*Half a World Away: a Love Least Expected* - Lee E. Carter 2009-01-06  
"Half A World Away", inspired by true events, is an International Suspense-Mystery-Romance of a man whose entire adult life becomes plagued by a series of unfortunate events, before his world begins to slowly become brighter. At one time, Jared Marchal was at the top of his game. He had the promising military and police careers he always wanted, was very well off financially, enjoyed a great marriage and later, welcomed a son on the way. Beginning with a tragedy no one should endure, Jared's perfect world progressively continues to crash around him. Jared becomes a writer by chance, and through an act of serendipity by his publisher, he is contacted by a fellow writer, Stasia, from Russia; an unlikely heroine who attempts to tear down the massive wall protecting his heart from any possibility of disappointment, as well as any happiness. Soon their love, a passion so newly developed, will be the only simple, uncomplicated aspect of their lives together. As the intrigue begins, a volatile secret surrounding Stasia and its potential to change the world, OPEC, and war as we now know it, in addition to her father's own military past, catapults them into an international event involving both their countries. Governments, double agents, betrayal and murder all intrude among the many twists you never see coming, as they collide forward into the story's climax. The spirit of their personalities also shines as the jokes they play on one another during their times together are a welcome relief, as well as some of the funniest situations ever written. Author, Lee E. Carter, through skillful adaptation of people from personal, military and law enforcement experiences, intertwines fiction and non-fiction to create the distinctive personalities and action sequences of "Half A World Away".

**Love Must Be Tough** - James C. Dobson 2010-12-22

You've forgiven a thousand times. You've bent over backwards to make your partner feel loved and accepted. But the only reward for your loyalty has been anger, indifference, infidelity, or abuse. Your spouse may even be ready to walk out the door. Do you feel like all is lost? Are you ready to give up? There IS still hope. Dr. James Dobson's "tough love" principles have proven to be uniquely valuable and effective. Unlike most approaches to marriage crisis, the strategy in this groundbreaking classic does not require the willing cooperation of both spouses. *Love Must Be Tough* offers the guidance that gives you the best chance of rekindling romance, renewing your relationship, and drawing your partner back into your arms.

**Faith, Hope, and Love** - KMB Simpson 2022-04-13

Faith, Hope, and Love: A Journal on Unedited, Unscripted, Unclassified Grief By: KMB Simpson Have you experienced or are you going through grief? Are you at a time in your life where you feel no one else understands? Have you cried so many tears, you now feel numb, or are

you searching for answers as to why your loved one is no longer here? Does anger try to enter your heart because you don't know why your family or friend had to leave? You may feel broken, hopeless, and sad. Know that you are not alone. There are many who experience this pain, whose lives have been shattered; plans have been squashed; and dreams of spending their lives with a special someone are not deferred, but forever gone. Through her journey through grief and faith, KMB Simpson inspires. Though you might not see it today, there is hope. May this journal be a blessing to you or to someone you love.

**The All-or-Nothing Marriage** - Eli J. Finkel 2017-09-19

"After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now..."—Carol Dweck, author of *Mindset: The New Psychology of Success* Eli J. Finkel's insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. *The All-or-Nothing Marriage* reverse engineers fulfilling marriages—from the "traditional" to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discovery, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and responsiveness; he offers guidance on when to recalibrate our expectations; and he even introduces a set of must-try "lovehacks." This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today.

**The Fear of Intimacy** - Kelsey Huntington 2014-10-30

If you want to overcome the emotional or physical intimacy issues in your relationship or marriage, then this book is for you! What happens when someone in a relationship won't allow the other to get too close? Naturally, you can expect major problems to arise from this kind of situation. It also doesn't help when the person who has fear of intimacy cannot explain to the partner why he or she won't let the other person come any closer. Moreover, people with this disorder may or may not be aware of the fact that they are creating barriers in their relationship. As a result, keeping the relationship in a healthy state is almost impossible. The person being held at a distance may feel confused and left out, and will eventually feel dissatisfied with the whole relationship. Whether you're the one with a fear of intimacy, or whether it's your partner who has the intimacy issues, the good news is that there are things that can be done to overcome this relationship-crippling problem. Thanks to more and more scientific research, psychologists are beginning to understand more about the disorder, and how people can get beyond the barriers that they have placed in their own relationships. This book will share many useful tips on how you and your partner can deal with the fear of intimacy and thus, create a long-lasting and meaningful relationship for many years to come.

**Interdependence, Interaction, and Close Relationships** - Laura V. Machia 2020-06-18

Explores the latest developments in the processes underlying intimate relationships from an interdependence theory perspective.

**Faith, Hope and Love** - Ray Gaston 2017-09-30

Often Christian interfaith engagement has been viewed through the lens of theology of religions where the primary questions are often about the salvific destiny of people of other faiths. 'Faith, Hope and Love' offers an alternative approach asking how do Christian interfaith practitioners live out their discipleship in a multi-faith world? And what, theologically, is being expressed in their activity? Demonstrating a new and innovative approach to interfaith engagement, this book argues for theological reflection on the multi-faith reality of our society to focus on the practice of Christian interfaith engagement, drawing on the methodology of practical theology to explore the impact of encounter on

Christian self-understanding. It suggests that other faith traditions are no longer a theological problem to be solved or people to be 'saved' but a potential 'means of grace' in which the Christian disciple learns more about God and grows in their relationship with Christ.

