Embracing Destiny - Amelia Hutchins

2020-04-28

War has finally come to Faery. Everything I thought I knew was wrong. Truths have become lies, and they have all begun to unravel around us. I can no longer trust my instincts. Ryder has changed, but so have I. We're evolving, but into what? I'm not sure, but I do know that it isn't what I wanted to become. I don't know if I will survive this war. One of us is holding back, while the other continually moves forward toward the mages who endlessly slaughter the fae. I think it's me. I think I have to lose it all, to gain what is missing inside of me. How do you eradicate self, when self is what you've been fighting for? Throw everything you think you know about

the fae away. Nothing is sacred, and no one is safe from the monsters we're about to become.

[When You're Back](#) - Abbi Glines 2015-06-30

From #1 New York Times bestselling author Abbi Glines comes the next new adult novel in her beloved Rosemary Beach series, which continues the story of Mase and Reese from *When I'm Gone*. The future is bright for Reese Ellis. She has Mase Colt-Manning, the man of her dreams, and a family she didn't know existed until her long-lost father arrived on her doorstep in Rosemary Beach. After growing up with a cruel mother and abusive stepfather, Reese is eager to get to know the caring and charming man who wants to be a part of her life. Everything is finally falling into place. While

Reese is visiting her new family in Chicago, Mase spends time with his “cousin,” Aida, who has worshipped him since childhood. Though they're unrelated by blood, Mase and Aida have been raised to think of each other as family. But when Reese returns, she can tell something isn't quite right with Aida, who clearly resents Reese and excels at manipulative little games. And though Mase is unsuspecting, Reese knows Aida doesn't love him like a cousin should...

Darkfever - Karen Marie Moning 2006-10-31
MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing

is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Escaping Destiny - Amelia Hutchins

2014-02-15

I thought things couldn't get worse. I was wrong. I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift. This was the mystical being I was hidden from for more than twenty years. Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything. Now in the Horde Realm, nothing is going remotely like I thought it would. My powers and emotions

are on the fritz, and each day seems to bring surprises that I am not sure how to deal with. The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.

When everything is on the line, how far will you go to protect those you love? What if the cost of saving them is your soul? Would you pay it? I thought I was prepared for what was coming; that if I made sacrifices, I could win this game. I'm no longer afraid of the darkness or the monsters that hide in the shadows. I've become what I feared most, allowing it in to protect those I loved. Sometimes it takes a monster to win. Sometimes to fight monsters, you have to become one. My only fear is: can I come back from it?
