Healing Traditions of the Northwestern

Himalayas - Pankaj Gupta 2014-06-30

This book discusses the perception of disease, healing concepts and the evolution of traditional systems of healing in the Himalayas of Himachal Pradesh, India. The chapters cover a diverse range issues: people and knowledge systems, healing in ancient scriptures, concept of sacredness and faith healing, food as medicament, presumptions about disease, ethno-botanical aspects of medicinal plants, collection and processing of herbs, traditional therapeutic procedures, indigenous Materia medica, etc. The book also discusses the diverse therapeutic procedures followed by Himalayan healers and their significance in the socio-cultural life of

Himalayan societies. The World Health Organization defines traditional medicine as wisdom, skills, and practices based on theories, beliefs, and experiences indigenous to different cultures, used in the prevention, diagnosis, improvement or treatment of physical and mental illness and maintenance of health. In some Asian and African countries, 80% of the population depends on traditional medicine for primary health care. However, the knowledge of these conventional healing techniques and traditions associated with conveying this knowledge are slowly disappearing. The authors highlight the importance of safeguarding this indigenous knowledge in the cultural milieu of the Himachal Himalayas. This book will be an

important resource for researchers in medical anthropology, biology, ethno-biology, ecology, community health, health behavior, psychotherapy, and Himalayan studies.

The Expatriates - Janice Y. K. Lee 2016-01-12
I raced through this enthralling story' Liane Moriarty 'Brilliantly plotted and written, utterly absorbing' Daily Mail 'An emotionally gripping page-turner' Elle Mercy, a young Korean American and recent Columbia graduate, is adrift, undone by a terrible incident in her recent past. Hilary, a wealthy housewife, is haunted by her struggle to have a child, something she believes could save her foundering marriage. Meanwhile, Margaret, once a happily married mother of three, questions her identity in the wake of a shattering loss. As each woman struggles with her own demons, their lives collide in ways that have irreversible consequences for them all. The Expatriates' is an atmospheric, moving, and utterly compelling story of motherhood and

family set against the unforgettable backdrop of Hong Kong.

By Nightfall - Michael Cunningham 2011-01-20
From the Pulitzer Prize-winning author of 'The Hours', comes the story of a marriage thrown off course by a moment of mistaken identity.

Flavours and Fragrances - Ralf Günter Berger 2007-03-06

This book is an introduction to the world of aroma chemicals, essential oils, fragrances and flavour compositions for the food, cosmetics and pharmaceutical industry. Present technology, the future use of resources and biotechnological approaches for the production of the respective chemical compounds are described. The book has an integrated and interdisciplinary approach on future industrial production and the issues related to this topic.

Make Him Look Good - Alisa Valdes-Rodriguez 2007-02-20

The "him" in Make Him Look Good is Ricky Biscayne, sexy Latin singing sensation who has
Downloaded from
legacy.opendemocracy.net on 2019-10-23
by guest

taken the pop world by storm. But it takes more than swiveling hips and dreamy eyes to get to the top of the charts. The women who orbit Ricky are: -- Milan, Ricky's new publicist, and her sister Geneva whose Club G promises to have Miami's hottest opening ever -- Jill Sanchez, a media-maniac Latina star who has crossed over from CDs to perfume, clothes and movies -- Jasminka, Ricky's gorgeous Croatian model wife -- Irene, a firefighter whose high school romance with Ricky was the last love in her life, eking out an existence for herself and her daughter Sophia, who is beginning to suspect that she and Ricky Biscayne look a little too much alike With several satisfying romances set against Miami's music, club and modeling scenes, Make Him Look Good is irresistible fiction from one of America's most original voices.

Housework and Housewives in American Advertising - Jessamyn Neuhaus 2011-11-07
An analysis of how since the end of the 19th-

century advertising agencies and their housework product clients utilized a remarkably consistent depiction of housewives and housework, illustrating that that although Second Wave feminism successfully called into question the housewife stereotype, homemaking has remained an American feminine ideal.

Watching the English - Kate Fox 2005-04-11
In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a

reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Jenny and the Jaws of Life - Jincy Willett

2008-05-27

Critically acclaimed when it was first published in 1987, this timeless collection of stories features eccentric, complex characters who think and do the unconventional.

