*Gender and Werewolf Cinema* Jason Barr 2020-04-23 It all begins with a howl, the unsettling sound which tells audiences that someone will soon become a werewolf. But the changes that occur during that transformation aren't just physical; they are psychological as well. Unremarkable men become domineering leaders. Innocuous men become violent and overtly sexual. In films from *The Wolf Man* and *An American Werewolf in London* to *Ginger Snaps*, when the protagonists become werewolves, their perceptions of their gender and their masculinity or femininity change dramatically. This volume explores how werewolves in cinema have provided an avenue for frank and often enlightening conversations about gender roles and masculinity. Werewolves are indeed a harbinger of change, but the genre of werewolf cinema itself has changed over time in how different styles of masculinity and different gender identities are portrayed.

So when a snooping Outsider comes to Grundy to investigate rumors of lycanthropic shenanigans in the area, the valley's pack alpha, Maggie Graham, resolves to chase him away, even if doing so takes a quick bite on the butt. What a pity that researcher Nick Thatcher turns out to be so drool-worthy, and that his kisses make Maggie want to sit up and beg. Maggie just can't seem to convince Nick to leave . . . and even worse, she can't convince herself to stay away from him. Cross-species dating is problem enough for a harried alpha female, but on top of that, a rival group of werewolves is trying to move into the valley. With interpack war threatening, Maggie can't afford to be distracted. Combining romance and a career can be tough for anyone; for a werewolf in love with a human, it may be disastrous. . . .

**Scent Of A Werewolf (Gay Werewolf Romance)** Crystal Summers A New Gay Werewolf Romance Story That'll Set You On Fire! Justin has just started his second year of law school and he's already sick and tired of it. To make things worse, he's just broken up with his first boyfriend, Asher. Nothing seems to be going right for him until he meets Nathan, a tall, handsome, surfer type in a lecture. They become fast friends but Nathan appears to be straight. Justin suspects something is up but Nathan's sexuality might not be the only thing that he's hiding... Estimated Length: 4,300 words Warning: Contains gay sex between a man and a wolf shapeshifter. Adults only. Excerpt: Nothing could possibly have prepared him for what he saw next. Lying face down, occupying almost the entire bathtub was an enormous creature, someone...something that looked like a cross between a human being and an animal. Justin was frightened, even slightly fearful for his own safety but he instinctively realised that it was Nathan in the bathtub. "Nathan, is that you?" he asked, his voice quivering. A tired groan came from the bathtub. Throwing all caution to the wind, Justin walked over tentatively towards the creature. Inside, he was a bundle of nerves but he had to make sure Nathan was OK. Kneeling by the bathtub, he placed a hand on the hirsute back. It barely stirred. Justin's thoughts went back to his childhood, when his father would tell him horror stories about werewolves and vampires. Was Nathan a lycanthrope? A loud growl snapped him from his thoughts as the creature sprang to life, the powerful force of its actions startling Justin so much he fell backwards onto the floor. As it stood erect in the tub, Justin could finally see just how large it was. It definitely looked like a werewolf, or at least it resembled what Justin had always imagined what a werewolf would look like. It was about the height of a tall man but the body was freakishly muscular. Steroid muscular. Even with all the hair covering the body, Justin could notice just how sinewy the creature was. "Aaaargggh," it shouted out, turning its head to look at Justin, "told...told you to go away." It was definitely Nathan, even though his voice had been completely distorted. He buried his oversized, hand-like paws in his face, muffling a pained howl. "I...I won't be able to control myself," he grunted, "you've got to leave immediately." Down on the floor, Justin was tongue-tied. He had absolutely no idea how to react, at once frightened and repulsed by what he was seeing and yet, at the same time, filled with concern for the person inside the creature.

