**Royal Prick** - J. L. Beck 2016-05-23

Royal is a prick. A sexy as hell prick. The I need and want to screw you right now kind of prick. The arrogant, I can do and f\*ck whoever I want to type. He's so self-entitled that I want to punch him in the face, yet kiss him at the same time. I hate him but at the same time, still want him. A darkness surrounds him. He has secrets. The Subs Club - J. A. Rock 2018-09

A year ago, my best friend Hal died at the hands of an incompetent "dom." So I started the Subs Club, a private blog where submissives can review doms and call out the douche bags. A

perfect example of the kind of arrogant asshole I mean? The Disciplinarian. He has a pornstache. He loves meat, stoicism, America, and real discipline. And he thinks subs exist to serve him. But . . . not everything about him is awful. His Davy Crockett act just seems like a cover for his fear of intimacy, and part of me wants to show him it's okay to get close to people. And, I mean, sue me, but I have fantasized about real discipline. Not role-play, but like, Dave, you're gonna be thirty in four years and you still work in a mall; get your ass in gear or I'll spank it. Not that I'd ever trust anyone with that kind of control. I'm gonna redefine "battle of wills" for the Disciplinarian. Or I'm gonna bone him. It's hard to say. -Dave

the form of a beautiful but haunted young woman. The light in her tempts the darkness inside of me. Teases it, tortures it. I want to hurt her. I want to break her. I want to keep her. Lucky for Celia she fails to see that there is no goodness in me and when she attempts to draw me in with her innocence, and sweet, naive heart I thrive to show her the cruel monster I am.
