The Narrow Road David W. F. Wong 2018-05-01 Why not go with the flow? Why not take the easy road? Why not keep on one side to be safe? In *The Narrow Road*, the author challenges readers to choose the path he describes as a mountain ridge with ravines on both sides. The way is narrow, difficult and perilous, but it leads to life. "In today's confusing world, we find ourselves torn in different directions: hearing different teachings on all sides and uncertain which to follow; aware of the dangers of extremes but unsure what the middle course might look like. In *The Narrow Road*, David Wong offers sensible and biblically-based guidance, drawing on years of pastoral experience and teaching. There are no quick fixes or 'magic bullets' here, but much truth to reflect on." — Dr Philip Satterthwaite Principal, Biblical Graduate School of Theology (BGST)

Biblical Counseling and the Church Bob Kellemen 2015-11-03 As people face addictions, deal with loss and grief, and seek help in restoring broken relationships, where can they turn for counsel and assistance? The local church has been uniquely blessed with the gift of the gospel and is able to offer hope and counsel that no other institution on earth can. In *Biblical Counseling and the Church*, Bob Kellemen and Kevin Carson have assembled over twenty respected ministry leaders who examine the relationship between counseling and the church. This comprehensive resource, part of the Biblical Counseling Coalition series, helps leaders and counselors develop a vision that goes beyond being a church with a biblical counseling ministry to becoming a church of biblical counseling—a church culture that is saturated by “one-another” ministry. Divided into five parts, *Biblical Counseling and the Church* will help church leaders: Unite the pulpit ministry of preaching the Word with the personal ministry of the Word in counseling Offer practical and theological training to equip counselors Launch and lead a counseling ministry, regardless of the size of your church Bring together the relational focus of small group ministry with the ministry of care and counseling Better understand the relationship between biblical counseling, church discipline, and conflict resolution Learn how to use counseling in outreach through “missional” biblical counseling—moving biblical counseling beyond the doors of the church and into the world

Comfort the Grieving Paul Tautges 2015-01-06 Until the end of time, when the curse of sin is finally removed, suffering will be a large part of the human experience and a large part of that suffering will be walking through the painful reality of death. 'Death,' writes Paul Tautges, 'provides a natural opportunity not only for ministry to others, but also for personal growth in ministers.' Those who shepherd others through the pain and loss that accompanies death should seek to offer wise and biblical counsel on these precious and painful occasions. This book is a treasure chest of pastoral theology that will equip you to reach out to those who grieve with the Christ-centered comfort of God rooted in the gospel. The theological foundation espoused here, as well as the numerous practical helps that are included, will help any servant of the Lord to point the hearts and minds of the bereaved to the 'man of sorrows' who is 'acquainted with grief' (Isaiah 53:3). The Practical Shepherding series of booklets provides pastors and ministry leaders with advice and practical help to do the work of pastoral ministry in a local church. In *Comfort Those Who Grieve*, experienced pastor Paul Tautges offers readers a guide to comforting those dealing with death through the hope of the gospel.

Speaking the Truth in Love in a Post-Truth World Susan Heck 2020-08 In Ephesians 4:11-16, Paul admonishes Christians to "speak the truth in love" to one another, but that is easier said than done. We are reluctant to do so for many reasons, but perhaps the biggest challenge is that we simply don't know how to point out obvious sin in a Christian brother or sister. This booklet answers all of the What, Why, Where, When and How we lovingly address sin in a fellow Christian.

The Dynamic Heart in Daily Life Jeremy Pierre 2016-10-03 Our approach to counseling and personal ministry is often lopsided—we treat people as minds to be taught or problems to be fixed, moving too quickly toward applying biblical solutions without taking the time to love people well and understand their experiences and hurts. The Dynamic Heart in Daily Life provides a comprehensive view of how the heart works and how Christ redeems it. Pierre’s faith-centered understanding of people combines with a Word-centered methodology to give readers a practical way to help others better understand their tough experiences and who they are in light of who Jesus is. Pierre guides

readers through four key activities—reading, reflecting, relating, and renewing—that will consistently position them to understand everyday human experiences in light of Scripture. Pierre exposes the false dichotomy between the spiritual and seemingly unspiritual parts of the human experience, showing how every thought, feeling, and choice actually expresses the spiritual activity of the heart. He shows how faith in Christ is the means by which the heart begins to respond differently. Faith is not only the entry point for heart change, but also an expression of our everyday, ongoing need for Christ. Pierre’s holistic view of counseling—forged by his experiences as a counselor, pastor, and seminary professor—equips readers to understand how everyday beliefs, desires, and commitments shape how we respond to life’s biggest struggles and how an active relationship of trust in God is the foundation for lifelong change.

