

Winning Custody A Womans Guide To Retaining Custody Of Her Children

The Complete Family Guide to Schizophrenia -

Kim T. Mueser 2006-05-26

Will the person you love ever get better?

Chances are you've grappled with the question.

With care and support from their families, people with schizophrenia can and do make vast improvements. Noted therapists Kim Mueser and Susan Gingerich deepen your understanding of the illness and cover a wide range of effective treatments. Based on decades of research and experience, they offer pragmatic suggestions for dealing with depression, psychosis, and other symptoms. They show you how to prioritize needs, resolve everyday problems, and

encourage your loved one to set life goals. Plus, individual sections highlight special issues for parents, children, siblings, and partners. Whether you're facing schizophrenia for the first time or you've dealt with its impact for years, you'll discover innovative ways to handle challenges that arise over the course of treatment, from reducing the chances of relapse to making friends and finding work. Recovery isn't an endpoint--it's a lifelong journey. With love, hope, and realistic optimism, striving for it can lead to a richer, more rewarding life for your entire family. Winner, NAMI/Ken Book Award Working Mother - 2001-05

Winning Custody A Womans Guide To Retaining Custody Of Her Children

The magazine that helps career moms balance their personal and professional lives.

Winning Custody - Deedra Hunter, M.S.,
L.M.H.C 2007-04-01

You never wanted to be in this position, but you are. Now, faced with the prospect of a custody dispute, you need to make smart choices.

Winning Custody can help. this book-written by a woman who is an experienced psychotherapist, a mom, and a veteran of a bitter custody dispute-will help you find your way, maintain your sanity, and keep your kids from being caught in the custody cross fire. Winning Custody is geared specifically toward women seeking custody of their children. It offers advice on how to navigate the complicated legal maze of the custody process, giving step-by-step guidance on: -How to find a good-and affordable-lawyer - What to wear in court (it's more important than you might think) -How to effectively communicate with you ex -How to parent your child firmly, lovingly, and consistently

throughout the crisis period -How to defuse your fears of losing your children -And how to love and believe in yourself during this most difficult time

New Books on Women and Feminism - 2001

The History of the Women's Suffrage: The Flame Ignites - Susan B. Anthony 2017-10-16

Musaicum Books presents to you this carefully created volume of "The History of the Women's Suffrage: The Flame Ignites". This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices. This edition covers the women's fight from 1883 to 1920. See the movement in its full light and learn what it took to obtain most basic civil rights. Learn about the decades long fight, about the endurance and the strength needed to continue the battle against persistent indifference and injustice. After the deaths of Elizabeth Cady Stanton in 1902 and Susan B. Anthony in 1906, it fell upon Ida H. Harper, a

protégé of Elizabeth Stanton, to document the voices and lives of hidden figures of the movement. Apart from a thorough look of USA, this book also gives an overview of the conditions of women's movement in rest of the world. Susan B. Anthony (1820-1906) was an American social reformer and women's rights activist. Born into a Quaker family she became the New York state agent for the American Anti-Slavery Society. Ida H. Harper (1851-1931) was a prominent figure in the United States women's suffrage movement. She was an American author, journalist and biographer of Susan B. Anthony.

The Complete Single Mother - Andrea Engber
2006-03-08

Your best resource now completely revised and updated! Being a single mother isn't easy--but with *The Complete Single Mother*, Third Edition, it just got easier. Long the most popular source of encouragement and advice for single moms, this engaging, enlightening guide explores such

Domestic Abuse, Child Custody, and Visitation - Toby G. Kleinman 2017

"When domestic abuse and children are involved, divorce and custody can be the epitome of high stakes conflict and frustration. This book helps laypeople, mental health professionals, and attorneys navigate the judicial process so that decisions are truly made in the best interest of children. This book shows the reader how all the puzzle pieces of the judicial process fit together: judges, attorneys, mental health experts, children, and spouses"--
Child Custody - Janice M. Dimick 2002

Prime-Time Feminism - Bonnie J. Dow 1996-06

"The author offers surprising connections and comparisons in the book . . . and she provides a solid overview of the women's movement in America to the present. . . . Highly recommended for upper-division and graduate media, cultural, and feminist studies collections."—Choice

