Private Life Of Chairman Mao Zhisui Li 2010-02-23 For the first time, here is the extraordinary true story of one of the most powerful men, and ruthless dictators, who ever lived. Mao Zedong had control over more people for a longer period than any other leader in history. In this intimate biography we learn not only about the imperial grandeur of his life in a country racked by poverty and the vicious infighting at his court, but also about his extraordinary personal habits that equal those of deceased Korean supreme leader, Kim Jong Il, another infamous and idiosyncratic dictator, equally deified and worshipped by his followers: Mao's teeth turned black because he would only brush them with tea; he hardly ever bathed but then received Krushchev in his swimming pool where he obliged the Soviet President to join him. Li's revealing account also chronicles Mao's voracious sexual appetite that led to the seduction of thousands of peasant women because he believed in the mythical healing power of sex. Zhisui Li spent more time with Mao than perhaps any other person. He witnessed first-hand the catastrophic events that Mao's dotage and paranoia sparked in a country that revered him as a demi-god. The Private Life of Chairman Mao is a landmark biography, as fascinating as it is important to the understanding of modern China, and a must buy for fans of Wild Swans.

Egyptian household, including her marriage at age thirteen. Her subsequent separation from her husband gave her time for an extended formal education, as well as an unexpected taste of independence. Shaarawi's feminist activism grew, along with her involvement in Egypt's nationalist struggle, culminating in 1923 when she publicly removed her veil in a Cairo railroad station, a daring act of defiance. In this fascinating account of a true original feminist, readers are offered a glimpse into a world rarely seen by westerners, and insight into a woman who would not be kept as property or a second-class citizen.

Gaddafi's Harem Annick Cojean 2013-09-03 This international bestseller is a "horrifying inside look at the lives of Libyan women under the Gaddafi regime . . . Powerful and compelling" (Booklist, starred review). Soraya was just fifteen, a schoolgirl in the coastal town of Sirte, when she was given the honor of presenting a bouquet of flowers to Colonel Gaddafi, "the Guide," on a visit he was making to her school the following week. This one meeting—a presentation of flowers, a pat on the head from Gaddafi—changed Soraya's life forever. Soon afterwards, she was summoned to Bab al-Azizia, Gaddafi's palatial compound near Tripoli, where she joined a number of young women who were violently abused, raped, and degraded by Gaddafi. Heart-wrenchingly tragic but ultimately redemptive, Soraya's story is the first one of many that are just now beginning to be heard. But sex and rape remain the highest taboo in Libya, and women like Soraya (whose identity is protected by a pseudonym here) risk being disowned or even killed by their dishonored family members. In *Gaddafi's Harem*, an instant bestseller on publication in France, *Le Monde* special correspondent Annick Cojean gives a voice to Soraya's story, and supplements her investigation into Gaddafi's abuses of power through interviews with people who knew Soraya, as well as with other women who were abused by Gaddafi. "A moving and disturbing wake-up call to the personal costs of totalitarianism." —Publishers Weekly

**Rage Against the Minivan** Kristen Howerton 2020-06-09

“Howerton writes unflinchingly about what it means to be raising children in today’s world and how to liberate ourselves from the myth of perfect motherhood.”—Glennon Doyle, author of *Untamed* and *Love Warrior*, founder of Together Rising In this smart and subversively funny memoir, Kristen Howerton navigates the emotional and sometimes messy waters of motherhood and challenges the idea that there’s a “right” way to raise kids. Recounting her successes, trials, mishaps, and hard-won wisdom, this mother of four advocates for letting go of the expectations, the guilt, and the endless race to be the perfect parent to the perfect child in the perfect family. This book is for ● the parent who loves their kids like crazy but feels like parenting is making them crazy, too ● the parent who said “I will never . . .” and now they have ● the parent who looks like they have it all

together but feels like a hot mess on the inside ● the parent who looks like a hot mess on the outside, too ● the parent who asks Am I good enough? Doing enough? Doing it right? What's wrong with me? What's wrong with these children? Are they eighteen yet? With her signature blend of vulnerability, sarcasm, and insight, Howerton shares her unexpected journey from infertility to adoption to pregnancy to divorce to dealing with the shock and awe of raising teens. As a mom of a multiracial family and as a marriage and family therapist, she tackles the thorny issues parents face today, like hard conversations about racism, disciplining other people's kids, the reality of Dad Privilege, and (never) attaining that elusive work/life balance. *Rage Against the Minivan* is a permission slip to let it go and allow yourself to be a "good enough" parent, focused on raising happy, kind, loving humans.

well-connected. Her charismatic but spoilt grandmother Maureen had made an excellent marriage with the Lord of Dufferin and Avon and was a leader of the fashionable set in her youth. Her mother, the writer Caroline Blackwood, socialised with the most glitteringly bohemian and high-profile figures of New York and London. Caroline had intense love affairs and was married to the painter Lucian Freud and the talented composer Israel Citkowitz before finally settling down with the poet Robert Lowell. However, being born into the Guinness inheritance was not the blessing that it appeared to be. Ivana's life of glamour and high-living has been marked by tragedy and loss. Like her brilliant but troubled mother, she has been plagued by an addiction to alcohol which took root when she was still a self-conscious schoolgirl. Having survived a childhood accident which left her physically scarred and the instability of a frenetic home life, she is also faced with the discovery of a secret which threatens to undermine her entire past. This frank and witty memoir is both vibrant and sad. It is laced with anecdotes and familiar names from the 1940s to the present, but it is ultimately an account of the relationship between mother and daughter, the story of two women whose deep affection for each other withstands everything that life has to throw at them.

