I decided he would be my first. I decided to finally give him what I'd kept from everyone else. I was nineteen years old and ready to finally go all the. Since he had friends coming into town the next day, I figured I had to act quickly. Otherwise, I was pretty likely to back out after waiting for a week while his friends were in town and we got no privacy. So, I sent him a text to meet me at my place in the evening and I left a note on the door telling him anything he wanted was his. From there, it was just waiting, completely naked, for him to arrive. When he stepped in and saw me naked and waiting, he was surprised. So were his two out of town friends. I got the dates wrong, and the note I'd left said I was up for anything. Anything. The Killers Within US are those individuals who are in such pain that they tragically kill others and/or themselves. These individuals often leave a wake of confusion, anger, and hurt among their survivors. This book explores the most common disorder linked to suicide, homicide and several other disorders that kill millions of people annually. A mental disorder known as Borderline Personality Disorder (BPD) or its traits frequently influence these individuals in particular to the point of killing. Several BPD traits span thousands of years and are mentioned within the Holy Bible. This book explores the truth about and the origin of BPD and offers both Biblical and Clinical ways to recover from it. God said: 'Let my people go' and 'the Truth will set you free'. This book is full of truth and by applying these truths within it, it is hoped that you too can be set free from the Killers Within you.

**Sex with Strangers** - Michael Lowenthal 2021-03-16

A fiercely honest exploration of the risks and rewards of contemporary relationships--and hookups--*Sex with Strangers* embraces the dizzying power of attraction across the spectrum of passion and infatuation. In this fearless collection, lust and loneliness drive a diverse cast of queer and straight characters into sometimes precarious entanglements. Recognizing that any partner is unknowable on some level, Michael Lowenthal writes about how intimacy can make strangers of us all. A newly ordained priest struggles with guilt and longing when he runs into his ex-girlfriend. A woman weighs the cost of protecting her daughter from a man they both adore. A teenage busboy has a jolting brush with a famous musician. A young man tries to salvage a long-distance relationship while caring for his mentor, an erotic writer dying of AIDS. In edgy, disquieting stories, Lowenthal traces the paths that attraction and erotic encounters take, baffling and rueful as often as electrifying. This fraught and funny volume forces us to grapple with our own subconscious desires and question how well we can ever really know ourselves.
