Aprender entre imágenes y pantallas. XXIX Jornadas Internacionales Universitarias de Tecnología Educativa - Gallardo Fernández, Isabel María 2023-03-09

Las Jornadas Internacionales Universitarias de Tecnología Educativa (JUTE 2022) forman parte de las actividades de la red académica RUTE (Red Universitaria de Tecnología Educativa) y su XXIX edición se celebró en la Universitat de València los días 15, 16 y 17 de junio de 2022. Las JUTE 2022 tienen como lema Aprender entre imágenes y pantallas, con el cual se abre un espacio de reflexión y debate sobre las posibilidades que ofrecen los medios digitales para promover una ciudadanía diversa e inclusiva. Los más jóvenes viven y disfrutan intensamente de la iconosfera en la que adquieren nuevos patrones culturales y cognitivos. De modo que cabe preguntarse, ¿qué estrategias de aprendizaje adquieren en la sobreexposición a tantas imágenes y pantallas? Aprender entre imágenes y pantallas es también un reto para los docentes y demás profesionales que les invita a aprender a mirar y a ponerse en el lugar de quienes viven frente a ellas. Solo así se llegará a comprender sus emociones y su relación con los medios digitales desde el debate sobre los últimos avances en la investigación. Las JUTE 2022 se dirigen a ese conjunto amplio de profesionales con distintos perfiles formativos y responsabilidades, tienen relación con las generaciones socializadas en el entorno audiovisual. A todo el conjunto hacemos extensiva la invitación a participar, de forma presencial o en la modalidad virtual, en esta convocatoria ya sea con sus aportaciones en forma de comunicación o con la palabra en las sesiones presenciales.

Sex Education: The Road Trip - Katy Birchall 2021-09-28

The only official Sex Education novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.

Voices From the Wreckage: Young Adult Voices in the #MeToo Movement - Kimberly Karshner 2023-04-18

'Voices From the Wreckage: Young Adult Voices in the #MeToo Movement' is an edited collection by Kimberly Greenfield Karshner (Lorain County Community College). This collection focuses on situating young adult voices in the #MeToo movement, and into American culture and identity. Children's and young adult literature is an area of study that has rapidly evolved in the past ten years, bringing previously silenced voices to light. This is especially true for YA LGBTQ+ voices, and also for young narrators who are not only discovering, celebrating, and coming to terms with their identities, but also dealing with assaults on their identities. This collection will build on what writers like Laurie Halse Anderson have begun, first with her groundbreaking book on sexual assault, 'Speak', published in 1999, and more currently, her follow-up book, 'Shout' (2019). These authors continue what Anderson started, exploring texts from the perspectives of YA male and female voices, Native American and international perspectives, and LGBTQ+ character representation. Chapters investigate various literary forms such as graphic novels, memoirs, and novels, and cover topics such as sexual desire, consent, trauma, and survivorship. The literature featured in this volume will assure young people that they can tell their stories and that they will be heard. 'Voices From the Wreckage' will be a valuable tool for anyone who teaches Young Adult Literature, or for those who are avid readers and fans of the genre. The authors in this collection are starting and continuing very important conversations on the topic of sexual abuse and trauma, a conversation necessary for the intended audiences of these books, and for adult readers and teachers who are facilitating the emotions connected to these topics.