Suffering and the Heart of God Diane Langberg 2015-09-01 She's seen slave dungeons in Ghana. Genocide in Rwanda. Systemic sexual abuse in Brazil. Child abuse and domestic violence in the US. After forty years of counseling abuse survivors around the world, Dr. Diane Langberg, a world renowned trauma expert, remains certain that what trauma destroys, Christ can and does restore. This book will convince you, too, of the healing heart of God. But it's not a fast process, instead much patience is required from family, friends, and counselors as they wisely and respectfully help victims unpack their traumatic suffering through talking, tears, and time. And it's not a process that can be separated from the work of God in both a counselor and counselee. Dr. Langberg calls all of those who wish to help sufferers to model Jesus's sacrificial love and care in how they listen, love, and guide. The heart of God is revealed to sufferers as they grow to understand the cross of Christ and how their God came to this earth and experienced such severe suffering that he too is "well-acquainted with grief." The cross of Christ is the lens that transforms and redeems traumatic

suffering and its aftermath, not only for the sufferer, but it also transforms those who walk with the suffering. There is no quick fix, but there is the hope for healing through the love of God in Christ.

The Gospel for Disordered Lives Robert D. Jones 2021-10-01 The gospel of Jesus Christ—the heartbeat of the Bible—brings life-changing hope and power to real people with real problems. Gospel Conversations Robert W. Kellemen 2015-09-01 How does a person learn to counsel others with the truth of God's Word? Bob Kellemen believes that the best way to learn counseling is by doing it—by giving and receiving biblical counseling in the context of real, raw Christian community. *Gospel Conversations* explores the four compass-points of biblical counseling: Sustaining: "It's Normal to Hurt." Healing: "It's Possible to Hope." Reconciling: "It's Horrible to Sin, but Wonderful to Be Forgiven." Guiding: "It's Supernatural to Mature." These four compass points combine to equip readers to develop twenty-two ministry relational competencies—the "how to" of caring like Christ. This book serves as a practical training manual that can be used for lab and small group interaction. *Gospel Conversations* is the second volume in *The Equipping Biblical Counselors Series*, a comprehensive relational training curriculum for the local church that provides a model for equipping God's people to change lives with Christ's changeless truth. Pursuit of Peace Betsy Caram 2018-06-08 We are living in a time of increasing confusion and turmoil. People in the world are full of insecurity; they are troubled, lonely, and full of self-doubt. In the midst of such uncertainty, peace is a sacred treasure. Yet the sad truth is that many people, and this includes many Christians, have never enjoyed the blessings of true peace. Peace seems illusive and out of reach, and very difficult to maintain in our daily lives. God's Word, however, encourages those who belong to Him to diligently "seek peace and pursue it" (Ps 34:14). This divine directive is meant to stir us up. If we truly desire to live a victorious Christian life, we cannot just be satisfied with wishing or yearning for peace. Instead, we must enthusiastically pursue it, and when we find it, we must grab hold of it and not let it go. For all who seek an inner calm from the fears and frustrations of life, it is our prayer that this book will help you in your personal pursuit of peace. Through Jesus Christ, we have been promised "abundant life" (Jn. 10:10). Still, many Christians cling to the wrong belief that abundant life is only possible when we reach heaven. However, there are

keys in God’s precious Word—that when unlocked and received within our spirit—will bring us to that place of peace we are longing for in this life. These keys, which are established for us in “The Pursuit of Peace,” will enable us to “Win the War Within” as we conquer our insecurities through the wonderful, life-changing Word of God!

Mental Health and Your Church Helen Thorne 2023-03-01 Helping you and the whole church family understand, nurture and support those with mental-health conditions. Many people are struggling with mental-health conditions, exacerbated by the COVID-19 pandemic and life in our image-conscious culture. Statistics tell us that, worldwide, one in six of us will have experienced a mental-health struggle in the past week, and serious depression is the second-leading cause of disability (Mental Health Foundation). That means there are brothers and sisters in our church families battling with thoughts, feelings, impulses, and even voices that distract, drag down, and nudge them towards despair. But when it comes to helping, it can be tricky to know where to begin, especially if we have very little knowledge of mental illnesses and are afraid of making things worse by saying and doing the wrong things. This wise, compassionate, and practical book is written by Steve Midgley, psychiatrist and Executive Director of Biblical Counselling UK, and Helen Thorne, Director of Training and Resources at Biblical Counselling UK. It will help readers understand and respond with biblical wisdom to people who are struggling with their mental health. While acknowledging the importance of liaising responsibly with medics and counsellors, this book focuses on equipping readers to play their part in making churches places where those who struggle with mental-health conditions are welcomed, understood, nurtured, and supported: a foretaste of the new creation. This is a useful book for anyone who cares for others pastorally: pastors, elders, small-group leaders, and congregation members.

