Living Blues - 2004

Talkin' to Myself - Michael Taft 2013-10-08

Talkin' to Myself: Blues Lyrics, 1921-1942 is a compendium of lyrics by the great blues recording artists of the classic blues era. It includes over 2000 songs, transcribed directly from the original recordings, making it by far the most comprehensive and accurate collection of blues lyrics available.

Gramophone Popular Catalogue - 1987-06

I Ain't Studdin' Ya - Bobby Rush 2021-06-22

Experience music history with this memoir by one of the last of the genuine old school Blues and R&B legends, the Grammy-winning dynamic showman Bobby Rush. This memoir charts the extraordinary rise to fame of living blues legend, Bobby Rush. Born Emmett Ellis, Jr. in Homer, Louisiana, he adopted the stage name Bobby Rush out of respect for his father, a pastor. As a teenager, Rush acquired his first real guitar and started playing in juke joints in Little Rock, Arkansas, donning a fake mustache to trick club owners into thinking he was old enough to gain entry. He led his first band in Arkansas between Little Rock and Pine Bluff in the 1950s. It was there he first had Elmore James play in his band. Rush later relocated to Chicago to pursue his musical career and started to work with Earl Hooker, Luther Allison, and Freddie King, and sat in with many of his musical heroes, such as Howlin' Wolf, Muddy Waters, Jimmy Reed and Little Walter. Rush eventually began leading his own band in the 1960s, crafting his own distinct style of funky blues, and recording a succession of singles for various labels. It wasn't until the early 1970s that Rush finally scored a hit with "Chicken Heads." More recordings followed, including an album which went on to be listed in the Top 10 blues albums of the 1970s by Rolling Stone and a handful of regional jukebox favorites including "Sue" and "I Ain't Studdin' Ya." And Rush's career shows no signs of slowing down now. The man once beloved for performing in local jukejoints is now headlining major music/blues festivals, clubs, and theaters across the U.S. and as far as Japan and Australia. At age eighty-six, he is still on the road for over 200 days a year. His lifelong hectic tour schedule has earned him the affectionate title "King of the Chitlin' Circuit," from Rolling Stone. In 2007, he earned the distinction of being the first blues artist to play at the Great Wall of China. His renowned stage act features his famed shake dancers, who personify his funky blues and his ribald sense of humor. He was featured in Martin Scorsese's The Blues docuseries on PBS, a documentary film called Take Me to the River, performed with Dan Aykroyd on The Tonight Show Starring Jimmy Fallon, and most

recently had a cameo in the Golden Globe nominated Netflix film, Dolemite Is My Name, starring Eddie Murphy. He was recently given the highest Blues Music Award honor of B.B. King Entertainer of the Year. His songs have also been featured in TV shows and films including HBO's Ballers and major motion pictures like Black Snake Moan, starring Samuel L. Jackson. Considered by many to be the greatest bluesman currently performing, this book will give readers unparalleled access into the man, the myth, the legend: Bobby Rush.

Mississippi John Hurt - Philip R. Ratcliffe 2011-06-06

Winner, Best History, 2012 Association for Recorded Sound Collections Award for Excellence in Historical Recorded Sound Research When Mississippi John Hurt (1892-1966) was "rediscovered" by blues revivalists in 1963, his musicianship and recordings transformed popular notions of prewar country blues. At seventy-one he moved to Washington, D.C., from Avalon, Mississippi, and became a live-wire connection to a powerful, authentic past. His intricate and lively style made him the most sought after musician among the many talents the revival brought to light. Mississippi John Hurt provides this legendary creator's life story for the first time. Biographer Philip Ratcliffe traces Hurt's roots to the moment his mother Mary Jane McCain and his father Isom Hurt were freed from slavery. Anecdotes from Hurt's childhood and teenage years include the destiny-making moment when his mother purchased his first guitar for \$1.50 when he was only nine years old. Stories from his neighbors and friends, from both of his wives, and from his extended family round out the community picture of Avalon. US census records, Hurt's first marriage record in 1916, images of his first autographed LP record, and excerpts from personal letters written in his own hand provide treasures for fans. Ratcliffe details Hurt's musical influences and the origins of his style and repertoire. The author also relates numerous stories from the time of his success, drawing on published sources and many hours of interviews with people who knew Hurt well, including the late Jerry Ricks, Pat Sky, Stefan Grossman and Max Ochs, Dick Spottswood, and the late Mike Stewart. In addition, some of the last photographs taken of the legendary musician are featured for the first time in Mississippi John Hurt .

