You Don't Understand Me - Tara Porter 2022-04-14

'The 21st-Century Girl's Survival Pack' - Caitlin Moran 'I would recommend this brilliantly clear and informative book to every young girl...Tara writes with deep knowledge, warmth and humour about all the challenges young girls and all of us face, and she tells us how to overcome them' - Julia Samuel The Sunday Times bestseller For girls and young women these are shifting times: never before have they had so much freedom and choice; but never before have they had so many demands placed upon them - by themselves as well as others. Writing directly to girls and young women Dr Tara Porter draws on decades of experience to offer them insight into their own psychology. From exams to friendship, from families to love, Tara pulls together everything she has learnt to provide accessible explanations and suggestions for teenagers and young women everywhere. Like a warm letter from a wise friend or big sister, You Don't Understand Me not only understands the young person's perspectives but guides them through their challenges they face. You Don't Understand Me is uniquely written to teenagers and young women. But in explaining young women to themselves, it also provides an indispensable guide to their parents: a glimpse behind the rolled eyes and the protestations their daughter makes: 'You Don't Understand Me'. 'If God were a mother, this is the Bible she would write for teenage girls and young women. This book is the greatest gift you could give your daughter' - Caitlin Moran

Highland Wolf Pact - Selena Kitt 2014-10-06

Sibyl Blackthorne isn't afraid of anything—except maybe being sold into marriage to a man she doesn't love. A man she's never even met. A man who, by reputation, is one of Scotland's cruelest lairds in over a century. But what choice does she have, with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune, but Sibyl's future as well? Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant, or even death, would be preferable to a future with such a despicable man, and makes plans to run away. On an organized hunt for wolves—or, as the Scots call them, wulvers—Sibyl escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods. When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble. When he takes her to a place no human has ever been, she knows she's gone over the edge. And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.
