Strengthening Forensic Science in the United States National Research Council 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Filthy Professor Bianca Cole 2019-07-03 I know the number one rule as a professor-never get involved with a student. It had never been a problem sticking to the rules, until the fated first day of the semester when Sasha Harman walks into the lecture hall of my British Literature class. She captures my attention like no other woman ever has. She is beautiful, sexy and intelligent. I try to fight it, perhaps not hard enough, but I try. But, once I taste of her, I know I can't stop. Then she tells me she's a virgin and I know there is no way in hell I'm letting her go. I'm going to claim my student and make her mine, and nothing can stop me. *Filthy Professor* is a steamy and hot forbidden romance between professor and student. It has hot scenes and bad language and is only intended for readers aged 18+. *Filthy Professor* is a safe standalone with no cliffhanger, no cheating, and a guaranteed HEA.

Fixed Mix Seeks Same Christine Ecklund 2004 Personal ads: Who can resist reading them-even if you're "attached"? Dogs: Who doesn't love them (okay, besides cats and mail carriers)? Personal ads for dogs: The most inspired combination since peanut butter and jelly! *Fixed Mix Seeks Same: The First Book of Dog Personal Ads* is a one-of-a-kind collection of hilarious canine snapshots and personal ads that will leave readers howling. What better treasure or gift for the dog lover, a friend who's making the singles rounds, or anyone who finds witty writing irresistible? Some ads are silly, others sly, and a few a tad naughty. The pooch portraits are grounded in reality, with a satiric or absurd twist-just like the most intriguing people personals. Consider the terrier in a bikini whose ad reads: "Moondoggie Where Are You? Sun-worshiping beach babe seeks Big Kahuna who loves to soak up the rays and knows when it's time to roll over. Sunsets, bonfires, gnarly waves, and corn dogs float my boat. Man thongs, hairy backs, and muscle heads move on. Let's duck under the beach umbrella and dig our own love castle. No sk8ers please-get a life." A hysterically entertaining look at man's best (date-minded) friend.

The Jinni Key Bethany Atazadeh 2019-12-03 She holds the key to his heart, and he wants it back. When Arie reveals her Gift, she thinks the worst is over. But she couldn't be more wrong. The only one who can save her now is a mermaid named Rena. Rena is the youngest daughter of the Sea King, and she's dreamed of the surface for years. But her first visit on her 16th birthday isn't what she expects. She watches a Jinni fall from the sky—and chooses to save him, despite her mother's warnings that all Jinn are evil. Once she meets Gideon, she can't get him out of her mind. And maybe, with a little help from Arie and some magic of her own, she doesn't have to... The Jinni Key is a loose "Little Mermaid" retelling. Set in a world that humans share with mermaids, dragons, and the elusive Jinn, this is not the fairytale you remember... If you enjoy fantasy worlds, magical races, and surprising spins on classic fairy tales, then you'll love this enchanting retelling of The Little Mermaid. WHAT READERS ARE SAYING: "There was very little that I predicted, when there was a moment of loss I truly felt it, and I loved the unique spins she placed on the well-known THE LITTLE MERMAID tale." Rachael Martin (Goodreads Reviewer) "I went into this story super excited to find out more about Rena and Arie, and I was left unable to wait for the next book! I seriously read this book in one sitting (which left everything aching, but so worth it!). I absolutely loved The Stolen Kingdom, and book two did not disappoint. The Jinni Key's world-building was actually one of my favorites, so complex and detailed and very fun." Sarah Sutton (Goodreads Reviewer) "I couldn't even put the book down because I had to know what happened... These are the kind of retellings that I love because while the base story is weaved in there lightly the story doesn't rely on The Little Mermaid. It goes so far past that and you are invested in everything that is happening..." Katelyn Spedden (Goodreads Reviewer) "There is so much action going on in this book and as the story moved on, the stakes kept getting higher and higher - I couldn't put it down (read it in a few hours) and I can't wait to read the next book in the series!" Elira Barnes (Goodreads Reviewer) "This was an amazing second book! All of Bethany's hard work paid off ten fold! I loved how all the relationships developed and all the animal moments. I especially love Rena and her quirky personality. She makes an amazing POV character." Andrea Roberts (Goodreads Reviewer) "Once again, Bethany Atazadeh takes some risks with this Little Mermaid retelling and mixes in a lot of original story and world elements, along with engaging characters to make it an intriguing and magical read that I was sad to see end." Janine (Goodreads Reviewer) "I loved finding out what happens next. I'm excited and am definitely going to read the third book. Captivating story." Kaylee White (Goodreads Reviewer) THE STOLEN KINGDOM SERIES READING ORDER: Book 1: The Stolen Kingdom: An Aladdin retelling Book 2: The Jinni Key: A Little Mermaid retelling Book 3: The Cursed Hunter: A Beauty and the Beast retelling Book 4: The Enchanted Crown: A Sleeping Beauty retelling THE QUEEN'S RISE SERIES (a connected trilogy in The Stolen Kingdom Universe) Book 1: The Secret Gift Book 2: The Secret Shadow Book 3: The Secret Curse