"I was born in a harem in 1940 in Fez, Morocco..." So begins Fatima Mernissi in this illuminating narrative of a childhood behind the iron gates of a domestic harem. In *Dreams of Trespass*, Mernissi weaves her own memories with the dreams and memories of the women who surrounded her in the courtyard of her youth -- women who, without access to the world outside, recreated it from sheer imagination. A beautifully written account of a girl confronting the mysteries of time and place, gender and sex, *Dreams of Trespass* illuminates what it was like to be a modern Muslim woman in a place steeped in tradition.

This peek behind the walls of the seraglio will seduce lovers of large-scale historical fiction." - Booklist He had everything a man might dream of; wealth, power and the choice of hundreds of the most beautiful women in his Empire. This is the astonishing story of Suleiman, the one they called the Magnificent, and the woman he loved. Suleiman controlled an empire of thirty million people, encompassing twenty different languages. As a man, he was an enigma; he conquered all who stood against him with one of the world's first full time professional armies - yet he liked to write poetry; he ravaged half of Europe but he rebuilt Istanbul in marble; he had teams of torturers and assassins ready to unleash at a whim - yet history remembers him as a great lawmaker. "Harem" literally means 'Forbidden': Forbidden to men. Once the Sultan was the only man - the only complete man - who could pass through its iron-studded doors. But what was that world really like? For a woman living in the Harem the only way out was to somehow find her way into the Sultan's bed and bear him a son. But the young Sultan was often away at war and when he did return he neglected his harem for just one favourite wife. But one young Russian concubine inside his seraglio was not content to allow fate decide the course of her life. She was clever and she was ruthless. And she had a plan. Into this world are drawn two unforgettable characters; a beautiful young Italian noblewoman, captured by corsairs and brought to the Harem as a concubine; and the eunuch who loved her once, long ago, in Venice. Loved her? He still stopped loving her . From medieval Venice to the slave markets of Algiers, from the mountains of Persia to the forbidden seraglio of the Ottoman's greatest sultan, this is a tale of passion and intrigue in a world where nothing is really as it seems.

*The Blue of Night* Katy Masuga 2020 Floating between the shadows of the Eiffel Tower and the rundown shanties of the American west, Katy Masuga takes us on a gutting ride of love and loss, crafting a new vocabulary for the inescapable bonds of kinship and the wounds that make us. *The Blue of Night* is told with the straightforward ache of a mountain ballad, leavened with the modernist time of Faulkner and Proust. I awoke from the book devastated but clear, lit with courage and hunger, brain tickled, ready to race until my lungs burned. --Lauren Du Graf, award-winning arts critic

brothers and sisters, and nearly a thousand servants. Here, the despotic, but enlightened Shazdeh educated his daughters as well as his sons, preparing them for the political turmoil he feared would arise when he was gone. As a young woman, Sattareh broke with stern Moslem tradition to journey alone across Iran, India, and the Pacific in wartime to reach America, where she became the first Persian to study at the University of Southern California, and earned an advanced degree in social work. Fired by a vision of lifting her people out of backwardness and poverty, she returned to Iran and founded the Tehran School of Social Work. For twenty years, Sattareh, her students, and her graduates waged a heroic war on poverty, disease, and overcrowding that made her famous. Then, soon after the collapse of the Shah's regime, she found herself at Ayatollah Khomeini's headquarters, arrested as a "counter-revolutionary" and facing possible execution. This remarkable recounting of her compelling story and final flight from her homeland opens a dramatic window on Iran's journey through the twentieth century." --cover, 1st ed. hbk.

**Seraglio** Janet Wallach 2003 Transporting readers to the menacing yet majestic world of eighteenth-century Turkey, biographer and Middle East expert Janet Wallach brilliantly re-imagines the life of Aimee Dubucq, cousin of Empress Josephine, in her first novel "Seraglio. At the age of thirteen, when en route from France to her home in Martinique, Aimee Dubucq is kidnapped by Algerian pirates. Blonde and blue-eyed, the genteel young girl is a valuable commodity, and she is soon placed in service in the Seraglio - the Ottoman Sultan's private world - in Topkapi Palace. As Dubucq, renamed Nakshidil ("embroidered on the heart") discovers the erotic secrets that win favor of kings and deftly learns the affairs of the empire, she struggles to retain her former identity, including her Catholic faith. Overtime Nakshidil becomes the intimate of several powerful sultans: wife to one, lover and confidante to another, and adoptive mother to a third.

**Some Girls** Jillian Lauren 2011 At eighteen, Jillian Lauren was an NYU theater school dropout with a tip about an upcoming audition. The 'casting director' told her that a rich businessman in Singapore would pay pretty American girls \$20,000 if they stayed for two weeks to spice up his parties. Soon, Jillian was on a plane to Borneo, where she would spend the next eighteen months in the harem of Prince Jefri Bolkiah, youngest brother of the Sultan of Brunei, leaving behind her gritty East Village apartment for a palace with rugs laced with gold, and trading her band of artist friends for a coterie of backstabbing beauties. More than just a sexy read set in an exotic land, *Some Girls* is also the story of how a rebellious teen found herself-and the courage to meet her birth mother and eventually adopt a baby boy.
