Making Out in Japanese - Todd Geers

2014-08-26

Making Out in Japanese is a fun, accessible and thorough Japanese phrase book and guide to the Japanese language as it's really spoken. Sugoku suki! Mata aeru?--(I'm crazy about you! Shall we meet again?) Answer this correctly in Japanese, and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Japanese classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios, but chances are while in Japan you will spend a lot more time trying to make new friends or start new romances--something you may not be prepared for. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Japanese phrasebook makes this possible. Making Out in Japanese has been updated and expanded to be even more helpful as a guide to modern colloquial Japanese for use in everyday informal interactions--giving access to the sort of catchy Japanese expressions that aren't covered in traditional language materials. As well as the Romanized forms (romanji), each expression is now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly. Explanations of basic Japanese grammar, such as intonation, word stress, and particles. A guide to male and female usage. Romanized forms of words and phrases (romanji). Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana). Useful and interesting notes on Japanese language and culture. Lots of colorful, fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in

Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.

Foreign Agriculture - 1988

Writing and Literacy in Chinese, Korean and Japanese - Insup Taylor 1995-01-01

Chinese, Japanese, South (and North) Koreans in East Asia have a long, intertwined and distinguished cultural history and have achieved, or are in the process of achieving, spectacular economic success. Together, these three peoples make up one quarter of the world population. They use a variety of unique and fascinating writing systems: logographic Chinese characters of ancient origin, as well as phonetic systems of syllabaries and alphabets. The book describes, often in comparison with English, how the Chinese, Korean and Japanese writing systems originated and developed; how each relates to its spoken language; how it is learned or taught; how it can be computerized; and how it relates to the past and present literacy, education, and culture of its users. Intimately familiar with the three East Asian cultures, Insup Taylor with the assistance of Martin Taylor, has written an accessible and highly readable book. *Writing and Literacy in Chinese, Korean and Japanese* is intended for academic readers (students in East Asian Studies, linguistics, education, psychology) as well as for the general public (parents, business, government). Readers of the book will learn about the interrelated cultural histories of China, Korea and Japan, but mainly about the various writing systems, some exotic, some familiar, some simple, some complex, but all fascinating.

Japanese Conversation Tool 2021 -

Mr.andMrs. Miyazawa

~ Just has been updated for 2021! ~ Features No more language barriers! Many useful phrase boxes which travelers tend to ask, by location and situation Even don't have to try to pronounce those boxes, you can just point out

Downloaded from
legacy.opendemocracy.net on 2022-08-08
by guest

them to tell what you want to tell or ask. Referable anytime quickly without internet connections. Easily you can search and go back and forth via internal bookmarks and TOC function. Continuous update to be made. About this ebook: This ebook is the spin-off ebook from our major travel guide ebook "Japan Travel Guide 2020" and distributed for free for the below purposes: 1) To enhance the communication experience during Japan travel which international travelers find the most difficult problem in Japan. 2) To get you to know our primary product, "Japan Travel Guide 2020" through introductions of it. Why this conversation tool is created? One of the biggest issues for international travelers in Japan is the language barrier because English availability is still limited to major places such as public transportation and sightseeing places, and not many Japanese people can talk in English yet. However, the Japanese language is too complicated to learn in a short period, so we started to create this conversation tool, that you can just point images on this ebook or pronounce as instructed, or you can even ask Japanese people to point images to get their answers. This is just the beginning - we will add and update contents continuously and updated one is re-downloadable, deleting the old one.

The Japanese Tea Ceremony - An

Introduction - Kaeko Chiba 2022-12-20

This book provides a comprehensive introduction to chado, the Japanese tea ceremony. Unlike other books on the subject, which focus on practice or historical background or specific issues, this book considers the subject from multiple perspectives. It discusses Japanese aesthetics and philosophy, outlines how the tea ceremony has developed, emphasizing its strong links to Zen Buddhism and the impact of other religion influences, and examines how chado reflects traditional gender and social status roles in Japan. It goes on to set out fully the practice of chado, exploring dress, utensils, location - the garden and the tea house - and the tea itself and accompanying sweets. Throughout, the book is illustrated both with images and with examples of practice. The book will be of interest to a wide range of people interested in chado - university professors and students, tourists and people interested in

traditional Japanese arts.

