**Bluebeard's Wife** - Selena Kitt 2008-11-14

Tara's husband has never shared a fantasy with her, or even masturbated--that she knows of. However, this curious wife discovers a phone bill full of phone calls to sex lines and realizes her husband has been living a double life! Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. A quick psychology 101

diagnosis from Dr. Kelly marks John as having a classic "madonna/whore" complex, and she quickly sets about making plans to rectify this situation. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----

EXCERPT: "Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and

your mouth open and your legs quivering."I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both."I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access.He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my

dress shoved up to my waist, struggling with the seatbelt.He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers.Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat.He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting

him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.