American Book Publishing Record - 2001

The State-by-state Guide to Women's Legal Rights - Renée Cherow-O'Leary 1987

Evaluation for Child Custody - Geri S. W. Fuhrmann 2011-11-14

Forensic mental health assessment (FMHA) has grown into a specialization informed by research and professional guidelines. This series presents up-to-date information on the most important and frequently conducted forms of FMHA. The 19 topical volumes address best approaches to practice for particular types of evaluation in the criminal, civil, and juvenile/family areas. Each

volume contains a thorough discussion of the relevant legal and psychological concepts, followed by a step-by-step description of the assessment process from preparing for the evaluation to writing the report and testifying in court. Volumes include the following helpful features:- Boxes that zero in on important information for use in evaluations- Tips for best practice and cautions against common pitfalls- Highlighting of relevant case law and statutes- Separate list of assessment tools for easy reference- Helpful glossary of key terms for the particular topicIn making recommendations for best practice, authors consider empirical support, legal relevance, and consistency with ethical and professional standards. These volumes offer invaluable guidance for anyone involved in conducting or using forensic evaluations. Child custody cases represent one of the most complex areas of forensic mental health assessment. The evaluations are highly specialized, requiring expertise in child

development and psychopathology and a thorough understanding of the professional and ethical guidelines for child custody evaluations. This volume, written by two child custody examiners with years of experience and an exceptional depth of understanding of the area, synthesizes the highest quality of work in the field to articulate the best practices for these evaluations based upon professional guidelines, law, and research.

Divorce 101 - Tracy Achen 2004-04

"DIVORCE 101: A Woman's Guide to Divorce" is packed with practical answers to your questions about divorce. Written in plain English, with easy to follow chapters, this guide can empower you with the knowledge to make informed decisions when your marriage ends. It will show you how to plan and manage your divorce, giving you the confidence necessary to: Safeguard yourself before you ever meet with a lawyer. Collect and organize the vital information needed in your divorce. Choose the best lawyer

for your case. Understand your current financial situation. Establish the bottom line so that you receive your fair share. Make money smart choices about assets and debts. Negotiate effectively with your husband without being intimidated. Understand child custody issues to create a customized parenting plan. Manage everything once your divorce is finalized. DIVORCE 101 is tailored to meet the needs of women who desire direction during their divorce. It can help you understand the legal process, get a grip on your situation, and improve your ability to make good decisions. Instead of struggling through your divorce, gain the necessary knowledge to take control of it. *A Comprehensive Guide to Child Custody Evaluations: Mental Health and Legal Perspectives* - Joanna Bunker Rohrbaugh 2007-12-18 Whether assessing general family functioning or specific areas of conflict, professionals preparing child custody evaluations require sound

knowledge of three interrelated fields: up-to-date legal issues, psychological findings, and forensic procedures. This book covers these three essential areas to walk readers through the evaluation process clearly and concisely. It further provides a unique combination of legal guidelines with social science research.

Governing the Hearth - Michael Grossberg
2004-01-21

Presenting a new framework for understanding the complex but vital relationship between legal history and the family, Michael Grossberg analyzes the formation of legal policies on such issues as common law marriage, adoption, and rights for illegitimate children. He shows how legal changes diminished male authority, increased women's and children's rights, and fixed more clearly the state's responsibilities in family affairs. Grossberg further illustrates why many basic principles of this distinctive and powerful new body of law--antiabortion and maternal biases in child custody--remained in

effect well into the twentieth century.

Handbook of Gestational Surrogacy - E. Scott Sills 2016-10-06

A clinical handbook on gestational surrogacy, with thorough guidance for clinicians involved in global third-party reproductive treatment.

Good Girl's Guide to County Jail for the Bad Girl in Us All - Ellen Marie Francisco 2017-10-02

This good girl did everything right for years. So why has everything gone so wrong for this selfmade business woman, Realtor, and mother of two? On a hot day in August she's arrested for car-jacking, assault with a deadly weapon, and robbery. She's just landed in the Incarcer Nation without a passport. Like the millions of women who came before her, she wants to leave the land of chain link, and barbed wire behind her. Fifty-nine days later this good girl gone bad walks out a free woman-or so she thinks. This Good Girl gone BAD wants to help you: ● stay out of jail ● know how to use your rights ● understand the court process ● plea down your

charges to minimize the risk of re-arrest ● understand how a conviction affects your future beyond bars Filled with good advice from BAD GIRLS on the inside, and criminal law attorneys who tell it like it is. Cover your assets with these legal forms (and others you didn't know you needed). They're easy to fill-in, and are ready for the Notary Public ● Power of Attorney ● Caregiver's Authorization Affidavit ● Temporary Custody Order ● Letter to CPS Social Worker ● Consent for International Travel

