Love & Sex - Nancy Houston 2018-02-05

“So many couples struggle in their sexual lives because they divide sex and love ... Nancy Houston has written an excellent, practical, and very hopeful book on how to reintegrate the division.”—Dr. John Townsend, New York Times bestselling author of *Boundaries* “Without question, one of the greatest communicators of our generation on Christian sex and intimacy is Nancy Houston.”—Amy Ford, president of Embrace Grace and author of *A Bump in Life* Sex is powerful! Just saying the word “sex” can stir up all kinds of emotions. Maybe it’s a positive emotion for you—or possibly a hurtful, shameful, confusing one. It’s no wonder we struggle to understand its meaning and purpose. It can be difficult to talk about, and if we have experienced unwanted shame or grew up in a home where sex was taboo, addressing the topic can be even more difficult. In a world of sexual chaos and confusion, we all need a healthy dialogue on the topic—not a black-or-white, right-or-wrong lecture, but a safe forum for discovering, learning, processing, and growing into passionate intimacy within the freedom God provides. In *Love & Sex*, Nancy Houston provides a compassionate view of human sexuality. Through the lens of Scripture, she unpacks the good God intended when He created humans as sexual creatures, while recognizing that many people haven’t experienced sex in a positive way. You won’t find a critical examination of dos and don’ts, but stories of redemption, grace, and hope. You will understand how you were shaped and that you are more than your sexual behaviors. For some people, sex is a regular part of life. For others, it’s a huge deal. Maybe even too big of a deal. This book will be your roadmap to finding sexual health, happiness, and balance. And if you are one of the few unscathed by sexual shame or confusion, this book will help you develop a more compassionate lens for

those who do struggle.

Mending a Shattered Heart - Stefanie Carnes 2012-07-10

When your partner betrays, what are the first steps to picking up the pieces of your shattered heart? Many unsuspecting people wake up every day to discover their loved one, the one person whom they are supposed to trust completely, has been living a life of lies and deceit because they suffer from a disease-sex addiction. This is a disease shrouded in secrecy and shame. This is your go-to-guide for what to do when you discover your partner is a sex addict. Each chapter is based on frequently asked questions by partners such as: Should I Stay or Should I Go? Is This Going to Get Better? How Do I Set Boundaries and Keep Myself Safe? and What Should I Tell the Kids?

The Case for Marriage - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and

misunderstood." -- The Wall Street Journal www.broadwaybooks.com

Thriving Through Transition - Denise O'Doherty 2018-08-07

"Mom, Dad -I'm Transgender." As the parent - What do you say? What do you do? How do you cope with what is about to unfold in your life? A parent's life can change forever when a child "comes out" and says they are transgender. Whether your child is 5 or 50, the word "transgender" or "transition," will likely cause a multitude of conflicting emotions and countless questions. Parents, are often unprepared to know what's next and most importantly, know how to care for themselves in the process. This book was written to make the adjustment process easier for parents or anyone who loves a transgender person. Specifically, you will: - Gain insight regarding what the issues are that parents commonly face - Receive valuable suggestions on how to work through feelings such as grief, denial, depression, anger, shame and guilt. - Learn conflict management for siblings and other family members. - Become well-versed in knowing what to say to others and how to effectively deal with resistance. - Develop effective methods of addressing religious, cultural and social issues. - Discover how to cope and take care of yourself in the process - Understand acceptance and what it can mean for you as the parent. This book is a must-read resource for family members, educators, clergy, counselors, the medical field, social awareness advocates and everyone who loves a transgender person and the parent raising them.

Constructing the Sexual Crucible - David M Schnarch 1991-03-05

This book challenges the fundamental paradigms in sexual-marital therapies, and provides a fresh look at the nature of intimacy and the diverse barriers to eroticism in many marriages. By integrating individual, sexual and marital therapies, this study attempts to provide a fresh look at the nature of intimacy and the diverse barriers to eroticism in marriage. The author refutes the common focus on sexual technique, calling instead for an emphasis on sexual potential.

Seeking Soulmate - Chamin Ajjan 2017-02-14

Transform dating and the often-fraught search for a fulfilling relationship into a fun, exciting adventure using mindfulness techniques and practices. Dating is a 2 billion dollar industry. Everyone, it seems, is looking for love but for so many it is an endless struggle. In *Seeking Soulmate: Ditch the Dating Game and Find Real Connection*, Brooklyn-based therapist Chamin Ajjan offers a fresh perspective to this universal pursuit. With a friendly, funny, and informative approach, Ajjan applies the evidence-based theories of Cognitive Behavior Therapy and mindfulness meditation practice to the negative behaviors, thoughts, and

patterns that cause dating distress. Every stage of the dating process, from finding someone to date, to developing a relationship, has its own particular difficulties. *Seeking Soulmate* shares case vignettes, relatable characters, and personal experiences from Ajjan's clinical experience to illustrate how the personal insight gained with practicing mindfulness can transform the anxiety, negative thoughts, and overall hopelessness that accompanies the unsuccessful pursuit of love into fun, rewarding, exciting dating adventures. Ajjan provides an explanation for dating difficulties, a foundation for practice, and practical exercises to create real change. These methods are available to everyone, regardless of age, socioeconomic status, ethnic, cultural, or religious background, or sexual orientation. *Seeking Soulmate* will help you develop the most important benefit of mindful dating: the ability to let your genuine, most attractive self emerge. This is how real relationships with the actual staying power are formed.