**The Wolf's Breeding Lair - Werewolf Monster Reluctant Sex Slave Erotica** Francis Ashe Leoda is a nice girl. The nicest in the village, in fact, and she's preparing for a life behind the walls of a monastery when she's given terrible news: she's not going to any monastery. Instead, she's been chosen by the village elder to be given as a sacrifice to Mordan, the great beast who haunts the forest. An ancient monster, held by the curse of the moon, Mordan the Wolf lurks the woods and demands the once-per-decade sacrifice of the purest, most beautiful maiden the village has to offer. Stepping out into the forest on an icy winter morning, Leoda fears for her safety, for her dignity and for her life. But, what she doesn't know is that it isn't her life that Mordan wants - it's her body. Warning: This 13500 word sizzling erotic romance features unchained lust, a captive breeding fantasy, a breathless virgin, sexual awakening, explicit and intense reluctant seduction, love that seems otherworldly, and a finish that will be with Leoda the rest of her days. Excerpt: "Are you going to hurt me?" "Yes, probably," he snapped at the air. "Mmm, I smell you again. I smell your lust for me. You want me, don't you, human? You want to be enraptured beneath me, you want me to take you with the force only a creature such as my...myself can muster, don't you? That's what you want, isn't it?" I began to weep and beg him to leave me, to go back to whatever hell from whence he came, but the beast only lowered himself to his haunches, and put his face so that I felt his breath on my throat, and the wiry fur hanging off his chest brushed against my thighs where he had pushed my dress up, almost to the top of my legs. Before I knew what he was doing, the tremendous creature had got me to push myself backward until I touched the wall and could go no further. "Good," he growled from deep in his chest. "Very good. You've got yourself in a terrible spot now, don't you? I need this. You, though might find out that instead of needing it, you just...want...it." "Want what? Want you? What are you talking about? No I don't think that's the case at all! Why would I-" I was cut off not by his words, but by the heat of the monster against me. His fur seemed hard and close to his body, not shaggy like most wolves I've seen, so he couldn't have been that sort of beast, at least, not a normal one. But through that slick, hard coat, a terrible fury seemed to burn so bright that I felt him against my skin, even inside me, burning outward from my core all the way to my fingertips. "You want me because you know there's no...no way you can get out. You want me because you feel how much I need you, and you want me because," he snorted again. His breath caught and he coughed. "You feel me against you and want to know what it's like to be with such a thing as me, to have an experience so awful and foreign and forbidden as to give in, and stop denying yourself."

She could see it in his eyes, that unfiltered sexual aggression that was growing. He was staring her down, thinking hard about something. The music continued outside, still loud from inside the room. No one else would be able to hear anything that happened. "What are we doing in here?" she asked. "I've come up here to make you mine," he said. "There's nothing you can do about it now." "You're kidding, right?" she asked. "No. Absolutely not." When he turned to face her, she could see his erection through his jeans, that enormous hardness promising both pleasure and pain. He seemed to be throbbing with it, his heart beat causing the entirety of his body to twitch. "Caisor, please," she begged, aware of what was likely to happen next. The problem was, the more that she fought the situation in her mind, the more her body betrayed her. Being in this room with this stranger should have made her wilt--instead she was growing wetter with every passing second, changing into a thing that desired this fate. "I can't resist you anymore," he said, "and your resistance only makes me stronger." He was eying her like a piece of prey, a timid thing that he would overtake like it was nothing. Where could she go? She was trapped with him.

*The Alpha Wolf Takes His Mate - Reluctant Virgin Rough Werewolf Gangbang* Francis Ashe Curvy, cute and sometimes confident Jenna needed some time to think before her wedding, so she sought the calm serenity of the woods she visited as a girl. At first, everything is normal, but soon the shadows around her come alive. As her mind swims with horror stories she heard as a child, a howl breaks the night, and she runs deeper and deeper into the forest. Soon she's surrounded by wolves, but to her surprise, right alongside her terrible fear lays an even deeper, burning, forbidden lust. The pack's alpha claims Jenna, but before he accepts her as his mate, she must pass a test - a raw, primal encounter with his subordinates that's sure to leave her sore and strained... and gasping for more! Warning - this 8000 word erotic romance features a wild, ravenous werewolf ménage, a virgin's first taste, primal desires, and a mate who cannot wait to be claimed. Excerpt: A groan escaped the alpha's mouth and he crept forward, lowered his head, and slid his tongue along my neck. "Enough," he growled. "My desire for you burns. Soon, you will take my... my seed. But first, my sons must induct you into the..." he turned his head, coughing wildly before he turned back. "To the pack. You will become one of us, your soul must be a wolf before you can hold my," he stopped just short of telling me exactly what he was going to do, but I had some kind of idea. "A test?" I asked as my fingers dropped away from him when he moved. My question made the alpha laugh a horrible, strained laugh. "If you can't handle them," he said, cocking his head. "Then why do you think you could handle me?" I sucked a breath deep into my lungs, inhaling his scent one last time before he was gone. "Now," he growled. "Prepare my mate. And don't try anything. Do you understand, Althar?" I turned my head to see which one he was talking to, but to my surprise, something absolutely unbelievable - even after all that - took place. The copper-colored wolf lay on his side, panting. He acknowledged what his father said, but then he wrenched from around, thrashing so hard I thought he'd break his back. Moments later, he stood on his hind legs as they filled with muscle and the fur seemed to recede into his skin. His body twisted, contorted, and before my eyes, he turned into something very similar to a man - a human man - but he was just slightly different. And way, way, bigger. Every part of him was huge. The muscles of his legs, his hard biceps, and his powerful chest were all more impressive and intimidating than any person I'd ever seen. And then, I looked down.
