[A Woman's Worth](#) - Marianne Williamson 2013-01-23

Cutting across class, race, religion, and gender, *A Woman's Worth* speaks powerfully and persuasively to a generation in need of healing, and in search of harmony. With *A Woman's Worth*, Marianne Williamson turns her charismatic voice—and the same empowering, spiritually enlightening wisdom that energized her landmark work, *A Return to Love*—to exploring the crucial role of women in the world today. Drawing deeply and candidly on her own experiences, the author illuminates her thought-provoking positions on such issues as beauty and age, relationships and sex, children and careers, and the reassurance and reassertion of the feminine in a patriarchal society.

The Rose - Tiffany Reisz 2019-04-16

In the second *Godwicks* novel, the bestselling author of *The Red* “transmutes spicy mythological tales into sensual fantasies and erotic romance” (Publishers Weekly, starred review). On the day of Lia Godwick’s university graduation party, her parents—wealthy art collectors with friends in high places—gift her a beautiful wine cup, a rare artifact decorated with roses. It’s a stunning gift, and one that August Bowman, a friend of her parents and a guest at Lia’s party, also has his eye on. The cup, August tells her, is known as the Rose Kylix, and it’s no ordinary cup. It was used in the temple ceremonies of Eros, Greek god of erotic love, and has the power to bring the most intimate sexual fantasies to life. But Lia is skeptical of August’s claims of the cup’s mythology and magic—after all, he’s a collector himself, and she suspects he just wants to get his hands on this impressive piece of art. So he dares her to try it for herself, and when Lia drinks from the Rose Kylix she is suddenly immersed in an erotic myth so vivid it seems real—as though she’s living out the most sensual fantasy with August by her side . . . Realizing the true power of this ancient and dangerous relic, Lia is even more wary of giving it up, though August insists it is only safe with him. He’s willing to pay the full value of the cup, but Lia has another type of trade in mind. One that finds them more tangled up in each other—and in fantasy—than either was prepared for.

The House in the Cerulean Sea - Travis Klune 2021-09-16

An enchanting story, masterfully told, *The House in the Cerulean Sea* by TJ Klune is about the profound experience of discovering an unlikely family in an unexpected place – and realizing that family could be yours. ‘I loved it. It is like being wrapped up in a big gay blanket. Simply perfect’ – V. E. Schwab, author of *The Invisible Life of Addie LaRue* He expected nothing. But they gave him everything . . . Linus Baker leads a quiet life. At forty, he has a tiny house with a devious cat and his beloved records for company. And at the Department in Charge of Magical Youth, he’s spent many dull years monitoring their orphanages. Then one day, Linus is summoned by Extremely Upper Management and given a highly classified assignment. He must travel to an orphanage where six dangerous children reside, including the Antichrist. There, Linus must somehow determine if they could bring on the end of days. But their guardian, charming and enigmatic Arthur Parnassus, will do anything to protect his wards. As Arthur and Linus grow ever closer, Linus must choose between duty and his dreams. *The House in the Cerulean Sea* by TJ Klune is an uplifting, heart-warming fantasy tale that’s become a New York Times, USA Today and Washington Post bestseller. ‘Likely to cause heart-swelling’ – Washington Post ‘A modern fairy tale . . . It’s a beautiful book’ – Charlaine Harris, number one New York Times bestselling author ‘Touching, tender and truly delightful’ – Gail Carriger, author of *Soulless*

[The Law of Divine Compensation](#) - Marianne Williamson 2012-11-27

Marianne Williamson is a bestselling author (*Return to Love*, *Healing the Soul of America*), a world-renowned teacher, and one of the most important inspirational thinkers of our time. In *The Law of Divine Compensation*, she reveals the spiritual principles that help us overcome financial stress and unleash the divine power of abundance. A guru to anyone interested in spirituality, Williamson's words ring with power and truth as she assures us that, with faith in God's promise of prosperity for all, we need never fear the future.

A Far Wilder Magic - Allison Saft 2022-03-17

A MAGICAL SECRET. A MYTHICAL HUNT. AND A LOVE THAT COULD RISK EVERYTHING. In the dark, gothic town of Wickdon, Maggie Welty lives in an old creaking manor. Maggie's mother is an alchemist who has recently left town, leaving Maggie with just her bloodhound for company. But when Maggie spots a legendary ancient fox-creature on her porch, her fate is changed forever. Whoever tracks down and kills the hala in the Halfmoon Hunt will earn fame and riches - and if Maggie wins the hunt, she knows her mother will want to celebrate her. This is her chance to bring her home. But the rules state that only teams of two can join the hunt, and while Maggie is known as the best sharpshooter in town, she needs an alchemist. Enter Wes Winters. He isn't an alchemist ... yet. Fired from every apprenticeship he's landed, this is his last chance. Maggie and Wes make an unlikely team - a charismatic but troubled boy, and a girl who has endured life on the outskirts of a town that never welcomed her. But as the hunt takes over, the pair are drawn together as they uncover a darker magic that may put everything they hold dear in peril... A rich and tender YA fantasy love story. Perfect for fans of Sorcery of Thorns and Finbar Hawkins.