Woman with Guitar - Paul Garon 2021-02-24

Universally recognized as one of the greatest blues artists, Memphis Minnie (1897-1973) wrote and recorded hundreds of songs. Blues people as diverse as Muddy Waters, Johnny Shines, Big Mama Thornton, and Chuck Berry have acknowledged her as a major influence. At a time when most female vocalists sang Tin Pan Alley material, Minnie wrote her own lyrics and accompanied her singing with virtuoso guitar playing. Thanks to her merciless imagination and dark humor, her songs rank among the most vigorous and challenging popular poetry in any language. Woman with Guitar is the first full-length study of the life and work of this extraordinary free spirit, focusing on the lively interplay

between Minnie's evolving artistry and the African American community in which she lived and worked. Drawing on folklore, psychoanalysis, critical theory, women's studies, and surrealism, the authors' explorations of Minnie's songs illuminate the poetics of popular culture as well as the largely hidden history of working-class women's self-emancipation. This revised and expanded edition includes a wealth of new biographical material, including photographs, record contracts, sheet music, and period advertisements, which further vivify this portrait of an African American musical legend. Complete, updated discography included. "Woman with Guitar is a fascinating, thorough and extremely valuable biography of one of American musical history's most vibrant and pioneering artists. As the first woman singer/songwriter/ guitarist to ever reach stardom, the story of her life in music, on and off the stage, during one of the most important and formative periods of the origins of popular music, is an indelible, crucial window into that history."—Bonnie Raitt "Woman with Guitar has been, since it was first published in 1992 and now with this new revised and extended edition, still the only real definitive biography of Memphis Minnie, the most important female singer, songwriter and guitarist in the history of Delta blues."—Lucinda Williams "As a most ardent and devoted lifelong fan of Memphis Minnie and her music, I avidly devoured the original Woman with Guitar when it first came out in 1992. Now I am excited to be reading this new edition, and so grateful for its additional rare photos and carefully researched details, which shed even more light on this seminal, iconic, almost mythical musical pioneer, who was way ahead of her time, and whose soulful music and life so deeply inspired and influenced so many! A must read — whether you are already a Memphis Minnie fan, or just discovering her for the first time!" — Maria Muldaur "An excellent book."—Bill Wyman "Woman with Guitar is not simply a carefully researched biography of Memphis Minnie, compiled from the memories of her relatives, friends, and fellow performers; it is a vivid portrait of a talented singer and guitarist . . . The authors have added a new dimension to blues scholarship."—Paul Oliver, author of *Blues Off the Record* "Woman with Guitar is a delight. The book is both thorough and brilliant, a rare combination these days. . . . A fanatic interest in Minnie underpins and energizes this wonderful biography."—David Roediger, author of *The Wages of Whiteness* Paul Garon is a co-founder of *Living Blues* magazine and author of *The Devil's Son-in-Law* and *Blues and the Poetic Spirit*. Beth Garon is a painter and collagist. The Garons operate a rare-book business in Chicago, Illinois, and have been associated with the US surrealist movement for many years.

The Camp of Gods Tears - Marilyn Lee 2011-10

A highly evolved civilization, almost unknown to history, thrived in North America for centuries long before the coming of Europeans. The Camp of God's Tears is a tragic tale about this civilization as it ended. This story is grounded in fact according to archeological, genetic, and linguistic data as reflected in the *Afterward* which presents supportive information and a bibliography of nearly 400 sources. This saga is told as a narrative by Gray Wolf who begins his story during his late adolescence and follows through six generations until he becomes a great-grandfather. The Camp of God's Tears reveals the high level of sophistication of this culture which was far more advanced than many cultures of the same time period, circa 300 AD. More importantly, it articulates the depth of their spirituality and moral codes by which these people lived. While the mysterious ending of a great culture is heart-rendering, the story ends on a note of hope for contemporary times. The story came to me in a dream. It was told to me by Falling Star. She answered a myriad of questions I asked. She showed me the locations of where the events in the story took place. She showed me her People who wore exotic clothes made of finely woven textiles decorated with pearls, copper and other artistic ornaments. She showed me strongly built homes, their villages, and their expansive farms. I saw their social organization was powerful yet simple, a few shaman, elders, and no real leaders. She intrigued me with their immense earthworks which demonstrate accurate astronomical alignments to the Sun, Moon, stars, and galaxies. The organization of labor, engineering skills, mathematical and astronomical knowledge required to build these phenomenal earthworks amazes modern researchers. I asked Falling Star why she showed me all of this. She said her People wanted their story told and asked me if I would tell it. Of course, I said, and then I asked her why. She said her People were so deeply spiritual, so in tune and in touch with the Creator that they actively lived the principles of Oneness. Their ways demonstrated what being one and at one with the One . . . looked like in real life. She said the people of my time need to know these principles and to learn to live them, because humankind is struggling to regain balance in a troubled

world.

