[Last Boat Out of Shanghai - Helen Zia](#)

2019-01-22

The dramatic real life stories of four young people caught up in the mass exodus of Shanghai in the wake of China's 1949 Communist revolution—a heartrending precursor to the struggles faced by emigrants

today. “A true page-turner . . . [Helen] Zia has proven once again that history is something that happens to real people.”—New York Times bestselling author Lisa See NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE CHRISTIAN SCIENCE MONITOR • FINALIST FOR THE PEN/JACQUELINE

BOGRAD WELD AWARD FOR BIOGRAPHY

Shanghai has historically been China's jewel, its richest, most modern and westernized city. The bustling metropolis was home to sophisticated intellectuals, entrepreneurs, and a thriving middle class when Mao's proletarian revolution emerged victorious from the long civil war. Terrified of the horrors the Communists would wreak upon their lives, citizens of Shanghai who could afford to fled in every direction. Seventy years later, members of the last generation to fully recall this massive exodus have revealed their stories to Chinese American journalist Helen Zia, who interviewed hundreds of exiles about their journey through one of the most tumultuous events of the twentieth century. From these moving accounts, Zia weaves together the stories of four young Shanghai residents who wrestled with the decision to abandon everything for an uncertain life as refugees in Hong Kong, Taiwan, and the United States. Benny, who as a teenager became the unwilling heir to his father's dark wartime legacy, must decide either to escape to Hong Kong or navigate the intricacies of a newly Communist China. The resolute Annuo, forced to flee her home with her father, a defeated Nationalist official, becomes an unwelcome exile in Taiwan. The financially strapped Ho fights deportation from the U.S. in order to continue his studies while his family struggles at home. And Bing, given away by her poor parents, faces the prospect of a new life among strangers in America. The lives of these men and women are marvelously portrayed, revealing the dignity and triumph of personal survival. Herself the daughter of immigrants from China, Zia is uniquely equipped to explain how crises like the Shanghai transition affect children and their families, students and their futures, and, ultimately, the way we see ourselves and those around us. Last Boat Out of Shanghai brings a poignant personal angle to the experiences of refugees then and, by extension, today. "Zia's portraits are compassionate and heartbreaking, and they are, ultimately, the universal story of many families who leave their homeland as refugees and find less-than-welcoming circumstances on the other side."—Amy Tan, author of *The Joy Luck Club*

**Vision Vol. 2** - Tom King 2016-11-30  
Collects *Vision* (2015) #7-12. The epic conclusion of the story that everyone is talking about! Once upon a time, a robot and a witch fell in love. But the story of Scarlet Witch and Vision was just the start. Vision has built a new life for himself — a new family. Yet while every family has its share of skeletons in the closet, for the Visions those skeletons are real. And now the family's facade is crumbling. The Avengers know the truth. That Vision's wife has killed. That the synthezoid lied to protect her. And that lie will follow lie, death will pile upon death. The Avengers know they need to act. Tragedy is coming, and it will send the Android Avenger into a devastating confrontation with Earth's Mightiest Heroes. Nobody is safe.

Penang, 1939. Being half Chinese and half English, Philip Hutton always felt like he never belonged. That is until he befriends Hayato Endo, a mysterious Japanese diplomat and master in the art of aikido. But when Japan invades Malaya, Philip realises Endo bears a secret, one powerful enough to jeopardise everything he loves. This masterful debut conjures an unforgettable tale of courage, brutality, loyalty, deceit and love.

**The Scavenger's Daughters** - Kay Bratt 2013

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2019-01-20 by guest

Coming of age during China's Cultural Revolution, Benfu survived, and he and his wife Calli attempt to build a life in the turmoil and aftermath of Maoist China. After losing their only child, they take in abandoned girls - the unwanted "weeds" - as their own, lovingly caring for them as flowers in a garden.