Colloquial Japanese - Junko Ogawa 2015-08-14

Colloquial Japanese provides a step-by-step course in Japanese as it is written and spoken today. This new edition has been completely rewritten by experienced teachers; it combines an accessible approach with a thorough treatment of the language, equipping learners with the essential skills needed to communicate confidently and effectively in Japanese in a broad range of situations. No prior knowledge of the language is required. Key features include: progressive coverage of speaking, listening, reading and writing skills; jargon-free explanations of grammar, with key structures presented through user-friendly diagrams; Coverage of the different writing systems of Japanese: hiragana, katakana and kanji; an extensive range of focused and stimulating exercises; realistic and entertaining dialogues covering a broad variety of scenarios; useful vocabulary lists throughout the text; additional resources available at the back of the book, including a full answer key, a grammar summary, a verb/adjective list with conjugation aid, bilingual glossaries and English translations of dialogues. Balanced, comprehensive and rewarding, Colloquial Japanese will be an indispensable resource both for independent learners and for students taking courses in Japanese. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills. Supplementary exercise sheets for hiragana, katakana and kanji and two additional units can also be found here. These additional units cover more advanced features of Japanese and incorporate a wide assortment of supporting exercises. By the end of this course, you will be at Level B1 of the Common European Framework for Languages and at the Intermediate-Mid on the ACTFL proficiency scales.

Hospitality, Travel, and Tourism: Concepts, Methodologies, Tools, and Applications - Management Association, Information Resources 2014-10-31

Over generations, human society has woven a

rich tapestry of culture, art, architecture, and history, personified in artifacts, monuments, and landmarks arrayed across the globe. Individual communities are looking to exploit these local treasures for the benefit of the travelers who come to see them. *Hospitality, Travel, and Tourism: Concepts, Methodologies, Tools, and Applications* considers the effect of cultural heritage and destinations of interest on the global economy from the viewpoints of both visitor and host. This broadly-focused, multi-volume reference will provide unique insights for travelers, business leaders, sightseers, cultural preservationists, and others interested in the unique variety of human ingenuity and innovation around the world.

Engaging Language Learners through Technology Integration: Theory, Applications, and Outcomes - Li, Shuai

2014-06-30

"This book provides empirical studies on theoretical issues and outcomes in regards to the integration of innovative technology into language teaching and learning, discussing empirical findings and innovative research using software and applications that engage learners and promote successful learning"--Provided by publisher.

More Making Out in Japanese - Todd Geers

2013-11-21
More Making Out in Japanese is a fun, accessible and thorough guide to the Japanese language as it's really spoken. This phrasebook follows the bestselling Making Out in Japanese providing additional (and classic) phrases for travelers, including ones to help you make acquaintances, discuss likes and dislikes, share a meal, go out on the town or develop a romantic relationship. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use phrasebook makes this possible. More Making Out in Japanese has been completely revised and expanded to be even more helpful as a guide to modern colloquial Japanese for use in everyday informal interactions—giving access to the sort of catchy Japanese expressions that aren't covered in traditional language materials. As well as the Romanized forms (romanji), each expression is

now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly Explanations of basic Japanese grammar, such as, intonation, word stress, and particles A guide to male and female usage Romanized forms of words and phrases (romanji) Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana) Useful and interesting notes on Japanese language and culture Lots of colorful, fun and useful expressions not covered in other phrasebooks Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.

Japanese Film and the Floating Mind - Justin Vicari

2016-05-31
Japanese film is enduringly fascinating, challenging and rewarding. This book provides a cultural, historical and philosophical study of Japanese film, from the silent era to the present-day, focusing on its expansive consciousness. The author examines masterpieces by Ozu, Mizoguchi, Oshima and many other directors, discussing their influence on the Japanese culture of esoteric Zen Buddhism and relating them to recent neuroscientific theories of brain trauma.

