Finding the Hero in Your Husband, Revisited - Juli Slattery 2021-10-19

Women know how to work hard at marriage. Often their efforts end up sabotaging rather than building intimacy. Do you want to understand why? In this rewrite of her bestseller *Finding the Hero in Your Husband*, acclaimed Christian clinical psychologist and speaker Dr. Juli Slattery gently guides women through topics that are inherently woven into every imperfect marriage. *Finding the Hero in Your Husband, Revisited*, challenges misconceptions and outright misinformation that have misguided women for decades. In truth, women have power in marriage-but they don't often know how to use it. Illustrated with insightful real-life case examples, this book is both an

educational resource as well as a practical "how-to" guide for navigating everyday trials as well as deeper difficulties. Juli offers understandable explanations of God's design, healthy expectations that re-frame experiences, and relatable applications that women of faith can practice to influence their marriage and deepen their relationship with God. *Finding the Hero in Your Husband, Revisited*, will help you more clearly see and encourage the hero within your husband by examining your own heart. [Sex and the Single Christian Girl](#) - Marian Jordan Ellis 2013-11-05

She knows the pitfalls of giving in to temptation--but also the blessings of God's best found in waiting after she committed herself to Christ and to sexual purity. The Great Sex Rescue -

Sheila Wray Gregoire

2021-03-02

What if it's not your fault that sex is bad in your marriage?

Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of

Real Sex - Lauren F. Winner
2006-07-01

SEX. Splashed across magazine covers, billboards, and computer screens--sex is casual, aggressive, and absolutely everywhere. And everybody's doing it, right? In *Real Sex*, heralded young author Lauren F. Winner speaks candidly to Christians about the difficulty--and the importance--of sexual chastity. With honesty and wit, she talks about her struggle to live a celibate life. Never dodging tough terms like "confession"

and "sin," Winner grounds her discussion of chastity first and foremost in Scripture. She confronts cultural lies about sex and challenges how we talk about sex in church. Her biblically grounded observations and suggestions will be especially valuable to unmarried Christians struggling with the sexual mania of today's culture. *Real Sex* is essential reading for Christians grappling with chastity and a valuable tool for pastors.

Christian Cosmo - Phylicia Masonheimer 2017-03-15

With the church silent on the topic of sex, thousands of Christian young women learn about sex from the pages of *Cosmopolitan Magazine*: the only place that frankly explains what sex actually is. Unsure what is biblical and what is cultural, these girls come to dating and marriage misunderstanding their own sexuality. No one every taught them about sex from God's perspective. *Christian Cosmo* is the sex talk many girls never get. Rather than learn about

sex from the culture, Christian Cosmo answers sexual questions from a Scriptural standpoint. By reframing sex for the single girl, we lay the foundation for God-honoring marriages and end the stigma on female sexuality.

Sex and the Single Girl - Dr. Juli Slattery 2017-08-01

A study on sex that goes beyond "just don't do it." Sexuality is a hot topic these days, and opinions are all over the place. A resource offering simple "do's and don'ts" won't cut it. *Sex and the Single Girl* fills the gap by providing a broader, more comprehensive understanding of what it means to honor God with our sexuality. This resource will equip single women to understand their sexuality, trust the Lord for redemption and healing, and stand against the cultural trends that marginalize and compromise God's design for sex. Juli Slattery is a clinical psychologist, cofounder of Authentic Intimacy, and author of several popular books, including *25 Questions You're*

Afraid to Ask About Love, Sex, and Intimacy. She has devoted the last five years to equipping women with God's truth about sexuality, and here she drives home the truth that every sexual choice is also a spiritual choice. The six-week study is broken down into five days for each week, covering: *Why Sexuality Matters: The connection between spirituality and sexuality* *Embracing a Grand Design: God's design and the beauty of living according to His wisdom.* *Sexuality and Your Character: How sexuality is part of worship and Christian identity.* *Sexual Boundaries: A very practical chapter providing a biblical grid for matters like masturbation, oral sex, and how far is too far to go in a dating relationship.* *Battling Temptation: A peek at "the enemy's playbook," helping women anticipate, prepare for, and stand against sexual temptation.* *Restoring Intimacy with God: How God can tear down the wall of sexual sin, shame, and confusion through forgiveness and redemption.*