**Peony** - Pearl S. Buck 2012-08-21

A young Chinese woman falls in love with a Jewish man in nineteenth-century China in this evocative novel by the Nobel Prize-winning author of *The Good Earth*. In 1850s China, a young girl, Peony, is sold to work as a bondmaid for a rich Jewish family in Kaifeng. Jews have lived for centuries in this region of the country, but by the mid-nineteenth century, assimilation has begun taking its toll on their small enclave. When Peony and the family's son, David, grow up and fall in love with one another, they face strong opposition from every side. Tradition forbids the marriage, and the family already has a rabbi's daughter in mind for David. Long celebrated for its subtle and even-handed treatment of colliding traditions, Peony is an engaging coming-of-age story about love, identity, and the tragedy and beauty found at the intersection of two disparate cultures. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

*The Rings of Saturn* - W.G. Sebald 2013-11-30  
'Sebald is the Joyce of the 21st Century' The Times  
What begins as the record of W. G. Sebald's own journey on foot through coastal East Anglia, from Lowestoft to Bungay, becomes the conductor of evocations of people and cultures past and present. From Chateaubriand, Thomas Browne, Swinburne and Conrad, to fishing fleets, skulls and silkworms, the result is an intricately patterned and haunting book on the transience of all things human. 'A novel of ideas with a difference: it is nothing but ideas... Formally dexterous, fearlessly written (why shouldn't an essay be a novel?), and unremittingly arcane; by the end I was in tears' Teju Cole, Guardian

**Maoism** - Julia Lovell 2019-03-14

'A landmark work giving a global panorama of Mao's ideology filled with historic events and enlivened by striking characters' Jonathan Fenby, author of *The Penguin History of China*

Since the 1980s, China seems to have abandoned the utopian turmoil of Mao's revolution in favour of authoritarian capitalism. But Mao and his ideas remain central to the People's Republic. With disagreements between China and the West on the rise, the need to understand the political legacy of Mao is urgent and growing. A crucial motor of the Cold War: Maoism shaped the course of the Vietnam War and brought to power the Khmer Rouge in Cambodia; it aided anti-colonial resistance movements in Africa; it inspired terrorism in Germany and Italy, and wars and insurgencies in Peru, India and Nepal, some of which are still with us today. Starting with the birth of Mao's revolution in northwest China in the 1930s and concluding with its violent afterlives in South Asia and resurgence in the People's Republic today, Julia Lovell re-evaluates Maoism as both a Chinese and an international force, linking its evolution in China with its global legacy.

'Wonderful' Andrew Marr, New Statesman  
*Chinese Cinderella* - Adeline Yen Mah  
2009-02-05

*Chinese Cinderella* is an autobiography for children based on the bestselling *Falling Leaves* by Adeline Yen Mah. 'a unique story of triumph over adversity, told against the background of the Nationalist/Communist struggle for control of China.' LoveReading4Kids  
Jung-ling's family considers her bad luck because her mother died giving birth to her. They discriminate against her and make her feel unwanted yet she yearns and continuously strives for her parents' love. Her stepmother is vindictive and cruel and her father dismissive. Jung-ling grows up to be an academic child, with a natural ability for writing. Only her aunt and grandfather offer her any love and kindness. The story is of survival in the light of the mental and physical cruelty of her stepmother and the disloyalty of her siblings. Jung-ling blossoms in spite of everything and the story ends as her father agrees to let her study in England. This is a reissue in the 'A Puffin Book' series of Puffin children's modern classics.

**Pearl of China** - Anchee Min 2011-05-12

In the small southern town of Chin-kiang, two young girls from very different worlds collide and become inseparable companions. Willow is hardened by poverty and fearful for her future; Pearl is the daughter of a Christian missionary

who desperately wishes she was Chinese too. Neither could have foreseen the transformation of the little American girl embarrassed by her blonde hair into the Nobel Prize-winning writer and one of China's modern heroines, Pearl S. Buck. When the country erupts in civil war between the Nationalists and the Communists, Pearl and Willow are brutally reminded of their differences. Pearl's family is forced to flee the country and Willow is punished for her loyalty to her 'cultural imperialist' friend. And yet, in the face of everything that threatens to tear them apart, the paths of these two women remain intimately entwined.

