When God Writes Your Love Story - Eric Ludy 1999

When God Writes Your Love Story challenges singles to take a fresh approach to relationships in a culture where love has been replaced by cheap and diluted sensual passion. This book shows that God's way to true love is not some dull and lifeless formula, but brings fulfillment and romance in its purest, richest, and most satisfying form.

**Sacred Singleness** - Leslie Ludy 2009-08-01

Leslie Ludy, popular writer and speaker, has a powerful message for today's single adults. Through personal experience and in interaction with thousands of young

women over the past fourteen years, she has found that most Christian young women fall into one of two categories: those who are discontent and unfulfilled, constantly searching for the "right one," and those who are consumed by a passionate romance with Jesus Christ and are living joyful, satisfied lives. Her desire is to help readers move toward the totally surrendered and fulfilling experience rather than one of striving and disappointment. Leslie shares firsthand stories and testimonials of modern-day single women who may sometimes struggle with loneliness and personal desires but who, in following God's

plan for them, have discovered a deeper delight, purpose and true joy in their lives. Sacred Singleness gives every single woman the inspiration to live counter to the culture and find amazing opportunity in this sacred season.

**Wild at Heart** - John Eldredge  
2011-03-22

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be- dangerous, passionate, alive,

and free.

### **It Takes a Gentleman and a Lady** - Eric Ludy 2015-11

What does Eric Ludy have to say about relationships that he hasn't already shared? After twenty years of traveling the globe speaking on the topic of relationships, and after a dozen books penned to address this particular theme, Eric told Leslie several years ago that he was done writing on the topic. And yet, after being approached by a movie producer in early 2012 with heartfelt pleas to come out of "romance writing retirement" for one last hurrah, Eric for some reason agreed. In a seven-day stretch in the late months of that spring, this book was written. Though penned in a single week, the message within this book was forged over two decades and was born in the fires of prayerful application. Each of these forty chapters is likely the equivalent of a hundred conversations with wrestling souls and a hundred hours of

~~meditating upon the truth of~~  
the Scriptures. According to Eric, this is the book that blows all his other relationship books out of the water (though they are all good and you are encouraged to read them). He also states that if he could pick one of his books on relationships to give to his own kids, this would be the one. This book is suitable for any age.

All About Love - bell hooks  
2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All

About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
