Routledge Library Editions: Women and Crime - Various Authors 2022-07-30

This set reissues five books on the subject of women and crime. The titles, which were originally published between 1930 and 1996, include a book of case-studies of female criminals, a comprehensive annotated bibliography on the social conflict and change of women in crime, and essays which examine the construction of women in criminology. This set will be of particular interest to students of both criminology and women's studies.

*Women and Deviance: Issues in Social Conflict and Change* - Nanette J. Davis 2015-12-22

This book, first published in 1984, is a selective, annotated bibliography on women and deviance that includes historical, cross cultural, sociological, psychological, political, legal, philosophical, and social policy perspectives. This title is concerned with the origins, change, conflict, and consequences of deviant behaviour and "women's adaptation to their changing

roles." It encompasses monographs, journal articles, books, and government documents in English. This title will be of particular interest to students of sociology and criminology.

*Women in Midlife--security and Fulfillment* - 1978

This compendium presents the findings of 29 scholars on public policy issues affecting midlife women.

*Women in Indian Industry* - A. Ramanamma 1987-01-01

**Bibliographie Internationale de Sociologie 1980** - 1982

Each "Bibliography" lists and annotates the most important works published during the year. They are arranged by topic and indexed by author, subject, and geographic location.

Justice and Gender - Deborah L. RHODE 2009-06-30

This is the first book to provide a comprehensive investigation of gender and the law in the United

States. Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women's activities and attitudes toward these new developments. She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions, and what this complicated interaction implies about the possibility-or impossibility-of using law as a tool of social change. Table of Contents: Introduction Part One: Historical Frameworks 1. Natural Rights and Natural Roles Domesticity as Destiny The Emergence of a Feminist Movement Nineteenth-Century Legal Ideology: Separate and Unequal 2. The Fragmentation of Feminism and the Legalization of Difference The Postsuffrage Women's Movement Separate Spheres and Legal Thought Part Two: Equal Rights in Retrospect 3. Feminist Challenges and Legal Responses The Growth of the Contemporary Women's Movement Governmental Rejoinders Liberalism and

Liberation 4. The Equal Rights Campaign Instrumental Claims Symbolic Underpinnings Political Strategies Requiems and Revivals 5. The Evolution of Discrimination Doctrine The Search for Standards Separate Spheres Revisited: Bona Fide Occupational Qualifications Definitions of Difference Part Three: Contemporary Issues 6. False Dichotomies Benign and Invidious Discrimination in Welfare Policy: Elderly Women and Social Security Special Treatment or Equal Treatment: Pregnancy, Maternal, and Caretaking Policy Public and Private: Social Welfare and Childcare Policies 7. Competing Perspectives on Family Policy Form and Substance: The Marital-Nonmarital Divide Lesbian-Gay Rights and Social Wrongs Equality and Equity in Divorce Reform Text and Subtext in Custody Adjudication 8. Equality in Form and Equality in Fact: Women and Work Occupational Inequality The Legal Response Employment Policy and Structural Change 9. Reproductive Freedom The

Historical Legacy Abortion Adolescent  
 Pregnancy Reproductive Technology 10. Sex and  
 Violence Sexual Harassment Domestic Violence  
 Rape Prostitution Pornography 11. Association  
 and Assimilation Private Clubs and Public Values  
 Education Athletics Different But Equal  
 Conclusion: Principles and Priorities Differences  
 over Difference Differences over Sameness  
 Theory about Theory Legal Frameworks Notes  
 Index Reviews of this book: Rhode's work is  
 impressive in its scholarship and its range...a  
 compelling account. --Josephine Shaw,  
 International and Comparative Law Quarterly  
 Reviews of this book: The definitive treatment of  
 the American legal system's struggle to deal  
 with issues pertaining to gender...The strength  
 of Rhode's analysis, however, is not its historical  
 aspect but its probing view of modern gender  
 issues...The focus is always on the deeper forces  
 that have led to gender disadvantage...There is  
 much to be learned from reading this volume. --  
 Victoria J. Dodd, Bimonthly Review of Law Books

