[Tales of an American Lesbian - Holly Valero 2020-03-10](#)

It was the late 1980s. A time before email, the World Wide Web, desktop publishing, cell phones, and sadly, spellcheck. Today's LGBTQIA+ was missing more than a few letters and symbols. I was a 21-year-old lesbian in search of a normal life working as the night shift disc jockey at WTTC radio, a 500-watt AM/FM station in the rural Pennsylvania town of Towanda. Dreams of making more than \$3 an hour and maybe even finding at least one lesbian my age took me to Concord, New Hampshire. It was there, in my mid 20s, that I began writing The Straight and Narrow, a monthly column series documenting the politically turbulent 1980s. The global AIDS epidemic coincided with early LGBTQ activism. The result was widespread fear, a lot of intolerance, and internal community strife. Despite AIDS casting a national spotlight on the gay community, the lesbian population in the face of that epidemic simply

disappeared. I wanted to remind the world - and lesbians - that we were still here, still queer, and still trying to get used to it.

The Sexualization of America's Kids - J. Wright 2001

Currently, kids are being hyper-sexualized by the exploding provocativeness in the media. Parents can develop the skills to recognize these subtle influences and the knowledge to counteract and do something about it. In The Sexualization of America's Kids, Mr. Wright draws on his 22 years as a therapist, working with over 1,000 kids and their families, to demonstrate how this provocativeness affects our kids. He uses their stories to discuss how kids fall prey to these negative presentations, and he recommends Seven Ways to Raise Sexually Healthy Children and Teenagers. Mr. Wright's use of dialogued role-plays and actual case examples shows parents when and how to appropriately communicate on sexual issues with their different aged kids. His caring and concrete approach makes this book a necessity for all parents who are raising kids today.

Call it "Sexonomics."

Passion, Purity and Popularity - Whitney Fee 2010-10

"The thing I love about Whitney is that she is on a journey of listening to God's voice and following His direction wherever He is leading her."

Tony Marchetti Whitney Fee was born and raised in Augusta, GA. She attended Georgia College and State University where she received her Bachelor's degree in Mass Communication. While in high school and college, she led several teenage Bible studies, volunteered in church youth groups, served as a chaplain in college, and led a middle school Sunday school class. Whitney is on God's journey and not her own. God gifted her with the ability to relate to girls in an understanding and

loving way. She is currently a teacher at a Christian school in Florida where she mentors teenage girls and teaches math. Whitney's message is about hope, faith in God, trust, and the importance of living a life modeled after Christ. Whitney's promise to any girl who reads Passion, Purity and Popularity is that she will be encouraged and renewed. Her personal stories, references to popular culture and uses of scripture truly speak to the hearts of young teenage girls. After reading the book, Whitney asks girls to engage in her website:

www.passionpuritypopularity.com, by reading blogs, posting questions and comments, and joining her in a quest to stay pure. In the end, Whitney believes if a teenage girl is passionate about Christ, is on a journey to stay pure of heart, mind, soul and body and is sweet to others, then she will be popular, sought after and highly esteemed. "It is when we are asked to lay down our life, and we obey, that God uses us in mighty ways to enhance His kingdom. There are no regrets when we follow God." Whitney Fee
