2005-11-15

A plus-sized woman finally gets the man of her dreams in this sexy contemporary romance from New York Times bestselling author Bella Andre. Lily Ellis has curves—soft, beautiful curves. The kind of voluptuous body she fears Travis Carson, the man she's always loved from afar, would never crave. But Lily is about to be proved wrong. Her adventure begins when the demure San Francisco interior decorator agrees to model a plus-size dress for her fashion designer sister. Watching this sensual beauty move down the runway, Travis can't believe it's the same Lily he's always

known—and always rejected. In a whirlwind of electric attraction, Lily is soon moaning Travis's name in his bed, not just in her wild fantasies. But Lily is all too aware that she's nothing like his past lovers. Determined to beat Travis at his own game by guarding her true feelings, Lily partners with him on a business deal that takes them all the way to Italy. In the seductive warmth of the Tuscan sun, Lily plays a game of desire with the hot-blooded Travis. Will she be burned by an all-consuming ecstasy or will Travis open his heart to the sexy, exciting, and lasting love she has to offer?

But when adventure comes for Amani, it is not what she expects: she is kidnapped by the regime and

taken in secret to the royal palace, where she discovers that she is nearly identical to the cruel half-Vathek Princess Maram. The princess is so hated by her conquered people that she requires a body double, someone to appear in public as Maram, ready to die in her place. As Amani is forced into her new role, she can't help but enjoy the palace's beauty—and her time with the princess' fiancé, Idris. But the glitter of the royal court belies a world of violence and fear. If Amani ever wishes to see her family again, she must play the princess to perfection...because one wrong move could lead to her death.

Hard Time - Cara McKenna
2014-04-15

In this all-new novel from the author of *After Hours* and *Unbound*, a woman with a rocky past finds romance in the last place she'd ever expect... Annie Goodhouse doesn't need to be warned about bad boys; good sense and an abusive ex have given her plenty of reasons to play it safe. But when she steps into her new role as outreach librarian for Cousins Correctional Facility, no amount of good sense can keep her mind—or eyes—off inmate Eric Collier. Eric doesn't claim to be innocent of the crime that landed him in prison. In fact, he'd do it again if that's what it took to keep his family safe. Loyalty and force

are what he knows. But meeting Annie makes him want to know more. When Eric begins courting Annie through letters, they embark on a reckless, secret romance—a forbidden fantasy that neither imagines could ever be real...until early parole for Eric changes everything, and forces them both to face a past they can't forget, and a desire they can't deny. Praise for Cara McKenna and her novels "Cara McKenna is my go-to author for gritty, hot love stories full of honest emotion."—Victoria Dahl, USA Today bestselling author "McKenna writes dark, lush, erotic romance."—Heroes and Heartbreakers "Sweet, smoking hot, standout erotic romance."—Beth Kery, New York Times bestselling author Before becoming a purveyor of smart erotic romance, Cara McKenna worked as a lousy barista, a decent designer, and an over-enthusiastic penguin handler. She loves writing sexy, character-driven stories about strong-willed men and women who keep each other on their toes...and bring one

another to their knees. Cara now writes full-time and lives north of Boston with her bearded husband. When she's not trapped in her own head, she can usually be found in the kitchen, the coffee shop, or jogging around the nearest duck-filled pond.

Insight - Annie Rayburn
2011-05-10

When Sela Marin encounters Jonavon Wyatt outside a mall, she's surprised by the instant, powerful attraction and her ability to read his thoughts so clearly. Realizing he is her life-mate, she makes a bold move in the tradition of all female Crainesians, and is surprised to learn he has a fiancé. Confused by his ability to resist her advances, but hoping his

insight along with their mind-mating and dream-sharing will bind him to her, Sela gives him three days to succumb to her pheromone lure. But Jonavon is half Human and untrained in Crainesian ways. So, what's a strong Crainesian woman to do when her life-mate is too clueless to follow when beckoned? Seduce him with his own desires, of course! From the author: Imagine our world today with a humanoid race very much like us (Crainesians) living peacefully among us here on Earth and searching for their life-mate. They have the ability to communicate telepathically, can project visions and share dreams. That's why they're also labeled soft sci-fi and lite paranormal. Talk about cross-genre sizzle! Releasing The Wolf - Dianna Hardy 2012-11-28

An international bestselling paranormal fantasy. (Book One of the Eye Of The Storm series.) Lydia Martin has always had dreams, the weirdest and hottest of them all involving a faceless, muscle-bound man that speaks like sin and smells like sex. Like any sane person, she always put the dreams down to an overactive imagination, coupled with a higher than average libido. One night, however, instead of their usual,

erotic encounters, she finds him in her dream, chained to a wall and screaming in pain. Not only that, but she thinks she recognises the building he's being held captive in as one that's just a few streets away. Awaking with an irrepressible need to save her fantasy lover, Lydia decides to humour her dream self and head on over to where she thinks he's imprisoned. What unfolds is beyond even her wildest imaginings, as she's sucked into a dangerous and deadly world she never knew existed ... and it turns out that the man who inhabits her darkest fantasies, isn't the only one that needs releasing. 18+ (adult scenes and very strong language) Paranormal fantasy Novella length at over 34,000 words First book in a series Written in British English [A Kingdom of Flesh and Fire](#) - Jennifer L. Armentrout 2020-09-01 From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than

Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has

plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolvern are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

Daughter of Smoke and Bone -

Laini Taylor 2011-09-29
DAUGHTER OF SMOKE AND BONE is a book unbounded by genre but located at a magical crossroads where THE PASSAGE meets PHILIP PULLMAN and TWILIGHT meets PAN'S LABYRINTH. Errand requiring immediate attention. Come. The note was on vellum, pierced by the talons of the almost-crow that delivered it. Karou read the message. 'He never says please', she sighed, but she gathered up her things. When Brimstone called, she always came. In general, Karou has managed to keep her two lives in balance. On the one hand, she's a seventeen-year-old art student in Prague; on the other, errand-girl to a monstrous creature who is the closest thing she has to family. Raised half in our world, half in 'Elsewhere', she has never understood Brimstone's dark work - buying teeth from hunters and murderers - nor how she came into his keeping. She is a secret even to herself, plagued by the sensation that she isn't whole. Now the doors

to Elsewhere are closing, and Karou must choose between the safety of her human life and the dangers of a war-ravaged world that may hold

the answers she has always sought. 'Remarkable and beautifully written . . . The opening volume of a truly original trilogy.' GUARDIAN
