*How to Attract Your Ideal
Partner* - Michael Moore
2017-11-04
THIS BOOK IS WRITTEN TO
BOTH WOMEN AND MEN

AND FOR ANY AGE GROUP

Why do so many people seem not to be able to find the person they really desire? Most people are very sincere in trying to find their perfect partner. Yet they settle for less while they could have had more, or they give up and don't date at all. So often, people give up too easily. Maybe they're not sure what they want, or they don't know how to be the best they can be to attract someone really great. And sometimes they just didn't have a good roadmap to show them how to get there. In his book, Michael Moore is going to show you how. He will coach you to success in attracting and discovering your best partner. You probably have heard of the 80/20 rule: Most people spend 80% of their time trying to get 20% results. That's backwards from how it should be! This rule works in every area of life including dating. The author will show you how to spend 20% of your time to get 80% results. Who wouldn't want this kind of success? The principles shared in this book have been

tried and used and Michael is 100% sure it will transform your love life just as it has transformed many others' for the better... In the many years that Michael has worked with individuals and couples, there are many things he has learned that are highly valuable to the person who honestly wants to find their ideal partner. He is sharing with you valuable resources in this book to help you become one of the GREAT SUCCESS STORIES in your RELATIONSHIP AND LIFE. Research has shown that most women have a strong desire to get married, to find that incredible special one they can love and be loved by, and to build a family. Many women have a natural instinct within them to build the nest, to get things cozy and right and enjoy a secure family atmosphere. Even the majority of most men want to get married, although men are waiting much later these days. Marriage is a wonderful thing that brings with it a sense of belonging, of ownership, and of exclusivity with your husband or wife.

Why We Love - Helen Fisher
2005-01-02

A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful

as the need for food or sleep. *Why We Love* begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, *Why We Love*

How to Tell If Someone Truly Loves You - Femi

Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other

person should say it first.

Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His

And their wife's suffering becomes their own suffering as their needs aren't being met by a wife who is powerless to control her inner turmoil.

Author, pastor, and survivor Dawn Scott Jones candidly shares her own abuse experience to help husbands understand the varied emotions, fears, distorted thoughts, and triggers that hold their wives captive. In practical and accessible language, Jones explains the stages of the healing journey (processing denial, asking for help, grieving, expressing anger, learning to forgive, and finding resolution). Building on that knowledge, Jones then moves to an honest discussion of what husbands can do to help. Whether it's creating a healing environment, understanding the need for control, building trust, or even just praying for healing, a husband plays an active role in helping his wife survive and thrive despite her past abuse. Offering hope for a healthy marriage relationship, When a Woman You Love Was Abused

answers the questions men have and offers the advice they need to help their wives finally find peace.
