Handbook for Human Sexuality Counseling - Angela M. Schubert
2022-09-20

Sexuality is a significant part of the human experience, yet it is often a neglected topic in both counselor training and the counseling process. In this preeminent guide, expert clinicians with a variety of mental health and medical backgrounds write on diverse issues related to sexuality through a radical acceptance lens. Each chapter illustrates an affirmative and expansive approach to sexuality that considers clients' sexual and cultural identities and emphasizes sexual wellness. Students and professionals alike will learn how to respectfully and ethically approach sexuality considerations not commonly mentioned in the professional literature, such as sexuality and disability, healing after sexual violence, older adult sexuality, the impact of chronic illness on sexual expression, and paraphilias. The text is organized around eight comprehensive parts: Foundations; Physiological and Psychological; Attraction, Orientation, and Gender; Sexual Wellness; Sexual Agency; Approaches to Sexual Divergence; Relationships; and Education- with case examples, "Questions You Always Wanted to Ask," and additional resources interwoven throughout.

New Directions in Sex Therapy - Peggy J. Kleinplatz 2012-04-27

Winner of the 2013 AASECT Professional Book Award! *New Directions in Sex Therapy: Innovations and Alternatives* focuses on cutting-edge, therapy paradigms as alternatives to conventional clinical strategies. With each passing year, the treatment of sexual problems seems to emphasize more medical and pharmacological interventions. There is correspondingly less interest in the experiences of the individuals or couples involved. This book expands the definition of our field. Part I highlights the major problems and criticisms facing sex therapy and furnishes a rationale for new directions. Included in this new edition are critiques of "sexual addiction" nomenclature, the neglect of the ethical dimension in sex therapy, and there is a call to expand our vision of what sex therapy can attain. Part II demonstrates new approaches to dealing with traditional sex therapy concerns, including lack of desire and erectile dysfunction as well as innovative goals, such as integrating sexual medicine with sex therapy, using client feedback to customize therapy for the particular individual/couple's best interests, promoting relationship growth in working with transgender clients, and transcending sexual function/dysfunction to optimize erotic intimacy in long-term couples. This 2nd edition of *New Directions in Sex Therapy: Innovations and Alternatives* is replete with helpful new clinical illustrations across the spectrum of theoretical orientations (e.g., systemic, narrative, Experiential, CBT) to demonstrate these approaches in action. This book is intended for anyone who deals with sexual issues and concerns in therapy—clinicians of every kind, novices and advanced practitioners—rather than only those who define themselves as sex therapists.

Women's Sexual Function and Dysfunction - Irwin Goldstein 2005-11-17

The first, definitive text on female sexual dysfunction, this major new book summarizes the current body of knowledge in the field, traces the history of developments in the area, and identifies work still needed in the future. Reflecting a multidisciplinary approach to the subject, the book details the methods and materials for ensuring the appropriate management of women with sexual health problems, and concentrates on the presentation of evidence-based data concerning the physiology, pathophysiology, diagnosis and treatment of sexual function and dysfunction in women. The inclusion of 'difficult cases' also enhances the use of text as a practical guide to all disciplines concerned with the field of female sexual dysfunction. This important work will become a key resource for basic science researchers, endocrinologists, gynecologists, psychologists, urologists, health care clinicians, and anyone else interested in women's sexual health. All proceeds are donated to the International Society for the Study of Women's Sexual Health.

Exploring Sexuality and Disability - Shanna Katz Kattari 2023-09-01

Offering a current, comprehensive, and intersectional guide for students, practitioners, and researchers, this book synthesizes existing scholarship on culturally responsive practices that assist in exploring, understanding, and affirming the sexuality(ies) of disabled, chronically ill, neurodivergent, and Mad individuals. Drawing on an intersectional framework, it integrates insights drawn from an interdisciplinary body of

scholarship including psychology, social work, sociology, history, political science, women and gender studies, cultural studies, and education along with perspectives from the practitioners who are actively defining the next generation of best practices. By highlighting the incredible resilience and resistance of disabled individuals' and communities' sexuality and sexual well-being, this book challenges narratives that rely primarily on a one-dimensional view derived from the medical model and the view of disability as something to be "fixed" - or at least tolerated - rather than celebrated. In a world that pathologizes and devalues the sexual existence of disabled individuals, it illustrates how to create thriving communities and relationships, and how they can organize to find their voice, providing a counter-narrative of empowerment that fosters hopefulness, power, and health. It will be of interest to all scholars, students, and professionals across a variety of professions, including social work, psychology, counseling, policy, healthcare, education, community organizing, and multiple social service settings.