Journey to Oneness - Dr Ron Hitchcock Dmin 2016-05-17

The Journey to Oneness has helped thousands of premarital and married couples to develop, enrich and experience vibrant relationships. Hundreds of crisis couples have reconciled their marriages using the Journey to Oneness Model. What Should You Expect from the Journey to Oneness? The Journey to Oneness shows how relationships transition from individualism towards interdependence and a shared identity. Couples will discover that intimacy and commitment increase as they progress from one stage to the next. Premarital couples will find that the Journey to Oneness empowers them to establish healthy boundaries that promote mutuality in friendships and validation of each others values. Dating couples are responsible to encourage each others pursuit of their dreams and goals. Couples in the friendship/ dating stage are not a "we" but two friends who are learning to have each others best interest in mind. Married couples will be revisiting or reinvesting in one or more of the stages of the Journey to Oneness that are underdeveloped in order to cultivate the characteristics of friendship or shared values in their relationship. At times, couples will prioritize their parenting responsibilities, careers or hobbies above their friendship with each other. When this happens, couples feel disconnected, even though they are committed to their marriage and family life. Couples will be able to rekindle their friendship by reinvesting in areas of communication, conflict resolution or sexual intimacy. The Journey to Oneness offers resources and practical application that allow couples to establish the foundations of friendship and shared values. For some couples, values were underdeveloped while others began their marriage without a strong friendship. How to Use Journey to Oneness Throughout this book, you will read the stories of premarital and married couples who are addressing topics such as communication, conflict resolution, financial management or marital crisis. These stories represent real-life circumstances that will help couples to learn new ways of communicating and resolving conflict. Journey to Oneness can be used individually or in group settings by premarital or married couples. The first half of the book will enrich friendship and shared values in premarital and marriage relationships. The second half of the book reveals how to restore broken trust and reconcile crisis relationships. In order to enrich couple satisfaction in dating, engaged and marriage relationships, Life In Motion Resources(tm) is offering a free Relationships Growth Plan for my readers. The Life In Motion Relationships Inventory (LIMRI) measures friendship, shared values and couple satisfaction in dating, engaged and married relationships. You can find out more about the LIMRI at [www.lifeinmotionresources.com](http://www.lifeinmotionresources.com). To receive the free inventory, go to [www.limri.org/relationships](http://www.limri.org/relationships). The LIMRI is an online assessment tool that churches, counselors and Christian organizations can utilize to enrich the relationships of their members, clients, staff, leadership, or employees. Couples answer demographic questions that generate personalized inventories for dating, engaged or married couples. The LIMRI is a values based inventory that uses Scriptures, biblical principles and healthy relationship practices to increase couple satisfaction in couple and parenting relationships.

**The Anatomy of Love** - Hugo Bradford

Some teach you how to love and stay in love. But nobody tells you what love is or how to acquire it when you don't have it. How are you supposed to love someone and find happiness if you don't love yourself, or find happiness within, first? Hugo Bradford's life changed in an instant when his relationship ended with who might have been the love of his life. Then, he failed once again when he decided to be a different man—a better man. Hugo then set on a path of introspection and healing by researching through the sciences and submerging himself with the voices of experts, experience, and the opinion of women. All to answer one underlying question—what is love? The Anatomy of Love is as sensible as it is perceptive. Tackling the third-most searched word worldwide. Love—A simple, four-letter word that produces over fourteen billion search results on search engines across the internet. Is love something as simple as an evolutionary trait of consciousness and chemical potion in our brains? Or does it mean something else, something we can't yet explain? This book reveals fundamental truths and uses appropriate, applicable knowledge in ways that work for everyone.

**The Five Love Languages** - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

*Husband Magnet* - Barba Maulana Koroma 2020-02-24

One of the biggest decisions you will make in life is to pair up in marriage. While this is an important consideration for both men and women, it is an especially important one for women. This is because the

number of eligible women surpasses that of eligible men in most communities. Secondly, men tend to take longer to decide on settling down in marriage, which makes test-driving relationships that end nowhere frustrating for women. But, if you have been looking and Mr. Right has yet to come knocking at your door, what do you do? Simply, you don't leave it all to chance as though you expect him to fall from the sky, you do your homework. As you do, please don't chase a man, attract him! Are you tired of being played by men who won't commit? Do you look forward to the day when you are the bride rather than the bridesmaid? Have you had enough of being bumped by less endowed women time and again? Do you believe that it is time for you to be the main show in the arms of your own man? If the answer to any of these questions is "yes", for you, a friend, schoolmate, family member, coworker, churchmate, or friend of a friend, then look no further. This is your moment to act and the tool you need. Husband Magnet will not only help a single woman fast-track to success in attracting a worthy man for marriage, it is a handy companion for a married woman who wishes to spice up her marriage. This book will teach you how to be a husband magnet.
