Mastering the Core Teachings of the Buddha Daniel Ingram 2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. Its easy to feel overawed, at first, by Ingram's assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and passionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding new sections that bring further clarity to his ideas.

Looking for Tantra Sam Red 2015-09-16 Why did the West put Tantra in the box of erotic sex? How did this conceptual degradation of a millennia-old spiritual path come about? And where, or what, is the real Tantra? In answer to these questions, Sam Red refers to her research, contemplations and direct experiences of the basics of the tantric theoretical framework. In typically candid, inspirational and oftentimes provocative and humorous style, she draws parallels with Taoism and points to tantric techniques that can be used to bring a greater sense of purpose, joy and self-empowerment into everyday living. Sam Red is also author of "She Who is Unto Herself" and "My Name is Joy". Available on Amazon.

soul awareness to awaken the Love, Power, and Wisdom of your soul, attract your Twin Soul, and satisfy your soul's longing to reunite with God • Draws on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery schools, and Christ Consciousness • Offers examples of Sacred Union, including Jesus and Mary Magdalene and Rumi and Shams as well as experiences of modern couples Jesus and Mary Magdalene, Rumi and Shams, King Solomon and the Queen of Sheba, Isis and Osiris--in these sacred unions we recognize the merging not only of Twin Souls but also of these lovers with the Divine. In Sacred Sexual Union, Anaiya Sophia shows this Holy Marriage, complete reunification with your Twin Soul and God, is not a secret reserved for the initiated or a tradition lost to the ages. It is a potent, living spiritual path enabling two beloveds to experience the primordial state of creation as one soul blessed by the Divine Light and Love of their Creator. Drawing on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery Schools, and Christ Consciousness, the author reveals the complete alchemical process of Sacred Union. She provides physical, meditative, and psychological practices that combine sacred sexuality, emotional intimacy, and transparent soul awareness to awaken the magnetic energies of your soul, draw your Twin Soul to you, and, with Twin Souls reunited, experience the passionate rapturous remembrance of becoming one with God. She explores ancient writings and rituals of Sacred Union--known as Hieros Gamos in ancient Sumeria, Sacred Marriage in the Kabbalah, Yab Yum in Tibetan Buddhism, and the Bridal Chamber in Gnostic Christianity--and offers examples of Sacred Union throughout the ages, including experiences from her own spiritual journey. More than a meditative or yogic practice, Sacred Sexual Union offers a transformative spiritual path to embrace the threefold flame of Power, Love, and Wisdom and satisfy your soul's longing for wholeness and reunion with the Divine.

Tantra Demystified Vikas Malkani 2009-06 Tantra is believed to be the oldest single source of knowledge concerning the energies of the mind, body and spirit. It is a spiritual belief system that originated in ancient Hindu culture and views the material world as a manifestation of the Divine in which everything is accepted and connected - woven together. One of the deepest insights of tantra is that the human body is single energy phenomenon. At the physical level, this energy is expressed as sex drive. At the level of the nervous system and the brain, it is experienced as ecstasy. The sexual drive is an instinctive, raw energy which has to be accepted and respected. It is the raw material which can be transformed in many different ways - the crude oil from which the high-octane fuel of ecstasy is produced. How you can use this powerful energy to live every moment of your life and experience both spiritual and sexual bliss is the focus of the book.

Living Tantra Jan Day 2021-11-09 Tantra originated in India many centuries ago but it's uniquely placed to help people use real life as grist to the mill for spiritual transformation. The purpose of the book is to articulate what Tantra can be in our modern times and how it can be applied to all aspects of our everyday life. Traditionally Tantra was a path that brought spirituality out of the caves and monasteries and into the life of householders. It didn't seek to separate sexuality and spirituality and to force people to make a choice but rather to integrate the life of family and relationship with spirituality. This includes sexuality but it's not all about sexuality, and this is a rare book that applies Tantra to every aspect of life. Living Tantra is a body of work that aims to bring the essence and core message of tantra into relevance for our contemporary life and society as a path of spiritual growth and human development. It's based on her legendary workshops which book up via word of mouth and attracts attendees from across Europe and North America, especially Sweden, Austria, USA, Germany, Spain and the Czech Republic. The exercises here come out of these workshops and mean that we can benefit from this work in our own homes. The principles of Living Tantra are to use all life, all experience to learn and become more conscious of ourselves and the world around us, to care more for ourselves, each other and the world and to develop greater compassion. Tantra includes everything. It is the weaving together of all that is.