Special Issue - Austin Sarat 2016-02-17

This volume carefully examines the relationship between gender, equality, and power across an array of realms: sex, reproduction, pleasure, work, money. It identifies social, political, economic, developmental, and psychological and somatic forces, operating both internally and externally, that complicate the expression and constraint of power.

Tell Me What You Want - Justin J. Lehmiller 2020-07-14

A leading expert on human sexuality and author of the blog *Sex and Psychology* offers an unprecedented look at sexual fantasy based on the most comprehensive, scientific survey ever undertaken. What do Americans really want when it comes to sex? And is it possible for us to get what we want? Justin J. Lehmiller, one of the country's leading experts on human sexuality and author of the popular blog *Sex and Psychology*, has made it his career's ambition to answer these questions. He recently concluded the largest and most comprehensive scientific survey of Americans' sexual fantasies ever undertaken, a monumental two-year study involving more than 4,000 Americans from all walks of life, answering questions of unusual scope. Based on this study, *Tell Me What You Want* offers an unprecedented look into our fantasy worlds and what they reveal about us. It helps readers to better understand their own sexual desires and how to attain them within their relationships, but also to appreciate why the desires of their partners may be so incredibly different. If we only better understood the incredible diversity of human sexual desire and why this diversity exists in the first place, we would experience less distress, anxiety, and shame about our own sexual fantasies and better understand why our partners often have sexual proclivities that are so different from our own. Ultimately, this book will help readers to enhance their sex lives and to maintain more satisfying relationships and marriages in the future by breaking down barriers to discussing sexual fantasies and allowing them to become a part of readers' sexual realities.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being

yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Kinky History - Esmé Louise James 2023-10-03

Irreverent and provocative, this is a history of sex, from TikTok sensation Esmé Louise James. It's time to take your seat for a dinner party like no other. Discover the long, long history of the dildo. Hear James Joyce celebrate the beauty of his wife's farts. And you'll never guess Albert Einstein's thoughts on marital relations. Kinky History draws on Esmé Louise James's phenomenally successful series on TikTok, which explores scandalous stories in the ancient world and the saucy secrets of famous figures. Teaming up with her statistician mother, Dr Susan James, the pair have surveyed the nation for all of your intimate secrets - and the results are in. By placing the past in conversation with the present, we'll explore five 'kinks' that challenge our thinking about sex. How has the idea of sin shaped our sex lives? Why is masturbation so taboo? Where are our hidden queer histories? How do kinks and fetishes play with the idea of sex? And why does pornography have so much power over us? Kinky History aims to blow open our conversation about sexuality and gender. Strap yourself in (or on?) - let's build a more liberated, sex-positive future.

EMDR Therapy and Sexual Health - Stephanie Baird, MS, LMHC 2021-12-14

The first book to integrate EMDR Therapy treatment of sexual trauma with a focus on helping clients achieve empowered sexual health This unique text provides EMDR clinicians with a complete toolkit, assisting sexual trauma survivors in moving from symptomology reduction/elimination to optimal sexual health and functioning. By integrating sexual health and EMDR Therapy together throughout this innovative book, the Adaptive Information Processing (AIP) Model is applied to sexual health, with sexual health-related material blended into all eight phases of the EMDR Protocol. Encompassing principles and best practices of current helpful positive sexual health frameworks, including fundamental sex therapy information and sex education models, this first of its kind EMDR Therapy resource disseminates essential information on anatomy, the history of sex research, Sexually Transmitted Infections (STIs) and pregnancy related issues, the Dual Control Model of arousal and desire, spontaneous and responsive desire, arousal non-concordance, models of consent for sexual activities, and out of control sexual behaviors. This guide considers the gender experience of trauma for all EMDR Therapy clients, covering challenges, concepts, and helpful strategies for discussing sensitive sexual health matters. It addresses sexual/affectional orientation, consensual non-monogamy, and how EMDR Therapy can help address the sexual health concerns of erotically marginalized populations. Also covered are matters of aging and spirituality as they impact sexual health. Packed with helpful resources such as questionnaires, guidelines, case examples, charts, cutting-edge diagrams, and anatomy illustrations with non-gendered labels, EMDR therapists will gain the knowledge and confidence they need to facilitate optimal sexual health for the clients in their practice. Key Features: Reinforces innovative content with abundant and diverse case studies Includes first-time publication of two valuable questionnaires: Sexual History Questionnaire and Sexual Styles Survey Delivers new EMDR Therapy resources for facilitating sexual health--Bubble Boundary and Self-Compassion Container Provides a new EMDR Therapy future-oriented resource--Strengthening a Confident and Joyful Sexual Self Examines in-depth sexual/affectional orientation, relationship status such as consensual non-monogamy, and pregnancy loss Includes helpful, nonjudgmental, and affirming information about the kink/BDSM population Provides an overview of EMDR Therapy and sexual health for individuals with physical and intellectual disabilities Describes important sexual health frameworks and concepts Includes sex-positive resources for further education along with client handouts

