it better.

Heart of Darkness -

Communities in Action - National Academies of Sciences, Engineering, and Medicine 2017-04-27
In the United States, some populations suffer from far greater disparities in health than

*Downloaded from
legacy.opendemocracy.net on 2022-04-24
by guest*

others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. *Communities in Action: Pathways to Health Equity* seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity,

what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

The Dwelling Place of Light - Churchill

2016-02-22

CHAPTER I In this modern industrial civilization of which we are sometimes wont to boast, a certain glacier-like process may be observed. The bewildered, the helpless—and there are many—are torn from the parent rock, crushed, rolled smooth, and left stranded in strange places. Thus was Edward Bumpus severed and rolled from the ancestral ledge, from the firm granite of seemingly stable and lasting things, into shifting shale; surrounded by fragments of cliffs from distant lands he had never seen. Thus, at five and fifty, he found himself gate-keeper of the leviathan Chippering Mill in the city of Hampton. That the polyglot, smoky settlement sprawling on both sides of an historic river should be a part of his native New England

seemed at times to be a hideous dream; nor could he comprehend what had happened to him, and to the world of order and standards and religious sanctions into which he had been born. His had been a life of relinquishments. For a long time he had clung to the institution he had been taught to believe was the rock of ages, the Congregational Church, finally to abandon it; even that assuming a form fantastic and unreal, as embodied in the edifice three blocks distant from Fillmore Street which he had attended for a brief time, some ten years before, after his arrival in Hampton. The building, indeed, was symbolic of a decadent and bewildered Puritanism in its pathetic attempt to keep abreast with the age, to compromise with anarchy, merely achieving a nondescript medley of rounded, knob-like towers covered with mulberry-stained shingles. And the minister was sensational and dramatic.

The Children of Men - P. D. James 2012-01-11
The year is 2021. No child has been born for

twenty-five years. The human race faces extinction. Under the despotic rule of Xan Lyppiat, the Warden of England, the old are despairing and the young cruel. Theo Faren, a cousin of the Warden, lives a solitary life in this ominous atmosphere. That is, until a chance encounter with a young woman leads him into contact with a group of dissenters. Suddenly his life is changed irrevocably as he faces agonising choices which could affect the future of mankind. NOW A MAJOR MOTION PICTURE
Never Let Me Go - Sachin Garg 2012

Why Do Men Fall Asleep After Sex? - Mark Leyner 2006-08-01

The Doctor Is In . . . Again! Did the mega-bestselling *Why Do Men Have Nipples?* exhaust your curiosity about stuff odd, icky, kinky, noxious, libidinous, or just plain embarrassing? No, you say? Well, good, because the doctor and his able-bodied buddy are in! Again! Mark Leyner and Billy Goldberg, M.D., now take on

the differences between the sexes—those burning questions like Why doesn't my husband ever listen? or Why does my wife ALWAYS have to pee? And of course, Why do men fall asleep after sex?, plus plenty of others to keep you fully informed. Full of smart and funny answers to an onslaught of new questions, all in a do-ask-we'll-tell spirit that entertain and teaches you something at the same time, *Why Do Men Fall Asleep After Sex?* offers the real lowdown on everything everyone wants to know about all things anatomical, medical, sexual, nutritional, animal, and mineral, but would only ask a physician after a few too many, like: • Why do you have a “bionic” sense of smell when you're pregnant? • Does peeing in the shower cure athlete's foot? • Is a dog's mouth clean? • Can you breastfeed with fake boobs? • Does thumb sucking cause buckteeth? • Do your eyebrows grow back if shaved? Bigger, funnier, and better than ever, *Why Do Men Fall Asleep After Sex?* proves that in the battle of the sexes, as in most

things, a little Q&A is a safe, effective, minimally invasive remedy. Also available as an eBook *Slow Sex* - Nicole Daedone 2014-07-02 Explains how to use the growing practice of Orgasmic Meditation to slow down, connect emotionally, and achieve authentic female sexual satisfaction.