This study has been tested through pilot groups with college women and other 20somethings. Revised according to their feedback, it is primed and ready to help any single woman think biblically about sexuality, live accordingly, and experience the joy and freedom of doing so. Sex and the Single Girl is especially relevant today. One of the greatest threats to the modern church and emerging adults is the distortion of sexual design. Study after study has documented the proliferation of porn use (among both men and women), sexual exploitation on college campuses, experimentation with homosexuality and bisexuality, and the acceptability of multiple sexual partners. The average single Christian has received very little teaching on the purpose of sexuality, and a simple “just wait until you’re married” approach won’t cut it. Christian singles need to be equipped with a biblical worldview of sexuality and practical tools for talking it out. This study, which

Slattery created with two women familiar with curriculum development, is ideal for college campuses and small groups. It will prompt discussions on practical topics like sexual temptation, sexual conduct, and responding to cultural thinking on gender issues and sexual autonomy. It is designed to challenge women to examine the assumptions underlying their sexual behaviors and beliefs. The ultimate goal of this resource is to introduce women to an intimate relationship with God who cares about every aspect of her life.

Passion Pursuit - Linda Dillow
2013-07-22

A Bible study about sex for women? Now that’s different! This new study, *Passion Pursuit: What Kind of Love Are You Making?*, lets God’s Word speak about sex as being holy and erotic, blessed by God, and satisfying far beyond what the world can even imagine.

urges women to pursue passion but details how God has given them permission to do so. Though there is fun to be had along the way in this study, it hits hard on the questions women have but are hesitant to ask, like: What does God say is okay and not okay in the bedroom? I'm 54 years old; how can my husband still be attracted to me? Why did God make men and women so different? This audaciously bold study combines the psychological expertise of Dr Juli Slattery, formerly of Focus on the Family, along with moving stories from trusted Bible teacher and best-selling author Linda Dillow. The groups who have already done this study have seen their marriages come alive, whether they've been married four months or forty years; be next! *Girl Defined* - Kristen Clark

For the modern Christian woman living in today's sexually charged society, embracing God's design for sex and purity can often feel like an impossible pursuit. As the culture seeks to normalize things such as pornography, erotica, and casual sex, both single and married women of all ages feel immense pressure to conform. With alluring temptations constantly inviting them to join in, they might even begin to question whether God's design is truly good. They wrestle with questions like - What is the purpose of my sexuality? - What does it mean to pursue purity? - Are my sexual longings good or bad? In this encouraging book, Kristen Clark and Bethany Beal share honestly about their own struggles and victories, and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality. Kristen and Bethany help women understand why God's design for sexuality is good, relevant, and leads to true hope and lasting freedom.

her own unexpected journey of coming out and coming to faith... and what came next. As she does so, she addresses many of the questions that Christians living with same-sex attraction are wrestling with: Am I consigned to a life of loneliness? How do I navigate my friendships? Will my desires ever change? Is there some greater purpose to all this? What comes next, and next, and next? Drawing on insights from the Bible and the experiences of others, *Born Again This Way* provides assurance and encouragement for Christians with same-sex attraction, and paints a compelling picture of discipleship for every believer. Sexless in the City - Kat Harris 2021-04-20

Discover a renewed biblical vision for sex, singleness, and relationships, and transform into an empowered woman of faith equipped to navigate today's dating culture with vision, clarity, and freedom. Let's face it: being single in today's culture as a woman of faith can be a STRUGGLE FEST. But it doesn't have to be. With real talk and straight wisdom, speaker, podcaster, and founder of The Refined Woman Kat Harris says it's time for a new conversation about singleness, sex, and desire. Growing up at the height of the purity movement, Kat knew this much: good Christians don't have sex until marriage. But approaching 30 and thrust into the New York City dating scene, she found a set of rules was not a

compelling enough reason to keep her clothes on. Caught between purity culture's rules and popular culture's do what feels good, Kat began a multi-year journey searching for answers to the biggest questions about sexuality and faith: What does the Bible really say about sex? Why does almost everyone deal with some sort of sexual shame? But really--what's a single girl to do with her sexual desire? What if we never get married . . . then what? It turns out Kat was asking questions that countless women were dying to ask but didn't know they had the permission to do so. Hungry for clarity, she researched, wrestled, and discovered a God who wasn't afraid or ashamed of sex and desire as she thought He might be. In actuality, God created sex and desire within humanity and called it very good. Now she believes God desires to restore a generation disillusioned with purity culture and Christian dating, discouraged about their singleness, ashamed of their sexual desire, and uncertain

how to practically walk this season out well. Join Kat on her messy, sometimes painful, and always honest journey to discovering God's heart for sexuality, desire, singleness, and our purpose within it all.

Gay Girl, Good God - Jackie Hill Perry 2018-09-03

"I used to be a lesbian." In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that

Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.
