Dongri to Dubai - Six Decades of the Mumbai Mafia - Hussain Zaidi 2012-08-10

Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever

supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

Stunningly Written -Time Out Mumbai When Angels Speak of Love - bell hooks 2007-02-06

The late feminist icon and author of over twenty books, including her classic New York Times bestseller *All About Love*, bell hooks reminds us of the good and bad moments we spend in love through her inspiring poetry. Written from the heart, *When Angels Speak of Love* is a book of 50 love poems by the icon of the feminist movement and most famous among public intellectuals. In beautiful, profoundly poetic terms, hooks challenges our views and experiences with love—tracing the link between seduction and surrender, the intensity of desire, and the anguish of death. Whether towards family, friends, or oneself, hooks's creative genius makes love both magical and beautiful. Its Normal - Dr Mahinder Watsa 2017-10-25 From adolescence to sex after forty, from

foreplay to masturbation to sexual intercourse, from pre-marriage relationships to homosexuality, to conception and pregnancy--- this book answers all questions pertaining to sex. Gleaned from a career spanning several decades as a gynaecologist and sex columnist, Dr Watsa writes about sex with wit and humour. In an easy manner he addresses the concerns and demystifies sex for the common Indian. The book also has an extensive FAQ section with questions from his highly popular column.

Perineum - Ambarish Satwik 2020-04-08

'His Majesty's sebum was quite like a liege subject. And his foreskin was almost perversely surplus. To rid himself of the yeast, he held the foreskin closed at the instant of micturition till it bloated like a frog's airbag and then let it all fly out all over the Rotterdam vitreous china water closet. His Majesty's urine cleaned His Majesty's yeast.' In *Perineum* Ambarish Satwik blends surrealistic metaphor and surgical precision to concoct a Borgesian fictional labyrinth that thrusts the reader deep into the private parts of the Empire and its subjects, liege or otherwise. This irreverent collection of stories quite literally takes the pants off the venerable organs of the British Empire and lays bare a murky underbelly of oozing flesh, putrid excretions and raw brutality. From Baker's scrotum to Bobby Clive's circumcision, from Madan Lai Dhingra's haemorrhoid to Jinnah's last ejaculation, nothing escapes the author's deliberately prurient eye and darkly satirical wit. Defdy orchestrating a medley of quasi-authentic colonial voices Satwik creates a quirky, cunningly layered narrative that is both very funny and very disturbing.

Reasons and Persons - Derek Parfit 1986-01-23

This book challenges, with several powerful arguments, some of our deepest beliefs about rationality, morality, and personal identity. The author claims that we have a false view of our own nature; that it is often rational to act against our own best interests; that most of us have moral views that are directly self-defeating; and that, when we consider future generations the conclusions will often be disturbing. He concludes that moral non-religious moral philosophy is a young subject, with a promising but unpredictable future.

Dr Mahinder C Watsa The Sexpert A Visionary and A Pioneer - Nilan Singh 2023-02-27

This first-ever comprehensive biography of Dr. Mahinder C. Watsa describes how a motor-cycle- and party-loving young resident doctor, evolved through his practice in ObGyn and as Sexuality Counsellor/Therapist; as well as his pathbreaking work with FPAI and other bodies, to become a cult figure with an iconic status.

Wilson One of the New York Times "100 Notable Books of 2017" Manjunath Kumar is fourteen. He knows he is good at cricket - if not as good as his elder brother Radha. Lost Memory of Skin - Russell Banks
2011-09-29

Suspended in a strangely modern-day version of limbo, a young man must create a life for himself in the wake of incarceration. Known only as the Kid, and on probation after doing time for a liaison with an underage girl, he is shackled to a GPS monitoring device and forbidden to live within 2,500 feet of anywhere children might gather. With nowhere else to go, the Kid takes up residence in a makeshift encampment with other convicted sex offenders. Barely beyond childhood himself, the Kid is in many ways an innocent, trapped by impulses and foolish

choices. Enter the Professor, a man who has built his own life on secrets and lies. A university sociologist of enormous size and intellect, he finds in the Kid the perfect subject for his research on homelessness and reoffending sex offenders. The two men forge a tentative partnership. But when the Professor's past resurfaces and threatens to destroy his carefully constructed world, the balance in the two men's relationship shifts. Suddenly, the Kid must reconsider everything he has come to believe, and choose what course of action to take when faced with a new kind of moral decision.

