[The Billionaire Boss's Obsession 1 \(BWWM Interracial Romance Short Stories\)](#) - Viola Black  
2016-09-14

My name is Lisa Simone Williamson, and I used to be the luckiest girl in the world. For starters, I was rich. Even better, I was actually born into money. My parents were once the proud owners of Simone Cosmetics, one of the largest and most successful African-American owned and operated cosmetic companies in the world. My parents both came from very hard-working families. But their families worked hard for other people, which was a concept that neither my mother nor father ever understood. My parents believed that if they were going to work hard, then they would work hard for themselves. So

when they met one another and realized just how like-minded they were, the twosome joined forces both personally and professionally, got married, and created what eventually became Simone Cosmetics. After they had been married for a while and their company was up and running, my parents decided that they were ready to start a family. Not long after, I came along. I must admit, I had quite a charmed childhood. I lived in the most beautiful home that was located in the nicest part of town, attended the best schools, and had the greatest friends. My parents also got me involved in their business early on, because they had every intention on passing it down to me one day. So I knew everything that there was to know about

running Simone Cosmetics. However, my favorite aspect of the company was its dynamic marketing department. I always loved watching the dapper men and glamorous women who worked in that area come up with creative and artistic ways to package and promote the wonderful products that my parents had created. Once I graduated from high school and went off to attend one of the top universities in the country, I decided to major in marketing. Those college years were wonderful. I met a lot of incredible people, was taught by some of the best instructors, and still remain close to the women I met when I pledged one of the top African-American sororities in the country, Alpha Kappa Kappa. During the summers, I would go home and intern at my parents' company, in the marketing department of course. Those essential internships helped guide and motivate me and kept me focused. Ultimately, I always knew I would return to my parent's company upon graduation, join the marketing team, and work

my way up until I was running the show. But one of the most exciting experiences I had during college was meeting the man of my dreams, David James. David was the star of the basketball team, and I was his biggest fan. My sorority sisters and I were considered celebrities on our college campus, and we always hosted the biggest parties and turned heads everywhere we went. The basketball players were regular party-goers, and David and I would always flirt whenever we'd see one another. So I wasn't surprised when one of David's teammates, who just so happened to be dating my best friend Janice, passed a message along saying that David was interested in me. There are quite a few advantages to having dark skin. The most important one is that when you blush it doesn't show. That cute guy on the third row has been looking at me intensely all week and I've got to say I'm enjoying the attention. In fact, I bend over a little so he can catch a glimpse of my cleavage. If he keeps staring at me like this I'm going to have to go over there introduce myself because I can tell he's probably too shy to talk to me. I chuckle a little. Of course I won't do that; Tyrone would be pissed. Yes, I

have a boyfriend. We have been together for about 18 months and it's going well. I'm not sure if I'm in love with him, but I wouldn't know because I've not had a lot of experience with men. We get along and we've even talked about moving in together our last semester. My conservative mom would hate that, but we're adults; we can make our own decisions.

When Brittany Ellis walks into chemistry class on the first day of senior year, she has no clue that her carefully created 'perfect' life is about to unravel before her eyes. Forced to be lab partners with Alex Fuentes, a gang member from the other side of town, Brittany finds herself having to protect everything she's worked so hard for - her flawless reputation, her relationship with her boyfriend and, most importantly, the secret that her home life is anything but perfect. Alex is a bad boy and he knows it. So when he makes a bet with his friends to lure Brittany into his life,

he thinks nothing of it. But the closer Alex and Brittany get to each other the more they realise that sometimes appearances can be deceptive and that you have to look beneath the surface to discover the truth. 'Compelling and addictive... I've still got that "wow" feeling you get after reading a great book' Wondrousreads.com 'Perfect Chemistry is a novel to obsess about. It is a book that you should drop everything for...the most romantic love story that I have ever read.' Thebookette.com 'Captures that rush of feelings associated with first love' Thebookbag.com 'Elkeles pens plenty of tasteful, hot scenes...that keep the pages turning. The author definitely knows how to write romance.' Kirkus Review

**This Love (Interracial Young Adult Romance)** - Nicole Mckoy 2015-05-01

Raelyn and Jason have been inseparable for about four years. The summer before their senior year of college they are tested but stick together. But it's when their last year of college

starts that some problems start to arise in their happy romance. With career choices needing to be decided and when life-changing news is broken. Is the love that Raelyn and Jason share truly enough to keep them together. These two will really see if their love can survive anything thrown its way. This is a sequel to my story "Just Love". This story will be in both Raelyn and Jason's points of view through out.

He had passed, and Dawnika knew it before they even got to the hospital. It came as a bit of a shock that he ended up like his father. He was healthy, never did anything that

he shouldn't have. For Christ's sake he was captain of the soccer and football team. Xavier was as healthy as could be, yet he gave no sign of life. One moment, he was breathing, the next he was lying, sprawled out on the couch. They were watching cheesy horror flicks, and laughing at every flaw, when he started to appear uncomfortable. At first, she wasn't really worried, of course that was the first mistake that she made. He was her boyfriend, and she should've always been concerned, however, she wasn't. The reason why would remain unknown to her. Twenty minutes later, he was complaining of chest pains and asked her to call an ambulance. She did, but when they arrived, she knew they were too late. He wasn't breathing. He wasn't moving. That of course nearly gave her a heart attack. Moreover she passed out, and when she woke up she was at the hospital, lying in a bed. **WARNING: Mature readers only.** Search Terms: free romance books for young adults, free alpha male billionaire