Reviews of this book: A comprehensive journey  
 through the history of law and gender...The book  
 is important in a number of ways...[It] paints in  
 stark, irrefutable colors the irrational prejudices  
 that have served to justify legal determinations  
 limiting equality...[I]t has the audacity to ask the  
 law to turn on itself and work more justly. --  
 Sheila James Kuehl, California Lawyer Reviews  
 of this book: Encyclopedic.. . Thorough, carefully  
 nuanced ... [Rhode] gives all sides their fair due  
 on every issue she takes up... A valuable  
 resource for many years to come. --Susan Okin,  
 Law and Social Inquiry Justice and Gender  
 breaks the impasse created by legal and  
 theoretical debates over 'sameness' and  
 'difference.' Deborah Rhode's brilliant analysis  
 of gender and the law in the United States from  
 the nineteenth century to the present argues  
 persuasively for theories rooted in careful  
 contextual analysis and for a legal emphasis on  
 gender disadvantage rather than gender  
 difference. This book offers a new vantage point

from which to think about the role of law in building a just society. --Sarah M. Evans, University of Minnesota

**Methods of Life Course Research** - Janet Z. Giele 1998-03-19

Giele and Elder introduce the life course approach, show how it developed and what it entails, consider how to collect and organise longitudinal data, and explore the analysis and interpretation of life course data.

**Women, Sport and Society in Modern China** - Dong Jinxia 2004-08-02

Drawing on Chinese sources hitherto unavailable in the West including official documents and interviews with top athletes, the author explores the rise of Chinese super sportswomen and their relationship with politics, culture and society before and during the Cultural Revolution and through China's transition to a market economy.

Resources in Women's Educational Equity - 1980

*The Future South* - Joe P. Dunn 1991

**Analysing Gender in Healthcare** - Sarah Cooper 2023-01-01

This book explores regulatory conundrums around adolescent sexual health, abortion and assisted reproductive technologies in the UK. In doing so, it seeks to examine the various stages at which women's reproductive health comes into contact with government action and assesses how these legal and policy fields are shaped through the conceptual lens of policy networks. Transformed expectations of women's roles, along with developed biological capabilities and understandings of gender and sexuality have driven an increasingly complex politics of sex and reproduction. The book argues that assumed medial control over these issues is overshadowed by government calculations of cost-effectiveness. Moreover, decisions on the design of programmes and levels of access continually reflect traditional family formation. The outcome is unsurprisingly the marginalisation of women in publicly funded

healthcare, but with a clear further impact on gender and sex minorities. COVID-19 has disrupted these dynamics further, altering the manner in which previously inhibited patients engage with the NHS. As the pandemic recedes it has become more timely than ever to consider the future of gendered healthcare in the UK, and to question the likelihood of long term change in the ability of patients to inform health policy decisions. The book will appeal to scholars and students of gender and health policy, law and politics, as well as healthcare practitioners.

Women and the Future - Janet Zollinger Giele  
1979

*Daring To Dream* - Carol Farley Kessler  
1995-10-01

The first section consists of 12 selections of feminist utopian fiction including Annie Denton Cridge's *Man's Rights; or, How Would You Like It*, Charlotte Perkins Gilman's *A Woman's Utopia*, and Gertrude Short's *A Visitor From*

*Venus*, some excerpted and some in their entirety. Includes an annotated bibliography of US women's utopian fiction from 1836 to 1988. First edition originally published as *Daring to Dream: Utopian Stories by United States Women, 1836-1919* by Pandora Press of Routledge and Kegan Paul, London, in 1984. Paper edition (2655-X), \$17.95. Annotation copyright by Book News, Inc., Portland, OR  
*American Studies* - Jack Salzman 1986-08-29  
This is an annotated bibliography of 20th century books through 1983, and is a reworking of *American Studies: An Annotated Bibliography of Works on the Civilization of the United States*, published in 1982. Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America, it focuses on books that have an important cultural framework, and does not include those which are primarily theoretical or methodological. It is organized in 11 sections: anthropology and folklore; art and architecture;

2020-02-24 by guest

history; literature; music; political science; popular culture; psychology; religion; science/technology/medicine; and sociology. Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph-length, non-evaluative annotations. Includes author, title, and subject indexes. ISBN 0-521-32555-2 (set) : \$150.00.