Deadly Woman Blues - Clinton Walker 2018

Deadly Woman Blues, stunning, original and brimming with life, is the first of its kind. Part art book, part comic book, part biography and fully deadly, it is a unique graphic history of the black women who made Australian music. In this album of portraits, the long-awaited follow-on from Clinton Walker's classic *Buried Country*, more than one hundred amazing artists are reborn. Starring Georgia Lee, Nellie Small, Candy Devine, Wilma Reading, Sibby Doolan, Ruby Hunter, Marlene Cummins, Tiddas, Carole Fraser, Christine Anu, Jessica Mauboy, Emma Donovan, Shellie Morris, Leah Flanagan, Crystal Mercy and many, many more singers and musicians, *Deadly Woman Blues* is a story full of tears and joy, always beautiful and heroic.

Woman With Guitar - Paul Garon 1992-03-22

A vivid portrait of one of the blues' most influential female artists, and the popular poetry of her lyrics.

To Hell & Back & Beating the Odds and Wild Woman Blues - Elizabeth Staples 2009-12

Wild Woman Blues reveals the God within. This is a heart warming story about a female getting over fear, shame, stress, depression, learning to forgive herself and people that hurt her or tried too over and over. Don't get stuck in the same old rut there's so much more to life! God has new frontiers for you to explore and higher mountains to climb. In the story of *Wild Woman Blues* you will feel the growth and glory of God and just how powerful he is! Without a doubt you will understand good things can happen to anyone! In the book *To Hell Back Beating The Odds*, Patrice Dean has shared some of her most innermost emotions. This book will inspire and hopefully change someones life. Those with addictions, sexual or mental abuse, the world of pimps and prostitutes and a host of other negative actions in ones life

Greatest hits, 1980-2000 - Marie Cartier 2001

The New York Times Magazine - 2001

Any Woman's Blues - Erica Jong 1990

A story of emotional addiction and co-dependency. This story will speak to every woman and man of the nineties.

Debt and Redemption in the Blues - Julia Simon 2023-03-16

This volume explores concepts of freedom and bondage in the blues and argues that this genre of music explicitly calls for a reckoning while expressing faith in a secular justice to come. Placing blues music within its historical context of the post-Reconstruction South, Jim Crow America, and the civil rights era, Julia Simon finds a deep symbolism in the lyrical representations of romantic and sexual betrayal. The blues calls out and indicts the tangled web of deceit and entrapment constraining the physical, socioeconomic, and political movement of African Americans. Surveying blues music from the 1920s to the early twenty-first century, Simon's analyses focus on economic relations, such as sharecropping, house contract sales, debt peonage, criminal surety, and convict lease. She demonstrates how the music reflects this exploitative economic history and how it is shaped by commodification under racialized capitalism. As Simon assesses the lyrics, technique, and styles of a wide range of blues musicians, including Bessie Smith, Blind Lemon Jefferson, Big Bill Broonzy, Muddy Waters, B. B. King, Albert Collins, and Kirk Fletcher, she argues forcefully that the call for racial justice is at the heart of the blues. A highly sophisticated interpretation of the blues tradition steeped in musicology, social history, and critical-cultural hermeneutics, *Debt and Redemption* not only clarifies blues as an aesthetic tradition but, more importantly, proves that it advances a theory of social and economic development and change.

Blues Unlimited - 1979

Black Women's Blues - Rita B. Dandridge 1992

The Blues Route - Hugh Merrill 2012-01-01

Journalist Hugh Merrill takes us on a sweeping road trip in search of the distinctly American music known as the blues. Tracing blues culture from its beginning in rural Mississippi up through the Delta to Chicago and beyond, Merrill visits with legendary musicians such as Son Thomas,

Koko Taylor, Son Seals, Valerie Wellington and Magic Slim. In fascinating interviews, Merrill uncovers wonderful stories about Robert Johnson, Big Bill Broonzy, Willie Dixon, Muddy Waters, Jelly Roll Morton, Bessie Smith, Ida Cox and Ma Rainey. The trip dips into New Orleans as Merrill explores how the blues exploded in clubs and cribs, influencing dixieland, jazz and zydeco. A trip out west presents a lovely tour of the cocktail lounges of Oakland and Los Angeles and the guardians of the blues who live there. The Blues Route is an engrossing narrative, a book that celebrates not only the music but the continuing search for sympathy, understanding and affinity that the blues embodies.

Barrelhouse Words - Stephen Calt 2010-10-01

This fascinating compendium explains the most unusual, obscure, and curious words and expressions from vintage blues music. Utilizing both documentary evidence and invaluable interviews with a number of now-deceased musicians from the 1920s and '30s, blues scholar Stephen Calt unravels the nuances of more than twelve hundred idioms and proper or place names found on oft-overlooked "race records" recorded between 1923 and 1949. From "aggravatin' papa" to "yas-yas-yas" and everything in between, this truly unique, racy, and compelling resource decodes a neglected speech for general readers and researchers alike, offering invaluable information about black language and American slang.