Aarushi - Avirook Sen 2015-07-05

The murders that gripped the nation Seven years ago a teenage girl, Aarushi Talwar, was found murdered in her bedroom in Noida, a middle-class suburb of Delhi. The body of the prime suspect—the family servant, Hemraj—was discovered a day later. Who had committed the double murders, and why? Within weeks, Aarushi's parents, the Talwars, were accused; four years later, they went on trial and were convicted. But did they do it? Avirook Sen attended the trial, accessed important documents and interviewed all the players—from Aarushi's friends to Hemraj's old boss, from the investigators to the forensic scientists—to write a meticulous and chilling book that reads like a thriller but also tells a story that is horrifyingly true. Aarushi is the definitive account of a sensational crime, and the investigation and trial that followed.

Chowkhani 2023-12-19

This book explores different strands of thinking about sexuality education in contemporary urban India. It interrogates the limits of sexuality education as we know it today by rethinking adolescent masculinities in middle-class urban India. This book contributes to the wide gap in theorising sexuality education and adolescent masculinities in urban India. It presents an adolescent perspective on sexuality education, looks at adolescent love from the school teachers' perspective, and tries to understand a teacher's negotiations with student romance. It unravels the sexual and romantic lives of adolescents and examines the circulation of sexual knowledge and sources of information on sex that adolescent boys in India have access to. This book uncovers the limits of sexuality education by examining State, feminist, Christian, and sexological materials on sexuality education in Mumbai and Delhi. Based on detailed research and narratives from teachers, young men, and women, the book explores adolescent male romance and its affective registers, adolescent male sexual knowledge, and the regulation of romance in school spaces. This book will be of interest to students and researchers of education, sexuality and gender studies, masculinity studies, sex education as well as those interested in education policy, education politics, educational research, and inclusion and special education. Located at the intersection of sexuality studies, education, masculinity studies, and cultural studies, it will also appeal to those working in sexuality education in urban India within the complex web of the middle classes, consumerism, post-feminism, romance, adolescent masculinities, and cinema.

The Search for a Bride - Lokesh Kumar
2021-03-26

With a paradigm shift in social systems, the concept of an arranged marriage seems to be losing its sheen and becoming difficult especially when you belong to one part of the country and work in another region. This is the story of a young man who finds it difficult to search for a bride. He faces a lot of expected as well as unexpected challenges during his search. He interacts with a lot of women and learns a different lesson each time. He travels multiple

times from one city to another in search of his elusive bride. He puts so much effort, wastes so much energy, money and time during this eventful journey that he realizes that it would have been better to fall in love with someone instead of going through this tedious process of an arranged marriage. As he gets older and frustrated, the moot question is 'will he get a bride as per his expectation?'. Will he marry a Manglik or a non-Manglik girl? Will that girl be from Delhi, Mumbai or some other part of the country?

Psychology and Gender - Sadhana Avinash Natu 2023-10-27

This book provides an understanding of how psychology and gender are closely interrelated. It examines, critiques, and debunks some of the theoretical premises from mainstream psychology while remaining mindful and respectful of their utilities. The book brings together psychological concepts, theories, and paradigms and examines how they interplay with gender studies going beyond the typical understanding of gender as merely demographic variable. The volume discusses important concepts such as gender role development and interpersonal relationships across caste, class, genders, sexualities, race, and region. It also studies the significant link between psychology and gender and with feminism, women's studies, the women's movement, the queer movement, queer studies, as well as other social movements. It uses an interdisciplinary and multidisciplinary approach all through. This book will appeal to students, researchers, and teachers of psychology, applied psychology, gender and women studies, sociology, practitioners, activists, those working in not-for-profit organizations and those working specifically on engendering psychology. The book will also be valuable reading for those interested in South Asian studies and other interdisciplinary courses in social sciences.