Daddies of a Different Kind - Tony Silva 2023-09-12

An intimate look at gay and bisexual daddies and their younger partners Over the past several years the term "daddy" has increased in popularity. Although the term has existed for centuries, its meaning has changed over time, and today can refer to desirable older men. In the Western world, same-sex male couples are far more likely to have large age gaps than other types of partnerships, and Daddies of a Different Kind analyzes the stories of gay and bisexual daddies and asks why younger men are interested in older men for sex and relationships. Based on interviews with self-described daddies and young adult men in relationships with older men, Tony Silva uncovers why it is more

common for gay and bisexual men to have large age gaps in relationships than heterosexuals or LGBTQ women. These stories reveal that queer relationships with large age gaps are not consistent with a sugar daddy/gold digger stereotype. Instead, daddies mentor younger adult men and transmit knowledge intergenerationally, including how to navigate homophobia, access gay communities, and have fulfilling sex. Silva shows that demographic research understates the commonality of age-gap pairings among gay and bisexual men, and illustrates how daddies shape gay and bisexual communities both culturally and sexually. A fascinating read, Daddies of a Different Kind breaks many commonly held stereotypes about gay and bisexual life.

Decoding Your Kink - Galen Fous 2015-11-25

Highly acclaimed Decoding Your Kink - Guide to Explore Share and Enjoy Your Wildest Sexual Desires, gets rave reviews!

"Visionary...Masterful...Groundbreaking...Cutting Edge...Worth its Weight in Diamonds ... Highly Recommended...A Must Read" These are some of the exclamations from prominent sex positive psychologists, therapists and Kink sex educators who offered pre-publication reviews of Decoding Your Kink. Decoding Your Kink, by leading Fetish Sex educator, researcher and sex-positive therapist Galen Fous MTP, offers ground-breaking psychological insight into the emerging global renaissance of sexual exploration, orientation and identity particularly in the realm of Kink. The book includes extensive guidelines to embrace one's authentic sexuality, decode an array of Kink fantasies, and access the ecstatic sexual depths inherent in anyone's wildest sexual desires. Techniques are offered to negotiate honestly for what one desires, create profound trust between partners, and begin to resolve old shame, trauma and fear about one's authentic sexuality. Decoding Your Kink provides easy to follow practices for individuals and partners to safely share their deepest intimacies. Once trust is built, partners may access mind shattering orgasmic states offered by conscious expression of their most taboo Kinky yearnings. Also included in the book are revealing and provocative analysis of people's kinkiest fantasies gleaned from over 2000 participants in the innovative Discover Your Personal Erotic Myth Survey. Fous developed this anonymous 40-question survey in support of his research into the nature of a recently visible sexual identity he defines as Fetishsexuality, aka Kink. "This book conveys what I have learned about Conscious Kink and D/s-BDSM sexuality over the last 15 years as a Fetish-positive therapist, researcher and public advocate for sex-positive values. It includes reporting and case studies from the 100's of singles and couples I've supported who desired to come to terms with old experiences of shame, fear and trauma, and understand how to embody their edgiest sexual fantasies. I share hard earned insights from my personal journey into the Kink lifestyle as well." Galen Fous MTP "Galen Fous is a visionary, providing a clear and courageous roadmap for anyone looking to undo the shackles of societally induced sexual shame and go on a journey to discover his or her own Personal Erotic Myth." - Dr. Michael Aaron, NYC sex therapist. "Galen Fous smooths the path and leads you through the predicaments, pleasures, enticements and outrageous glories of Kink. His genuine, unique voice is outstanding and heartwarming. A must read!" Limor Blockman, PhD, Clinical Sex Therapist, Playboy Radio Host, www.DrLimor.com "Nobody struggles more with the feeling that their erotic desires are 'wrong' or 'broken' than the man or woman who otherwise fits easily into mainstream culture - the heterosexual man and woman into dominance and submission and BDSM. 'Decoding Your Kink' is worth its weight in diamonds to such strugglers, offering them a sensible and nurturing path to self-knowledge, self-acceptance and the erotic intensity we all crave and too few ever obtain." - Janet W. Hardy, coauthor, The Ethical Slut, The New Bottoming Book and more "Galen Fous' unique insights on a subject much maligned and misunderstood is a primer for individuals interested in exploring the world of kink. It provides guidelines, case studies and personal experiences to assist the reader in shedding their shame and discovering their authentic sexuality." - Susana Mayer, Ph.D., Clinical Sexologist, theEroticliterarysalon.com

Kink - R.O. Kwon 2021-02-09

The stories within explore bondage, power-play, and submissive-dominant relationships; we are taken to private estates, therapists' offices, underground sex clubs, and even a sex theater in early-20th century Paris. While there are whips and chains, sure, the true power of these stories lies in their beautiful, moving dispatches from across the sexual spectrum of interest and desires, as portrayed by some of today's most exciting writers.

