**Transforming Trauma** - Anna Salter 1995-05-31

The premise of this book is that those who do not recognize an internalized perpetrator when they hear one will often be frustrated by the tenacity of the survivor's self blame. Primarily oriented towards treating adult survivors, this book will also be useful for treating sex offenders. Salter also describes the steps of therapy for survivors and proposes that trauma can be transformed rather than just endured.

**Treating Child Sex Offenders and Victims** - Anna Salter 1988-06

Treating Child Sex Offenders and Victims is a practical manual designed to assist mental health professionals in the effective treatment of both victims and offenders through the development of specialized skills. The author discusses methods of treatment of offenders and includes an assessment battery, which measures their sexual attitudes. She also addresses ways of treating victims and minimizing trauma within the legal system. The volume will thus be invaluable for all mental health professionals who wish to learn effective treatment of the victims and the perpetrators of child sexual abuse.

*Sex Offenders* - J. V. Fenner 2008

This book deals with society's responses to sex offenders. This issue is of vital interest to law enforcement professionals and society at large. This subsection of the population generates as much or more fear than virtually any other segment in the community. The chapters in this book deal with recidivism, tracking and location, impulsivity, long-term care, and reunification.

*Sex Offender Restrictions and Requirements* - Katie Bender-Olson 2021

"The memorandum describes restrictions imposed on sex offenders, such as limits on where they may live, where they may go, and what jobs they may hold. It also addresses requirements applicable to sex offenders in Wisconsin, such as global positioning system (GPS) monitoring and reporting to the Wisconsin Sex Offender Registry."--Page 1.

Evaluating Sex Offenders - Dennis M. Doren 2002-04-10

A professional volume to help practitioners, clinicians, counselors, and parole officers, assess risk and evaluate offenders who have been convicted of a sex crime. This is the most comprehensive volume available on every aspect of assessing risk. It compares all current risk assessment techniques of sex offenders in terms of ease of use, reliability, and predictive power. It is a complete guide to assessing sex offenders for likelihood of re-offense, and it provides a wealth of information on other aspects of the assessment process, including information gathering, interviewing offenders, and writing reports. Chapter topics include: defining risk; data gathering; diagnostic issues; recidivism base rates; risk factor lists; actuarial scales; instrumentation (violent and sexual); the evaluation report; presenting in court; ethical issues.

*Sex Offender Registration* - Anne Sappenfield 2000

**Sourcebook of Treatment Programs for Sexual Offenders** - William Lamont Marshall 2013-11-22

A guide for the design and implementation of treatment programs, this

book emphasizes clinical issues over research and offers valuable suggestions for dealing with problems that arise in treatment.

Contributors describe their work in prisons, psychiatric institutions, and community settings. Special attention is given to culturally sensitive treatments and to special populations, including professionals, clergy, juveniles, women, and the physically challenged.

*Sex Offender Community Notification* - Richard Gary Zevitz 2000

This article discusses the effects of Wisconsin's community notification statute that authorizes officials to alert residents about the release and reintegration of sex offenders in their communities.

*Predators* - Anna Salter 2018-07-03

What motivates sexual abusers? Why are so few caught? Drawing on the stories of abusers, Anna C. Salter shows that sexual predators use sophisticated deception techniques and rely on misconceptions surrounding them to evade discovery. Arguing that even the most knowledgeable among us can be fooled, Salter dispels the myths about sexual predators and gives us the tools to protect our families and ourselves.