Death in Mumbai - Meenal Baghel 2011-12-12

Three years ago, the brutal killing of a young TV producer called Neeraj Grover sent shockwaves

through Mumbai. An alluring aspiring actress, Maria Susairaj, and her dashing naval officer boyfriend, Emile Jerome, were accused of killing him and hacking his body into pieces, before setting it on fire. The cast of characters was young, attractive, and upwardly mobile, the press hungry for a headline. As details of the case unravelled, the questions flew around—what had gone wrong? What made these young professionals turn to violent crime? Was it the savage pressure of the city, or was the motive even darker? This book will shock and inspire a much needed change in perception of celebrity culture and Bollywood. It's about so much more than a contested killing case and will be a talking point for years to come.

Holy Hell - Gail Tredwell 2013-10-31

Amma, universally known as "The Hugging Saint," went through a two-decade transformation from a simple fisherman's daughter to an international wonder worshiped by millions. Gail "Gayatri" Tredwell was there every step of the way—from early devotee to head female disciple, ever-present personal attendant, handmaiden, whipping post, and unwilling keeper of some devastating secrets. Because she became fluent in the Malayalam language and had continual intimate proximity to Amma for twenty years, Tredwell is uniquely capable of portraying this famous woman. She tells her tale with straightforward honesty, fairness, and a dash of Aussie snap and wit. Although the guru's flaws are a necessary part of her story and awakening, she strives to be factual throughout, digging deep to eschew victim frameworks and take responsibility for her own role in accepting the abuse and perpetuating the lies. Tredwell takes us vividly through her varying stages, starting with naïveté and innocent devotion, then on to dawning awareness and confusion, finally to emotional breakdown and her shocking "enlightenment"—her realization that the liberation she urgently required was in fact liberation from her own guru

Shantaram - Gregory David Roberts 2009-07-01

"A publishing phenomenon" Sunday Times It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and

being tortured. Shantaram is a novel based on the life of the author, Gregory David Roberts. In 1978 Roberts was sentenced to nineteen years imprisonment as punishment for a series of robberies of building-society branches, credit unions, and shops he had committed while addicted to heroin. In July 1980 he escaped from Victoria's maximum-security prison in broad daylight, thereby becoming one of Australia's most wanted men for what turned out to be the next ten years. For most of this period he lived in Bombay. He set up a free health clinic in the slums, acted in Bollywood movies, worked for the Bombay mafia as a forger, counterfeiter, and smuggler and, as a gun-runner, resupplied a unit of mujaheddin guerrilla fighters in Afghanistan. This is the setting of Shantaram. Apart from having this highly unusual personal background, Greg Roberts is a very gifted writer. His book is a blend of vivid dialogue, unforgettable characters, amazing adventures, and superb

evocations of Indian life. It can be read as a vast, extended thriller, as well as a superbly written meditation on the nature of good and evil. It is a compelling tale of a hunted man who had lost everything - his home, his family, and his soul - and came to find his humanity while living at the wildest edge of experience. Gregory David Roberts retired from public life in 2014 to devote time to his family and new writing projects. The Mountain Shadow, sequel to Shantaram, is available now. PRAISE FOR SHANTARAM "A literary masterpiece ... at once erudite and intimate, reflective and funny ... it has the grit and pace of a thriller" Daily Telegraph "Powerful and original ... a remarkable achievement" Sunday Telegraph "Extraordinarily vivid ... a gigantic, jaw-dropping, grittily authentic saga" Daily Mail "At once a high-kicking, eye-gouging adventure, a love saga and a savage yet tenderly lyrical fugitive vision." Time Out Fans of Vikram Seth, John Irving and David Mitchell will love Shantaram.