Pregnancy Day by Day - Paula Amato 2013-12-23

An illustrated reference for expectant parents explains in intricate detail every stage of a pregnancy, in a comprehensive resource that also covers labor, birth, and life with a new baby.

Wolf Hall - Hilary Mantel 2020-11-05 Inglaterra, década de 1520. Henry VIII ocupa o trono, mas não tem herdeiros. O cardeal Wolsey, o seu conselheiro principal, é encarregue de garantir a consumação do divórcio que o papa recusa conceder. É neste ambiente de desconfiança e de adversidade que surge Thomas Cromwell, primeiro como funcionário de

Wolsey e, mais tarde, como seu sucessor. Thomas Cromwell é um homem verdadeiramente original. Filho de um ferreiro cruel, é um político genial, intimidante e sedutor, com uma capacidade sutil e mortal para manipular os outros e as circunstâncias. Impiedoso na perseguição dos seus próprios interesses, é tão ambicioso na política quanto na vida privada. A sua agenda reformadora é executada perante um parlamento que atua em benefício próprio e um rei que flutua entre paixões românticas e acessos de raiva homicida. Escrito por uma das grandes escritoras do nosso tempo, Wolf Hall é um romance absolutamente singular.

Popular Science - 2005-09

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

The Way of the Superior Man - David Deida

have been enhanced in this landmark Tenth edition. This emphasis on the organizing power of evolution is combined with an integration of the importance of cellular, molecular biology and genomics to offer our readers a text that is student friendly and current. Our author team is committed to producing the best possible text for both student and faculty. The lead author, Kenneth Mason, University of Iowa, has taught majors biology at three different major public universities for more than fifteen years. Jonathan Losos, Harvard University, is at the cutting edge of evolutionary biology research, and Susan Singer, Carleton College, has been involved in science education policy issues on a national level. All three authors bring varied instructional and content expertise to the tenth edition of Biology.

Sexed - Paul Neil Abramowitz 2021-08-02
Sexed (Sex'd) - Hardwired by Nature -Evolving by Choice is a first of a kind book, about the sexual hardwiring of the heterosexual male.

While shining a spotlight on some of the predicaments of heterosexual male sexuality, it takes a deep archeological dive into the meeting place of sex, consciousness, biology and intimacy .In so doing it offers a granular look at the impact of our sexual hardwiring on our lived experience as men, far beyond comedy and caricature or the superficial conversations society has thus far offered us. Sexed - offered both as a reference for therapists and a personal study guide for the curious and evolving, and brings the reader closer to a more crystalized sense of sexual self-agency, access to intimacy and the opportunity to continue to bring the best possible version of himself to his relationship and the world. Of course women readers can benefit too by gaining insight into the development and inner workings of the heterosexual man's mind and a broader understanding as to why the hardwiring and its impact has proven to be somewhat trans historical and transcultural .

Sexual Intelligence - Marty Klein 2012-02-07
This is not your standard sex book. Sex therapist, sociologist, and Psychology Today contributor Dr. Marty Klein goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. “Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential.” —Ian Kerner, best-selling author of *She Comes First*

Men, Sex + Food - Rocky Kroghoss 2015-10-13
"Although targeted for men, MEN, SEX + FOOD was an enjoyable and eye-opening read for me as

a woman. I appreciate how the book is written in 'guy-to-guy' conversation which gave me a peek into how men think and communicate about women. "The book offers a step-by-step technique that strengthens the very foundation of a good relationship. As a woman, I must say that I would welcome this type of connecting. If you are a man who wants to enhance a relationship with a woman, this book is for you. If you are a woman who wants to be heard in your relationship, this is a great book to pass along to your male partner. A great find, and an easy yet powerful read." - Gina Charles
The Multi-Orgasmic Man - Mantak Chia