Noise Music - David Cycleback 2016-02-23

"Will computers ever think like humans?" "Not if they're well designed." Mixing academic essay, anti-art philosophy, unsettling memoir and wry wit, Noise Music is a profoundly complex and open-ended collage covering a plethora of topics including psychology of information processing, consciousness, science, time, perception, art theory and criticism, morals, mental illness, the human condition, artificial intelligence, cognitive biases, language and communication. However, at its core the book is about the limits of human knowledge and understanding due to how minds

and senses work. Going hand in hand with the philosophy, the aleatory narrative and miscellaneous scope expects readers to critique and expand beyond their conventional aesthetic modes of thinking and, in the end, makes the book itself "unsolvable."

The Stormrider Surf Guide Europe - Bruce Sutherland 2008-09-26

Stormrider Guides are the ultimate surf travel guide books, providing essential surfing information from around the world. Generally acknowledged as the finest surf travel books available, they are often referred to as The Surfers Bible. Now in one book, the Stormrider Surf Guide to Europe is the most comprehensive guide to where to surf in Europe available. All the heavyweight European countries are covered as well as the North Atlantic island chain plus Scandinavia. Containing detailed seasonal water temperatures and wetsuit recommendations, wave type, and wind and tide information, as well as tourist and cultural information, this

book will be appreciated by surfers and non-surfers alike. Includes France, Spain, Portugal, Morocco, Italy, Denmark, Germany, The Netherlands, Belgium, Iceland, Norway, Sweden, Ireland, Wales, England, Scotland, Azores, Madeira, and the Canary Islands.

A Circular Argument - Martin Cathcart Frödén
2021-08-16

Uniquely combining two parts, one critical in the form of a research piece, and the other creative in the form of a fictional novel, A Circular Argument spans creative writing, criminology and architecture to look at the ways in which power and hierarchies are explored and exploited in space.

Anagram Solver - Bloomsbury Publishing
2009-01-01

Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first

names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically, finding the solution is as easy as locating the word in a dictionary.

Morvern Callar - Alan Warner 2015-09-22

It is off-season in a remote Highland sea port: twenty-one-year-old Morvern Callar, a low-paid employee in the local supermarket, wakes one morning to find her strange boyfriend has committed suicide and is dead on their kitchen floor. Morvern's laconic reaction is both intriguing and immoral. What she does next is even more appalling... WINNER OF THE SOMERSET MAUGHAM AWARD

Pattern Recognition - William Gibson 2004-06-24

It's only called paranoia if you can't prove it. Cayce is in London to work. Her pathological sensitivity to brands makes her the perfect divining rod for an ad agency that wants to east a new logo. But when she is co-opted into the

search for the creator of a strangely addictive on-line film, Cayce wonders if she has done the right - or indeed, safe - thing. And that's before violence, Japanese computer crazies and Russian Mafia men are in the mix. But she wants to discover the source of the film too, and the truth of her father's disappearance in New York, two years ago. And from the way people are trying to stop her, it looks like she's getting close . . .

Aromatherapy - Christine Westwood 1991

Amongst other information, this book contains details of the specifications of over 40 essential oils, advice on the treatment of over 20 common ailments affecting legs and feet and contains a practical and illustrated guide to home massage.

The Lonely Guy and The Slightly Older Guy -

Bruce Jay Friedman 2007-12-01

The New York Times–bestselling author finds the pulse of the aging American male in two ingeniously funny novels. “I just laughed myself sick” (Neil Simon). Two classic works of comic self-help fiction by “one of the funniest writers in

America” available together for the first time in a single ebook edition (John Gregory Dunne). With its “sparkling . . . winsome and true” look at the single male in America—from his sad new apartment furnishings to his career struggles to the mystifying dating world—Bruce Jay Friedman’s *The Lonely Guy’s Book of Life* was as cringingly relatable to both men and women when it was first published in 1978 as is today (The New York Times Book Review). The inspiration for Steve Martin’s classic cult film comedy, *The Lonely Guy*, it was hailed as “the funniest book of this year, or most any other. You don’t close this book. You just start reading it again immediately. I loved every page—and laughed out loud on most of them” (Dan Jenkins, author of *Semi-Tough* and *Dead Solid Perfect*). Twenty years later, Friedman returned to the subject with *The Slightly Older Guy*, finding his quarry no longer alone, maybe a little less lonely, not so young anymore, faltering at fashion, pondering a new career, but just as

resiliently witty. Featuring a new afterword, *The Considerably Older Guy* offers advice on such topics as divorce, grandchildren, exercise, diet, and insomnia. "If you believe in reading, then when a book comes along by Friedman, you have to read it. It's as simple as that" (*The Washington Post Book World*).

A Court of Silver Flames - Sarah J. Maas 2021-02-16

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And

ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty,
