Do you want to last longer in bed? For those who want to last longer in bed and deliver more pleasure to your partner during your sexual experience, it should come as no surprise that slowing things way down is one of the simplest ways to achieve this end. Very often, we treat sex as an afterthought. If we have time, we might squeeze it into our days somewhere, or perhaps before bed, if we're not too tired. With this mentality, sex is only a rare treat, or perhaps a chore to be endured, rather than a major avenue of bonding and experiencing transcendental pleasure with your partner. The health of one's relationship is every bit as important in one's life as one's physical, mental, and emotional health. When our love lives are not in harmony, it throws everything else out of whack, too. A peaceful and loving relationship, on the other hand, can bring harmony and healing when all else has gone awry. Because our relationships are such a central part of our lives, we owe it to ourselves and our partners to treat them as a priority, rather than an afterthought. One of the great insights about life is knowing that we have time for what we make time for. Give yourself permission to slow down, knowing that you and your partner deserve the fullest and most pleasure-packed experience that is possible for you. This book covers: What is Kama Sutra What is Tantric Sex How to Prepare Your Mind and Body for Sex Tips for Beginners Tantric Massage Techniques Dirty Talk Orgasm Kama Sutra and Tantric Positions for Him Kama Sutra and Tantric Positions for Her Sex Positions During Pregnancy Best Positions for Oral Sex Sexual Positions to Get Pregnant Practical Exercises for Better Sex And much more!!!

[The Normal Bar - Chrisanna Northrup  
2013-02-05](#)

Based on data obtained from nearly 100,000 respondents, here is the ultimate resource for anyone who wants to learn the relationship-tested ways couples can achieve satisfaction and contentment in areas such as communication, sex, affection, and financial cooperation. What constitutes "normal" behavior among happy couples? What steps you should take if that "normal" is one you want to strive for? To help answer those questions, wellness entrepreneur Chrisanna Northrup teamed with two of America's top sociologists, Yale Ph.D. Pepper Schwartz and Harvard Ph.D. James Witte, to design a unique interactive survey that would draw feedback from around the world. What has resulted is the clearest picture yet of how well couples are communicating, romancing each other, satisfying each other in the bedroom, sharing financial responsibilities, and staying faithful – or not. Since the Normal Bar survey methodology sorts for age and gender, racial and geographic differences and sexual preferences, the authors are able to reveal , for example, what happens to passion as we grow

older, which gender wants what when it comes to sex, the factors that spur marital combat, how kids figure in, how being gay or bisexual turns out to be both different and the same, and -regardless of background -- the tiny habits that drive partners absolutely batty. The book is dense with revelations, from the unexpected popularity of certain sexual positions, to the average number of times happy - and unhappy -- couples kiss, to the prevalence of lying, to the surprising loyalty most men and women feel for their partner (even when in a deteriorating relationship), to the vivid and idiosyncratic ways individuals of different ages, genders and nationalities describe their "ideal romantic evening." Much more than a peek behind the relationship curtain, *The Normal Bar* offers readers an array of prescriptive tools that will help them establish a "new normal." Mindful of what keeps couples stuck in ruts, the book's authors suggest practical and life-changing ways to break cycles of disappointment and frustration.

**The Complete Cunningham Family Collection** - Ember Casey 2016-03-18

For the first time, you can get the entire Cunningham Family series from USA Today bestseller Ember Casey together in one nine-book megabundle! Experience the bestselling billionaire romance series that has 3000+ five-star ratings across Goodreads! "This is one of the best romance novels I've read in a long time, and that's saying something. I read a lot of romance novels." - Jeanie Grey, author of the Lilly Frank series, on HIS WICKED GAMES (Book 1) Two couples. Two passionate love stories. One gripping, unforgettable series. Billionaire Calder Cunningham has a secret. He's also willing to do whatever it takes to get what he wants—and right now, he wants Lily Frazer. He's willing to give her struggling arts center the money he promised, but on one condition: she must win it from him. And the games he has in mind aren't exactly...innocent. Heiress Louisa Cunningham has spent her whole life running from her family. She just wants to escape—and currently, that means throwing herself into the arms of a sexy handyman without even stopping to ask his name. But that handyman—Ward Brannon—turns out to be a lot more than she bargained for. In spite of herself, she can't stay away from him, even when their fiery affair puts her darkest secrets—and her heart—at risk. Who knew one wicked family could cause so much delicious trouble? THIS SET INCLUDES: His Wicked Games (Book 1) Truth or Dare (Book 2) Sweet Victory (Book 2.5) Her Wicked Heart (Book 3) Take You Away

(Book 3.5) Lost and Found (Book 4) Completely (Bonus Short Story) Their Wicked Wedding (Book 5) A Cunningham Christmas (Book 5.5) Their Wicked Forever (Book 6)