When Happily Ever After Ends - Karen A Covy
2006-06-01

Divorce is tough. It's filled with painful emotions that can stop you in your tracks. But what you are feeling right now does not have to take over your life. When Happily Ever After Ends shows you how to regain control. It empowers you to look at yourself and your situation, and find a way through this time that will leave you financially sound and legally protected. By gaining an understanding of the three universal

laws of every divorce, you can walk through this process with your head held high and dignity intact, and emerge a strong and healthy person. With When Happily Ever After Ends, you can- - Master the seven principles of negotiation - Craft a settlement that gets you what you want - Navigate through the litigation process knowledgeably-not in fear - Create a financial plan that you can live with - Learn better ways to cope when dealing with an ex There is no magical fix and you can't bury your head in the sand. However, there is a clear path with a true end in sight, and the knowledge this book provides can make you BE THE PERSON YOU WANT TO BE.

Getting Your Share - Lois Brenner 2000-12
Each year more than one million marriages end in divorce. Yet, despite the passage of the no-fault divorce laws over the past two decades, divorce has become more complex and expensive, and can be financially disastrous for wives of every age and economic condition.

Today, divorce can mean a 73 percent drop in the woman's standard of living while the husband's rises 42 percent. In *Getting Your Share*, Lois Brenner, an expert matrimonial lawyer, shows women how to get financial security for themselves and their children under the current divorce laws. From choosing the right attorney to the final divorce decree and settlement, this book takes you step by step through the legal, tactical, emotional, and financial conflicts of divorce. You will learn about the opening legal moves, how to stop thinking of your husband as your partner, how to get an accurate picture of family assets, how to protect your children financially and psychologically, when to negotiate a settlement rather than go to trial, and much more. Whether you have been married two months or twenty years, have had a full-time career, have devoted yourself to raising children, or have done both, *Getting Your Share* provides information and understanding to guide you through this

complicated crisis.

A Complete Guide for Single Moms - Janis Adams 2011

Recent statistics from the U.S. Census Bureau show there are 9.9 million single mothers in the United States. This number is up from only 3.4 million in 1970, showing that single motherhood is more common than ever. For every mother recently finding herself single, or new moms learning how to raise their first child by themselves, there are countless things any mother will need to know. Single motherhood presents innumerable situations that are much harder to handle without the helping hands of a second parent nearby. But one of the best ways to prepare yourself for success as a single mother is to arm yourself with knowledge about what to expect with single parenting. *A Complete Guide for Single Moms: Everything You Need to Know About Raising Healthy, Happy Children on Your Own* is for every mother who is learning how to raise children on her

own. Regardless of how you came to be a single mom whether it was through divorce, the end of a relationship, surrogacy, adoption, unplanned pregnancy, or by the death of a spouse this book will walk you through the information you need to know to help you and your child adjust to a new lifestyle. The book covers what to do when pregnant and single and how to rely on your family and friends for support and help. You will learn the basics of early childcare, including what a child needs in its first year, from breastfeeding and nappies, to clothing and travel. You will learn what to expect as your child grows, including the early years of school and the problematic teenage years. This book teaches you how to take care of yourself in addition to your children, which includes knowing how to find rest and work your way back into dating. You will learn how to prepare yourself for the sacrifices you will be forced to make and how to handle financial matters while

raising a child alone. Even the difficult topics are covered, such as the first times you must discuss with your child why his or her father is not present. You will learn when you can fill in as a father figure, when you cannot, and what you can do to provide the male influence and support children need during those formative years. If your child's father is involved, this book will teach you how to work with him. You will learn how to raise a boy as a single mother and find positive role models for your children. We have conducted multiple interviews with successful single mothers, as well as with experts in child care, to provide a comprehensive outlook on everything you can expect as a single parent on your own from the first few weeks of stress to the later years of toilet training, proper diet, allergies, health care, and learning to talk. From conception to graduation, the life of a single mother is a trying, challenging road to travel. With this guide in hand, you will have what you need to raise a healthy, happy family.