*My Father's Gun* - Brian McDonald 2000

In this powerful memoir about three generations of New York City policemen, Brian McDonald chronicles a hundred years of dedication, disillusion, heroism, and tragedy behind the blue wall of silence that separates a cop from the rest of the world. His grandfather, Thomas Skelly, entered the department in 1893, when the NYPD was little more than a brutal gang of organized enforcers and Tammany Hall a corrupt political machine that could make or break an honest cop's career. His father Frank's career would span World War II through the 1960s, taking him from street cop to squad commander of the Forty-first Precinct. Better known as "Fort Apache", it was a place from which few cops emerged whole. His brother Frank McDonald, Jr., went on to become a decorated officer, waging an undercover war on drugs and crime. From turn-of-the-century Brooklyn to the South Bronx in the 1970s to the bedroom communities of upstate New York, *My Father's Gun* combines a rare and intimate family story with turbulent social history.

**Women in China's Long Twentieth Century** - Gail Hershatter 2007-03-29

"An important and much-needed introduction to this rich and fast-growing field. Hershatter has handled a daunting task with aplomb." —Susan L. Glosser, author of *Chinese Visions of Family and State, 1915-1953*

*Silent Tears* - Kay Bratt 2011

The author shares the story of her four years as a volunteer at an orphanage in rural China, the one-child policy that created hundreds of abandoned infants, and the children she came to know, love, and care for.

*Always Goodbye* - Ray Hecht 2019-11-23

Life can take a man many places. Born in disputed Israel, fostered in Middle America, and then finally driven into Rising China-Ray Hecht takes journey after journey as he tries to figure it all out. He goes down many paths from the years 1982 to 2019, attempting and failing at new identities with each passing decade: artist, filmmaker, journalist, and author. Told in simple lines and crude forms, Ray's graphic memoir *Always Goodbye* rushes through the milestones of a person's life with harsh sincerity. Follow along these memories of a man's travels across the globe as he tries to find himself, always saying goodbye but then reconnecting all over again, as many times as it takes...

**White Ghost Girls** - Alice Greenway 2010-05-01

Longlisted for the Orange Prize for Fiction A Radio 4 Book at Bedtime Two sisters grow together and apart into their emerging selves. Frankie pulses with curiosity and risk; Kate is watchful, all eyes and ears. Immersed in the heat and colours of Hong Kong in the 1960s, theirs is a world of fishermen and insurgents, temple gods and ghosts, of blinding light and dark, dark waters. As Frankie's behaviour becomes more and more outrageous in her defiant attempt to win her parents' attention, Kate retreats into a quiet desperation, unable to act to save the soul for whom she would sacrifice everything - Frankie.

*East of Eden* - John Steinbeck 2020-02-25

The masterpiece of Steinbeck's later years, *East of Eden* is a sprawling epic in which his most mesmerizing characters and enduring themes were created and explored: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Set in the rich farmland of California's Salinas Valley, this expansive and often brutal novel follows the intertwined destinies of two families, the Trasks and the Hamiltons, whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. *East of Eden* was a 1955 film introducing James Dean, the book that revived Oprah's Book Club, considered by Steinbeck to be his magnum opus, and has remained vitally present in American culture for over half a century. Penguin Random House Canada is proud to bring you classic works of literature in e-book

form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

**The Works of Li Qingzhao** - Ronald Egan

2019-01-29

Previous translations and descriptions of Li Qingzhao are molded by an image of her as lonely wife and bereft widow formed by centuries of manipulation of her work and legacy by scholars and critics (all of them male) to fit their idea of a what a talented woman writer would sound like. The true voice of Li Qingzhao is very different. A new translation and presentation of her is needed to appreciate her genius and to account for the sense that Chinese readers have always had, despite what scholars and critics were saying, about the boldness and originality of her work. The introduction will lay out the problems of critical refashioning and conventionalization of her carried out in the

centuries after her death, thus preparing the reader for a new reading. Her songs and poetry will then be presented in a way that breaks free of a narrow autobiographical reading of them, distinguishes between reliable and unreliable attributions, and also shows the great range of her talent by including important prose pieces and seldom read poems. In this way, the standard image of Li Qingzhao, exemplified by a handful of her best known and largely misunderstood works, will be challenged and replaced by a new understanding. The volume will present a literary portrait of Li Qingzhao radically unlike the one in conventional anthologies and literary histories, allowing English readers for the first time to appreciate her distinctiveness as a writer and to properly gauge her achievement as a female alternative, as poet and essayist, to the male literary culture of her day.
