*The Charlie Hebdo Affair and Comparative Journalistic Cultures* - Lyombe Eko 2019-11-14  
The Charlie Hebdo terrorist attack of January 7, 2015 shook French journalism to the core and reverberated around the world, triggering a cascade of responses from journalists, media outlets, cartoonists and caricaturists from diverse geographies of freedom of expression and journalistic cultures. This book is a multifaceted case study that describes and

explains sameness and difference in diverse journalistic conceptualizations of the Charlie Hebdo affair from a comparative, international perspective. It explores how different journalistic traditions, cultures, worldviews and styles conceptualized and reacted to the clash between freedom of expression and respect for religious sentiments in the context of terrorism, where those sentiments are imposed on the media and secular societies through intimidation, coercion and violence. The book analyzes the political and cultural clashes between the core human right of freedom of expression, and rite of respect for religious sentiments, which is situated on the outer periphery of the human right of freedom of religion. It also examines how media outlets, editors, and cartoonists from different politico-cultural contexts and journalistic cultures in Africa, Asia, Europe, the Middle East, and North and South America, addressed the delicate issue of Mohammed cartoons in general, and the

problem of (re)publication of the controversial Charlie Hebdo Je Suis Charlie Mohammed cartoon, in particular.

*The Regulation of Sex-Themed Visual Imagery* - Lyombe Eko 2016-04-29

Lyombe Eko carries out an historical and cultural survey of the regulation of visual depictions of explicit human sexual conduct from their earliest appearance on the clay tablets of the valley of the Tigris and Euphrates rivers in ancient Mesopotamia, to the tablet computers of Silicon Valley. *The Regulation of Sex-Themed Visual Imagery* analyzes the contemporary problem of the applicability of the human right of freedom of expression to explicit imagery in the face of societal interests in the regulation of representations of human sexuality. This book will be of interest to scholars, students, and broad audiences interested in comparative studies in pornography regulation, the history of pornography, the law of pornography and obscenity, and visual culture and history alike.

*The Advocate* - 2001-08-14

*The Advocate* is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

*Sexual Offending* - Amy Phenix 2015-12-07

This expert reference provides a broad, comprehensive review of the major domains of sexual offending. Beginning with an integrated etiological model of sexual offending, chapters follow addressing the primary predisposing conditions related to sexual offending (e.g. pedophilic, hebephilic, paraphilic rape and non-contact paraphilic disorders, hyper sexuality and personality factors). In addition, special subgroups of sexual offenders (females, youth and the intellectually disable) are considered. Both broad and specific perspectives on the assessment of sexual offenders are provided. Overviews are offered of clinical and forensic evaluations of such offenders and the utility of structured psychological assessment. A novel

conceptual model of risk assessment is proposed. More specifically, each of the primary approaches or instruments related to risk assessment of sexual offending are addressed: the Static risk assessment measures, the Sex Offender Risk Appraisal Guide, structured professional judgment, and the varied measures of dynamic or criminogenic needs assessment. Finally, multiple aspects of management of sexual offenders are discussed including models of psychosocial treatment, the question of the effectiveness of such treatment, biological interventions, civil commitment, circles of support, and the containment approach to community management. Chapters are authored by both prominent experts and experienced professionals for a breadth of perspective. Among the topics covered: Pedophilic, Hebephilic, Rape Paraphilic Disorders and the variety of Non Contact sexual offending conditions Personality, related conditions, & their association with sexual offending:

motivators and disinhibition in context. Disorders of hyper sexuality. Assessments of sexual offenders, including the role of psychological testing, clinical & interview approaches, as well as forensic evaluations Conceptual models of risk assessment & discussion of specific static, dynamic & structured clinical risk assessment approaches Models of & reviews of treatment outcome with sexual offenders, including psychotherapy, psychopharmacology and castration, the containment approach, civil commitment & circles of support Overview of public policy issues & an evidence-based perspective on sex offender registration and residential restrictions. This breadth of material in Sexual Offenders will help practitioners gain multiple levels of clinical insight as well as giving them up-to-date practical tools and techniques for working with this problematic class of individuals.

**Representations of Masculinity in Literature and Film** - Sara Martín 2020-09-11

Downloaded from  
[legacy.opendemocracy.net](https://legacy.opendemocracy.net) on  
2020-04-22 by guest

How are men represented on the printed page, the stage and the screen? What do these representations say about masculinity in the past, the present, and the future? The twelve essays in this volume explore the different ways in which men and masculinity have been represented, from the plays of William Shakespeare to the science fiction of Richard K. Morgan, passing through classic fiction by Emily Brontë and Charles Dickens, and popular favourites by Terry Pratchett and Isaac Asimov, without forgetting the Star Wars saga. Collectively, these essays argue that, although much has been written about men, it has been done from a perspective that does not see masculinity as a specific feature in need of critical appraisal. Men need to be made aware of how they are represented in order to alter the toxic patriarchal models handed down to them and even break the extant binary gender models. For that, it is important that men distinguish patriarchy from masculinity, as is done here, and

form anti-patriarchal alliances with each other and with women. This book is, then, an invitation to men's liberation from patriarchy by raising an awareness of its crippling constraints.

*The Army Lawyer* - 2002

The Regulation of Sex-Themed Visual Imagery - Lyombe Eko 2014-01-14

Lyombe Eko carries out an historical and cultural survey of the regulation of visual depictions of explicit human sexual conduct from their earliest appearance on the clay tablets of the valley of the Tigris and Euphrates rivers in ancient Mesopotamia, to the tablet computers of Silicon Valley. *The Regulation of Sex-Themed Visual Imagery* analyzes the contemporary problem of the applicability of the human right of freedom of expression to explicit imagery in the face of societal interests in the regulation of representations of human sexuality. **Our Godly Sexual Beings** - Donna Mack with Kristi Miller 2023-09-08

Our Godly Sexual Beings explores scripture and other ancient texts to unveil one of humanity's great mysteries--God's purpose for designing our Godly sexual beings. After thirty years of committed research and study, Donna Mack perceived an essential missing link from the age-old battle of God vs. Satan. While other books have attempted to discuss human sexuality, none have done so with as many biblical and scholarly-backed references as Our Godly Sexual Beings. One fascinating revelation in scripture is just how sacred human sexuality exists for God. The Bible sings with this truth, and Donna dives into this mystery to reveal the greatest love story ever told! With the help of over 1,300

references, Donna uncovers God's design for sex and Satan's influence that morphed this gift into a lie of lust. This book is full of many revelations and truths that will allow the reader to experience freedom from sexual sin, shame, and bondage.

**Music and Messaging in the African Political Arena** - Onyebadi, Uche T. 2019-01-15  
Political campaigning affects numerous realms under the communication umbrella with each channel seeking to influence as many individuals as possible. In higher education, there is a growing scholarly interest in communication issues and subjects, especially on the role of music, in the political arena. Music and Messaging in the African Political Arena provides innovative insights into providing music and songs as an integral part of sending political messages to a broader spectrum of audiences, especially during political campaigns. The content within this publication covers such topics as framing theory, national identity, and