**Fatherhood and Family Policy** - M. E. Lamb  
2014-02-25

First published in 1984. Routledge is an imprint of Taylor & Francis, an informa company.

*The End of Men* - Hanna Rosin 2012-10-11

What Betty Friedan, Simone de Beauvoir, Susan Faludi and Naomi Wolf did for feminism, senior editor of The Atlantic Hanna Rosin does for a new generation of women: an explosive new argument for why women are winning the battle of the sexes and why men are no longer top dog. Women are no longer catching up with men. By almost every measure, they are out-performing them. We are at an unprecedented moment in

history. In 2010, for the first time, the balance of the British workforce tipped towards women, who now hold around half of the nation's jobs. In the US, meanwhile, for every two men that receive a BA, three women will achieve the same. Not only do women now dominate colleges and professional schools on every continent except Africa, young single women in the US now earn more than their male counterparts, and more than a third of mothers in the UK and the US are their family's main breadwinner. The tides have turned. The 'age of testosterone' is decisively over. At almost every level of society women are proving themselves far more adaptable and suited to a job market that rewards people skills and intelligence, and a world that has a dramatically diminishing need for traditional male muscle. In this landmark, once-in-a-generation book, Hanna Rosin reveals how this new world order came to be and its profound implications for marriage, sex, children, work, families and society.

Unhampered by old assumptions and ideologies and drawing on examples from across the globe, *The End of Men* helps us see how both men and women can - and must - adapt for a radically new era. 'In this bold and inspired dispatch, Rosin upends the common platitudes of contemporary sexual politics with a deeply reported meditation from the unexpected frontiers of our rapidly changing culture' Katie Roiphe, author of *The Morning After* and *Uncommon Arrangements* 'The End of Men describes a new paradigm that can, finally, take us beyond 'winners' and 'losers' in an endless 'gender war.' What a relief! Ultimately, Rosin's vision is both hope-filled and creative, allowing both sexes to become far more authentic: as workers, partners, parents...and people' Peggy Orenstein, author of *Cinderella Ate My Daughter* and *Schoolgirls* Hanna Rosin is a senior editor at *The Atlantic* magazine and a founder and co-editor of *DoubleX*, *Slate's* women's section. She has written for the *New Yorker*, *The New York*

*Times*, *GQ*, and *The New Republic*, and for a number of years covered politics and religion for the *Washington Post*. In 2009 she was nominated for a National Magazine Award, and in 2010 she won one. She is the author of a previous book, *God's Harvard: A Christian College on a Mission to Save America*. Rosin lives in Washington, DC, with her husband, *Slate* editor David Plotz, and their three children.

2020-02-24 by guest

and feelings about what should be discussed in a sex-roles course taught from a male perspective, the thoughts, feelings, and knowledge of scores of students, colleagues, and friends. These are persons who either have taken the course or discussed with me appropriate material to be included in such a course and/or book. Chapter 1, for example, is influenced greatly by the work of Elizabeth and Joseph Pleck's *The American Man*, dealing with the periods of masculinity in the United States up to 1965. The chapter also deals with emerging meanings of masculinity after 1965, and female and male responses to these meanings. The

second chapter is devoted to male sex-role socialization and examines the roles of biology and environment in male socialization. It is also concerned with agents of male socialization and with male assumption of such sex-role traits as dominance, competitiveness, the work ethic, and violence. In Chapter 2, I also propose two general masculine roles frequently assumed by American males which may not be race-specific—the White masculine role and the Black masculine role.
