Howard Fast 2011-12-27

From the New York Times–bestselling author of *The Immigrant*: The conclusion to the Lavette family saga is “addictive as candy” and “genuinely touching” (Publishers Weekly). In the sixth and final installment of the *Immigrants* saga, Fast revisits the charismatic Barbara Lavette. In this emotional farewell, Barbara, the rock and matriarch of her family, marries a Unitarian priest, and together they travel the world. Though Fast wrote over eighty books, including *Spartacus*, *April Morning*, and *Freedom Road*, his *Immigrants* saga remains some of his most personal and moving work. This ebook features an illustrated biography of Howard Fast including rare photos from the author’s estate.

Single in the City - Sunny Singh 2000

This book is a chance to swap stories, develop a single women's network, voice their concerns and hone their survival skills. Sunny Singh draws on her own experience as well as that of other single women all over the country—the never-married, the divorced and the widowed—to put together a witty and insightful book that is as much a guide for single women as it is a commentary on modern, urban society in present-day India. The stories related here with frankness and humour cover a range of subjects such as: power, promotions and passion at the workplace how to ensure safety in the house and on the road identifying sexual harassment and fighting it how to make money work single motherhood being single among couples romance, its

joys and sorrows Sunny Singh's debut novel, Nani's Book of Suicides, was hailed as a book of 'rare scope and power'. Single in the City: The Independent Woman's Handbook, an unusual and path-breaking book which explores the meaning of being a single woman, illustrates once again her special talent and versatility. An illuminating read to empower yourself and celebrate the joys of living alone.

Independent Woman - 1946

The Independent Woman - Simone De Beauvoir
2018-11-06

Talking To An Independent Woman

“Like man, woman is a human being.” When *The Second Sex* was first published in Paris in 1949—groundbreaking, risqué, brilliantly written and strikingly modern—it provoked both outrage and inspiration.

The Independent Woman contains three key chapters of Beauvoir’s masterwork, which illuminate the feminine condition and identify practical social reforms for gender equality. It captures the essence of the spirited manifesto that switched on light bulbs in the heads of a generation of women and continues to exert profound influence on feminists today.

An Independent Woman - Kit Meredith 2023-09-12

A romance for everyone who has made difficult decisions on the road to their chosen family. Rebecca Miller’s life is exactly how she wants it. She loves her polyamorous chosen family and her rewarding job as a carer for adults with learning disabilities. Then the Jennings sisters arrive and test her boundaries, turning her carefully balanced life upside

down. Alex Jennings’s move to the middle of nowhere is temporary. Her sister Phoebe has been placed in a care home instead of living independently like she’d prefer, but Alex is determined she’ll be allowed to live life on her own terms. Alex and Rebecca should be on the same page but keep clashing over what is best for Phoebe.

Their attraction won’t stop smoldering, despite their reluctance to act on it and incompatible poly relationship styles. They can barely trust each other enough to do the right thing as far as Phoebe is concerned, so figuring out a way forward together is out of the question.

Memoir of an Independent Woman - Tania Grossinger 2013-06-01

“The female incarnation of Forrest Gump...her life reads like a trip back through the defining personalities and events of the 20th century.”—Shoreline Times
After coming of age at the legendary Grossinger’s resort hotel in the Catskills, Tania Grossinger defied the

conventions of an era. When women were routinely consigned to focusing exclusively on husband and family, she chose her own path, and broke ground for the generations that came after her. She started in public relations for The \$64,000 Question, the TV show that was the focus of the infamous “quiz show scandals”; she was the publicist for Betty Friedan’s groundbreaking bestseller, *The Feminine Mystique*; and, for seven years, served as the director of broadcast promotion for *Playboy Magazine* and the *Playboy Club*. And that was only the beginning. After escaping a brief her marriage, she embarked on the next chapter of her life. Along the way she crossed paths with such iconic figures as Ayn Rand, Jackie Robinson, Joan Rivers, Timothy Leary, and Johnny Carson. Tania would also become embroiled in a real-life mystery: the unsolved disappearance of Claudia Kirschhoch, a fellow travel writer who vanished without a

trace from their beachside hotel on the western tip of Jamaica. Of her first memoir, *Growing Up at Grossinger’s*, the *Jewish Daily Forward* said Tania’s “childhood was...Like a version of Kay Thomson's Plaza Hotel-dwelling *Eloise* by way of 'Dirty Dancing.'” Now, written as an open letter to an imaginary daughter, Tania reflects on growing beyond—in a smart, funny, and revealing account of ignoring expectations and becoming a truly independent woman.

Millennials Talking Media -

Sylvia Sierra 2021-10-05

"Friends don't let friends skip leg day." "You shall not pass!" "I'll be back." The way we read these lines-whether or not you picture Gandalf, hear the deep monotone of the Terminator, or

smilemakes it clear that media consumption affects our everyday lives, language, and how we identify as part of a group. *Millennials Talking Media* examines how U.S. Millennial friends embed both old media (books, songs, movies, and TV shows) and new media (YouTube videos, videogames, and internet memes) in their everyday talk for particular interactional purposes. Sylvia Sierra presents case studies featuring the recorded talk of Millennial friends to demonstrate how and why these speakers make media references and use them to handle awkward moments and other interactional dilemmas. Sierra's analysis shows how such references contribute to epistemic management and frame shifts in conversation, which ultimately work together to construct a shared sense of Millennial identity. Building on contemporary work in media studies, Sierra weaves together the most current linguistic theories regarding knowledge, framing, and identity to create
