Tears of Longing Christine Reiko Yano 2002 Enka, a sentimental ballad genre, epitomizes for many the nihonjin no kokoro (heart/soul of Japanese). To older members of the Japanese public, who constitute enka's primary audience, this music--of parted lovers, long unseen rural hometowns, and self-sacrificing mothers--evokes a direct connection to the traditional roots of "Japaneseness." Overlooked in this emotional invocation of the past, however, are the powerful commercial forces that, since the 1970s, have shaped the consumption of enka and its version of national identity. Informed by theories of nostalgia, collective memory, cultural nationalism, and gender, this book draws on the author's extensive fieldwork in probing the practice of identity-making and the processes at work when Japan becomes "Japan."

Scorpio Vaibhav Chawadre 2018-01-17 One of the first things that you notice about Scorpios are their eyes; they will be very intense and totally hypnotic. Infact, many people find it very difficult to stand steady under a Scorpio's constant gaze. His eyes seem to be penetrating your soul, knowing your deepest secrets and desires. The truth is, more often than not, they are. Scorpios have a big ego. They know what they are and what they are not. It doesn't matter what you think about them. If you ask a Scorpio for a favour, it will be either a simple 'Yes' or 'No', not something like 'I will try'. If he really likes you, he will go out of the way to help you. You never have neutral feelings for a Scorpio; you will either be amongst his dedicated admirers or malicious enemies. However, no one challenges him openly, not even the most spiteful enemy. Scorpios have this lingering charm around them and are extremely sympathetic towards the sick or miserable. They are fearless and can stand anything from physical pain to poverty. If you are not sincere with your feelings, don't even try to get close to a Scorpio girl. With those beautiful, penetrating eyes of hers, she can read exactly what is on your mind. She can easily make out your real intentions, so Don't Flirt. It will amount to insulting her and I assure you, insulting her is not at all good for your health. Even when her tone is soothing, her disposition kind and her smile generous, she can be planning the most powerful retaliation. When a Scorpio woman is insulted or gets hurt, her fury knows no bounds Simply browse this book to learn in respect of the matters of heart, career and finances, business issues, office problems, family tensions, love and relationships, or whatever topic you may have in your mind for each of the zodiac signs

**The F\*ckhead Guide to Astrology** Fckhead 2005-05 The F\*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F\*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F\*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F\*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.

*Friends on a Rotten Day* Hazel Dixon-Cooper 2008-05-01 It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for

her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

Astrology for Real Relationships Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, Astrology for Real Relationships includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including: • Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself? • Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner? • Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.