Now, for the first time in the English language, Tantra Illuminated presents an accessible introduction to this sacred tradition that began 1,500 years ago, in the far north of India. The book uses translations from primary Sanskrit sources, offers a profound look at spiritual practice, and reveals Tantra's rich history and powerful teachings.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Manual For Living Epictetus 2021-01-08 THE MANUAL FOR LIVING is the first and best primer for living the best possible life -- as helpful in the twenty-first century as it was in the first. Epictetus's teachings rank among the greatest wisdom texts of human civilization. Epictetus taught that philosophy is a way of life and not just a theoretical discipline. To Epictetus, all external events are beyond our control; we should accept calmly and dispassionately whatever happens. However, individuals are responsible for their own actions, which they can examine and control through rigorous self-discipline. By putting into practice the ninety-three wise instructions that make up The Art of Living, readers learn to successfully meet the challenges of everyday life.

Reveal Meggan Watterson 2013-04-03 Harvard-trained theologian Meggan Watterson marched out of her church at age ten. With little-girl clarity, she knew something tremendously crucial was missing...the voices of women. Watterson became a theologian and a pilgrim to the divine feminine to find the missing stories and images of women's spiritual voices. She knew women's voices had never been silenced, just buried. But what she truly sought was her own spiritual voice inside her—the one veiled beneath years of self-doubt. At a sacred site of the Black Madonna in Europe, Watterson had a revelation that changed her. Rather than transcending the body, denying or ignoring it, being spiritual for her meant accepting her body as sacred. Only then, Watterson realized could she hear the voice of unfaltering love inside her- the voice of her soul. With passion, humor, and brutal honesty, Watterson draws on ancient stories and lesser-known texts of the divine feminine, like The Gospel of Mary Magdalene, making them modern and accessible to reveal the spiritual process she went through. She suggests that being spiritual is simply about stripping down to the truth of who we really are. Through her extensive work with women, Watterson found that she was not alone. There are countless women who long for a spirituality that encourages embodiment

rather than denies it, that inspires them to abandon their fears but never themselves, and to be led by the audacious and fiercely loving voice of truth inside them. No matter where you rest on the spectrum of spirituality; religious or secular, devout believer or chronic doubter, freelance mystic or borderline agnostic, this story is about the desire in all of us to want to shed everything that holds us back. *Reveal* provides what religions have left out—the spiritual voice of a woman who has claimed her body as sacred—a woman who has found the divine inside her. In essence, this is a manual for revealing your soul. "I have spent the majority of my life gathering stories of the divine feminine. Each time before getting my masters degrees in theology and divinity, I went on a pilgrimage to sacred sites of the divine feminine throughout Europe. The first one was with a group and the second was on my own... The stories of the divine feminine, of Christianity's Mary Magdalene, Catholicism's Black Madonna, Hinduism's Kali ma, and Buddhism's Green Tara for example, allowed me to begin to see that I wasn't as much of a spiritual misfit as I had thought. There was a red thread that became visible to me that ran through so many of the world religions, especially through their mystics, relating that the way to find the divine is to go within. And, that our potential to be transformed by going inward is exactly the same whether we are a man or a woman. The real barometer of our spiritual potential is not our sex, but the commitment of our desire to want to encounter the divine." Excerpt from *Reveal*

Finding God Through Sex David Deida 2011-01-26 Drawing on David Deida's own history of sexual spiritual practice, *Finding God Through Sex* presents a highly unconventional, liberating, demanding, blissful picture of what spiritual intimacy can be.
