Technical Report of the Commission on Obscenity and Pornography - United States. Commission on Obscenity and Pornography 1971

Young People's Views on Sex Education - Dr Lynda Measor 2012-11-12

Based on observation of sex education programmes and in-depth interviews with young people, the authors aim to understand more about adolescent's attitudes to sexuality and their sexual behaviour in order to develop policies which will meet their needs more appropriately and effectively. Issues covered in this interesting and accessible book include the ways adolescent informal culture affects sex education programmes and practice; the impact of gender inequality on sex education and safer sex behaviours; legislation and policy frameworks which effect sex education policies; the way young people see legislation and evaluate sex education programmes; and the impact

health professionals can have in school sex education. The authors contend that the insights into the values and views that young people bring to bear on the sex education they receive should have an important role to play in the development of policy and practice of those involved in sex education work.

Bill. (Vote). - 1998

Sex and Relationships Education Bill - Great Britain. Parliament. (Session 2010-11). House of Commons 2011-02-10
A Bill to require schools to provide sex and relationships education to registered pupils. Private members' Bill published 10th February 2011
How I Got Into Sex Ed - The Center for Sex Education 2014-11-15

A collection of essays from sex educators, about their stories of what inspired them to work in the field of sex education.

Technical Report - United States. Commission on Obscenity and Pornography 1971

The Transformation of American Sex Education - Ellen S. More 2022-01-11
"This book examines Americans' attempts to come to terms with the vexed subject of sex education in the schools from the late 1940s to the early 21st century. Using Mary Calderone's life and career as a touchstone, it traces the

origins of modern sex education in the United States from the work of a group of reformers who coalesced around Calderone to create SIECUS in 1964 through the development and use of the competing approaches known as 'abstinence-based' and 'comprehensive' sex education from the 1980s into the 21st century"--