The Deep Psychology of BDSM and Kink - Douglas Thomas 2023-09-20
This fascinating volume investigates how the concept of soul is connected to BDSM and kink, exploring the world of alternative sexualities through the psychology of C. G. Jung and James Hillman as readers are guided on a provocative and lively journey through darker aspects of the sexual imagination. Contextualized both in sexual history and contemporary events, the book unveils surprising points of correspondence between the tortured fantasy-images of Jung's *The Red Book* and the modern world of BDSM and describes from Hillman's psychology a soul-centered perspective that affirms the psychological value of fantasy-images animating our human lives. The book also considers the collective archetypal sources of historical trauma which have provided inspiration to some of the more disquieting aspects of BDSM and details how the deep psychology of BDSM creates a space in the modern world to ethically engage these practices. Kinksters and BDSM practitioners will discover a psychological language that clarifies and affirms why these activities and relationships can be so intensely intimate, pleasurable, and transformative. Psychotherapists and enthusiasts of Jungian and archetypal psychology will find fresh insights here that support the practice of BDSM as a form of individuation and a path for bringing soul into the world.

Women and Kink - Jennifer Rehor 2021-07-19

Based on original research from nearly 1,600 women from the kink community, this book takes you on a journey into the motivations, meanings, and benefits of kink, in these women's own words. *Women and Kink* presents a diverse range of personal and intimate stories about life, love, relationships, kink, sex, self-discovery, growth, resilience, community, and more. The book offers insight into the breadth of the kink community, with chapters discussing different aspects of kink and forms of engagement, both individually and within relationships. Filled throughout with personal vignettes and examples, the authors provide commentary, reflection questions, and thought-provoking considerations to readers who are looking to explore a new area of their life. By exploring personal stories of love, alternative sexualities, and reasons for participating in the "unconventional," the book supports and empowers each reader to build a relationship and life that best suits their needs. It is also an illuminating resource for sex therapists, counselors, and other mental health professionals interested in developing a kink-affirmative practice.

Kink - Susan Crain Bakos 1995-12-15

Take a walk on the wild side... Internationally renowned sex author Susan Crain Bakos has traveled far into the American psyche and has returned with a provocative survey of sexual adventures. From fetishists to bondage fans, from piercers to disciplinarians, she reveals the kinky secrets of seemingly "normal" people, including: * The handsome executive who enjoys his wife, but requires a dominatrix for himself. * The church-reared woman who enjoys spanking. * The S/M sex clubs in large cities and small towns who cater to a special clientele-- but not who you'd expect. * The psychologist who knows submission is her ideal state. * The couple who host S/M bondage parties for every kind of kink. * The husband who convinced his wife to video themselves and their friends making love. Find out what has driven so many people to their sexual limits.

Yes, Your Kid - Debby Herbenick, PhD 2023-11-14

Parents of teenagers and young adults have enormous catching up to do to understand how sexting, internet porn, TikTok, and more have shaped sex for young people. Too often, parents wear blinders when it comes to the sex lives of their children. They hear the statistics—how 80% of college students have engaged in rough sex or how one in four teens have sent or received a sext—and think, “Not my kid.” *Yes, Your Kid* is the reality check parents need about what sex is like today—so they can better educate and support their tweens, teens, and college students. Combining insights from cutting-edge research, conversations with real students, and on-the-ground legal experience, *Yes, Your Kid* provides: An overview of key topics in sexuality, from communication and consent to pornography and rough sex, describing how things have changed Real-world legal stories illustrating today's consensual sex pitfalls and clear tips for how to help your child avoid them Age-appropriate tools to talk with tweens and teens about bodies, puberty, technology, birth control, and consent Concrete advice parents can share directly with their children so that—if and when their children become sexually active with partners—they are more likely to have safer, consensual sex Inclusive sexuality education tips for parents of young people on the autism spectrum Authoritative, supportive, sex-positive, and facts-forward, *Yes, Your Kid* provides parents with the frank, accurate information they and their children need to safely navigate today's sexual landscape.

Sexual Outsiders - David M. Ortmann 2013

This study draws on common sense, humor, anecdotes, interviews, history, clinical case studies, analyses of human behavior, and basic ideas from psychology and philosophy to illustrate the real lives and experiences of men and women in BDSM communities.