PAUL'S LETTER TO THE EPHESIANS Edward D. Andrews 2023-10-20 In an age where the essence and boundaries of the Church are questioned, "PAUL'S LETTER TO THE EPHESIANS: CPH New Testament Commentary" offers an incisive, historically grounded exposition on one of the New Testament's most transformative letters. The Apostle Paul wrote to the Ephesian church with a desire to elaborate on the grand scheme of God's eternal plan. Through the lens of this epistle, this volume unravels complex themes, offering clarity and deep insights, that fortify the reader's understanding of both the Christian faith and the institution of the Church. Indispensable Background and Context The work opens with an enlightening introduction, followed by an outline, setting the stage for the subsequent exegetical journey. It provides crucial historical, sociopolitical, and theological background, contextualizing the situations that the Ephesian Christians faced and how Paul's words aimed to guide them. Rich Exegetical Treatment Adhering to a literal translation philosophy and employing the objective Historical-Grammatical method, the commentary carefully dissects each chapter of Ephesians. You will discover how Paul likens the Church to a Body, a Temple, a Mystery, a New Creation, and even to roles within a household and a soldier in battle. Each likeness serves as an intricate facet, revealing the multifaceted institution that God envisioned the Church to be. Addressing Difficult Texts Each chapter concludes with a "Bible Difficulties" section, where commonly misunderstood or misinterpreted texts are put under the microscope. Employing rigorous conservative scholarship, the commentary dispels doubts and misconceptions,

reinforcing the inerrancy of Scripture. Apologetic Undertone Beyond mere exposition, this book has a robust apologetic undertone. It serves as a defense of the Christian faith, addressing contemporary issues and challenges through the lens of Paul's teachings. It unequivocally establishes that there is no universal salvation and that the concept of "once saved always saved" is unscriptural. It also emphasizes that while we live in an age of grace, obedience to Christ remains paramount. Who This Book is For Scholars, seminary students, pastors, and committed laypersons will find this volume an invaluable resource. It serves as a comprehensive guide for sermon preparation, academic study, and for anyone eager to dive deep into understanding God's purpose for the Church as laid out in Paul's Letter to the Ephesians. Comprehensive Concluding with a meticulous bibliography, the book is exhaustive but not exhausting, making it accessible for readers at a 10th to 11th-grade reading level. It employs simplified terminology, concrete examples, and visual aids to ensure that even complex theological concepts are easily grasped. In a world filled with spiritual confusion and doctrinal dilution, "PAUL'S LETTER TO THE EPHESIANS: CPH New Testament Commentary" stands as a beacon, guiding the reader back to the immutable truths of God's Word. It is not just a book to be read but a treasure to be explored.

Scripture and Counseling Bob Kellemen 2014-10-07 What role does Scripture play in counseling? Today, we face a weakening of confidence in the Bible. This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend. We need to regain our confidence in God's living Word as sufficient to address the real-life issues we face today. Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life. Divided into two sections, Part One develops a robust biblical view of Scripture's sufficiency for "life and godliness" leading to increased

confidence in God's Word. Part Two teaches how to use Scripture in the counseling process. This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others. Part of the Biblical Counseling Coalition series, Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient, necessary, and relevant to equip God's people to address the complex issues of life in a broken world. It blends theological wisdom with practical expertise and is accessible to pastors, church leaders, counseling practitioners, and students, equipping them to minister the truth and power of God's word in the context of biblical counseling, soul care, spiritual direction, pastoral care, and small group facilitation.

enjoy reading. Most of us agree with these statements. At least in theory. But what's our reality? Sometimes reading the Bible is a delight. But if we're honest, many times reading the Bible feels like hard work and we read out of a sense of obligation. Some of us have given up entirely. Tim Chester reminds us that every time we read the Bible we hear the voice of God. The One who spoke and brought the universe into existence, whose voice thundered from Mount Sinai, and whose words healed the sick is who speaks to us today. So as we read the Bible we don't merely learn information about God—we hear his voice and encounter his presence. Including a study guide for group use, this book helps us approach reading the Bible with an eager anticipation, expecting to hear God's voice and meet him in his Word.