Cross-Cultural Pragmatics - Anna Wierzbicka

2009-09-04
This book, which can be seen as both a research monograph and a text book, challenges the approaches to human interaction based on supposedly universal "maxims of conversation" and "principles of politeness", which fly in the face of reality as experienced by millions of people - refugees, immigrants, crosscultural families, and so on. By contrast to such approaches, which can be of no use in crosscultural communication and education, this book is both theoretical and practical: it shows

that in different societies, norms of human interaction are different and reflect different cultural attitudes and values; and it offers a framework within which different cultural norms and different ways of speaking can be effectively explored, explained, and taught. The book discusses data from a wide range of languages, including English, Italian, Russian, Polish, Yiddish, Hebrew, Japanese, Korean, and Walmatjari (an Australian Aboriginal language), and it shows that the meanings expressed in human interaction and the different "cultural scripts" prevailing in different speech communities can be described and compared in a way that is clear, simple, rigorous, and free of ethnocentric bias by using a "natural semantic metalanguage", based on empirically established universal human concepts. As the book shows, this metalanguage can be used as a basis for teaching successful cross-cultural communication and education, including the teaching of languages in a cultural context.

[The Kata Factor - Japan's Secret Weapon!](#) - Boye De Mente 2014-08-26

Kata [kah-tah], which translates as "form, process, way of doing things," is the Rosetta stone of Japan's traditional culture - the key that unlocked both the mystery and the mystique associated with how the Japanese did business and conducted their personal and professional affairs. Expressed another way, kata were the cultural molds that created and controlled the traditional behavior of the Japanese and were the source of both their strengths and weaknesses. Still today all dealings in Japan are influenced by the kata that continue to influence the mindset and behavior of the Japanese, yet most foreigners are not aware that they exist. Knowledge of the kata strips away the cultural cloak hiding the Japanese from the outside world and reveals the essence of the famous Japanese Way. For foreigners to deal effectively with the Japanese - in both personal and business matters - they must know when and how to induce them to break the kata molds and behave in a non-Japanese way. Younger generations of Westernized Japanese break the molds until they go to work, then they must conform to the kata that remain in whatever company they join.

More Making Out in Japanese - Todd Geers 2015-08-04

More Making Out in Japanese is a fun, accessible and thorough guide to the Japanese language as it's really spoken. This phrasebook follows the bestselling Making Out in Japanese providing additional (and classic) phrases for travelers, including ones to help you make acquaintances, discuss likes and dislikes, share a meal, go out on the town or develop a romantic relationship. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use phrasebook makes this possible. Japanese Stage-Step Course: Grammar Textbook
- Wako Tawa 2013-07-18

The Japanese Stage-Step Course is a fully integrated language course from beginner through to intermediate level combining cohesive grammar instruction with functional examples and practices to build a solid foundation in the four key skills of reading, writing, listening and speaking. The course includes the core text, The Grammar Textbook, Workbooks 1 and 2, Writing Practice Book, audio material on CDs or in MP3 format, and a Companion Website. An understanding of grammar is essential for students aiming to achieve a high level of proficiency in Japanese. Written by an experienced teacher, The Stage-Step Course: Grammar Textbook provides a step-by-step guide to Japanese grammar. With clear, accessible explanations and relevant examples to put each grammatical point into context, the Grammar provides a meaningful framework to develop the key skills of reading, writing, speaking and listening. The book is divided into the following four stages: Stage One: Building a foundation. Stage Two: Towards more complex structures. Stage Three: Adding sophistication. Stage Four: Referencing. Each lesson is accompanied by detailed vocabulary, conversation practice and reading exercises in the separate two workbooks to enable students to put into practice what they have learnt and consolidate their knowledge. The course also includes the Writing Practice Book, audio material on CDs or in MP3 format and a Companion Website.

A Japanese Vagabond - Mayumi Yamada-Shimotai 2014-04-21

In 1986, Mayumi left Japan with a bicycle to flee

from constraints of life as a Japanese girl. Without a plan nor travelling experiences, she kept pedalling around the globe - during the final epoch of the Cold War - for about 35,000 kilometres, facing various kinds of difficulties and taking advantage of people's goodwill. This is the travel story of about the first half of her drifting passage, from Japan up to the last stop in South America - Brazil - in which there are clues to interpret the enigma of Japan and Japanese as well as a cross section of Latin America in the Cold War era.

Learn Japanese - Level 2: Absolute Beginner
