Barrio Rhythm - Steven Joseph Loza 1993

The hit movie *La Bamba* (based on the life of Richie Valens), the versatile singer Linda Ronstadt, and the popular rock group Los Lobos all have roots in the dynamic music of the Mexican-American community in East Los Angeles. With the recent "Eastside Renaissance" in the area, barrio music has taken on symbolic power throughout the Southwest, yet its story has remained undocumented and virtually untold. In *Barrio Rhythm*, Steven Loza brings this hidden history to life, demonstrating the music's essential role in the cultural development of East Los Angeles and its influence on mainstream popular culture. Drawing from oral histories and other primary sources, as well as from appropriate representative songs, Loza provides a historical overview of the music from the nineteenth century to the present and offers in-depth profiles of nine Mexican-American artists, groups, and entrepreneurs in Southern California from the post-World War II era to the present. His interviews with many of today's most influential barrio musicians, including members of Los Lobos, Eddie Cano, Lalo Guerrero, and Willie chronicle the cultural forces active in this complex urban community.

Die Neuausgabe erleichtert den Zugang durch ein synoptisches Layout: Eine Doppelseite präsentiert jeweils die spanischen und italienischen Originaltexte im Reprint sowie zusätzlich eine moderne deutsche und englische Übersetzung. Zudem erläutert Annette Otterstedt in ihrer Einleitung den "Trattado" und seine Entstehung, Stimmungsverhältnisse sowie Fragen

Tobermory - Saki 2013-10

Tobermory is a short story by Saki. Hector Hugh Munro (18 December 1870 - 13 November 1916), better known by the pen name Saki, and also frequently as H. H. Munro, was a British writer whose witty, mischievous and sometimes macabre stories satirised Edwardian society and culture. He is considered a master of the short story and often compared to O. Henry and Dorothy Parker. Influenced by Oscar Wilde, Lewis Carroll, and Kipling, he himself influenced A. A. Milne, Noel Coward, and P. G. Wodehouse. Beside his short stories (which were first published in newspapers, as was customary at the time, and then collected into several volumes), he wrote a full-length play, *The Watched Pot*, in collaboration with Charles Maude; two one-act plays; a historical study, *The Rise of the Russian Empire*, the only book published under his own name; a short novel, *The Unbearable Bassington*; the episodic *The Westminster Alice* (a Parliamentary parody of *Alice in Wonderland*), and *When William Came*, subtitled *A Story of London Under the Hohenzollerns*, a fantasy about a future German invasion of Britain.

[Blackness Without Ethnicity](#) - L. Sansone 2003-08-01

Blackness Without Ethnicity draws on fifteen years of his research in Bahia, Rio Suriname, and Amsterdam. Sansone uses his findings to explore the very different ways that race and ethnicity are constructed in Brazil and the rest of Latin America. He compares these Latin American conceptions of race to dominant notions of race that are defined by a black-white polarity and clearly identifiable ethnicities, formulations he sees as highly influenced by the US and to a lesser degree Western Europe. Sansone argues that understanding more complex and ambiguous notions of culture and identity will expand the international discourse on race and move it away from American dominated notions that are not adequate to describe racial difference in other countries (and also in the countries where the notions originated). He also explores the effects of globalization on constructions of race.