Why Love Hurts - Eva Illouz 2013-05-20

Few of us have been spared the agonies of intimate relationships. They come in many shapes: loving a man or a woman who will not commit to us, being heartbroken when we're abandoned by a lover, engaging in Sisyphean internet searches, coming back lonely from bars, parties, or blind dates, feeling bored in a relationship that is so much less than we had envisaged - these are only some of the ways in which the search for love is a difficult and often painful experience. Despite the widespread and almost collective character of these experiences, our culture insists they are the result of faulty or insufficiently mature psyches. For many, the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love. Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives. The purpose of this book is to change our way of thinking about what is wrong in modern relationships. The problem is not dysfunctional childhoods or insufficiently self-aware psyches, but rather the institutional forces shaping how we love. The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice. The samples from which men and women choose a partner, the modes of evaluating prospective partners, the very importance of choice and autonomy and what people imagine to be the spectrum of their choices: all these aspects of choice have transformed the very core of the will, how we want a partner, the sense of worth bestowed by relationships, and the organization of desire. This book does to love what Marx did to commodities: it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors.

The Other Kind of Smart - Harvey Deutschendorf 2009-05-29

Emotional intelligence (EI) coach Harvey Deutschendorf combines his proven techniques with engaging principles of storytelling and fun exercises to show you how you can apply the principles of EI on the job to achieve greater success. Filled with real-life profiles of people who faced emotional intelligence dilemmas and easy-to-implement solutions, Other Kind of Smart offers tools that will bring results in as little as five minutes a day and teaches you how to: develop stress tolerance, cultivate empathy, increase flexibility with coworkers, boost assertiveness, and resolve problems successfully. The difference between those who become successful in life and those who struggle is their ability to exhibit and leverage strong people skills. Complete with an EI quiz that will help you measure their level of emotional intelligence and EI growth, Other Kind of Smart enables all professionals to improve their relationships and increase their effectiveness at work in a practical, accessible way.

The Wounded Woman - Linda Schierse Leonard 1982-01-01

This book is an invaluable key to self-understanding. Using examples from her own life and the lives of her clients, as well as from dreams, fairy tales, myths, films, and literature, Linda Schierse Leonard, a Jungian analyst, exposes the wound of the spirit that both men and women of our culture bear—a wound that is grounded in a poor relationship between masculine and feminine principles. Leonard speculates that when a father is wounded in his own psychological development, he is not able to give his daughter the care and guidance she needs. Inheriting this wound, she may find that her ability to express herself professionally,

intellectually, sexually, and socially is impaired. On a broader scale, Leonard discusses how women compensate for cultural devaluation, resorting to passive submission (“the Eternal Girl”), or a defensive imitation of the masculine (“the Armored Amazon”). The Wounded Woman shows that by understanding the father-daughter wound and working to transform it psychologically, it is possible to achieve a fruitful, caring relationship between men and women, between fathers and daughters, a relationship that honors both the mutuality and the uniqueness of the sexes.

The Tree of Enchantment - Orion Foxwood 2008-10-01

In Faery Seership the truths we seek can only be found within ourselves, within nature, and within our relationships to nature. At the center of the Faery Tradition lies the Tree of Enchantment: the symbol for these relationships and for the threefold life of humanity. At each level of the tree, there are attending spirit forces that vary from beings of light to beings of shadow, from the ancestors of humanity to the architects of form and nature, from the destiny of our planet to the creation forces of the universe. The tree's roots grow through the lower world, where all life originates and the dead travel, its trunk and lower branches reach out across the middle world, where elemental forces and the four directions guide us, and its highest branches reach the into the upper world and the Star realm. Weaving together folk tradition and extensive academic research, Orion Foxwood has created an accessible, beautifully written pathway into the Old Religion of Faery Seership. Based on Appalachian traditions, Wiccan studies, Celtic oral traditions, and the Craft from Western and Northern Europe, The Tree of Enchantment offers the student of Faery Tradition both introductory and advanced visionary practices and authentic tools to learn to navigate the three realms of humanity. With diligence and an open heart, the reader will learn to cross The River of Blood, pass through The Gate of Awakening, and over The River of Stars.

Love in the Time of Cholera - Gabriel Garcia Marquez 2014-03-06

Nobel prize winner and author of One Hundred Years of Solitude Gabriel Garcia Marquez tells a tale of an unrequited love that outlasts all rivals in his masterpiece Love in the Time of Cholera. 'It was inevitable: the scent of bitter almonds always reminded him of the fate of unrequited love' Fifty-one years, nine months and four days have passed since Fermina Daza rebuffed hopeless romantic Florentino Ariza's impassioned advances and married Dr Juvenal Urbino instead. During that half-century, Florentino has fallen into the arms of many delighted women, but has loved none but Fermina. Having sworn his eternal love to her, he lives for the day when he can court her again. When Fermina's husband is killed trying to retrieve his pet parrot from a mango tree, Florentino seizes his chance to declare his enduring love. But can young love find new life in the twilight of their lives? 'The most important writer of fiction in any language' Bill Clinton 'An exquisite writer, wise, compassionate and extremely funny' Sunday Telegraph 'An amazing celebration of the many kinds of love between men and women' The Times

The Art Of Seduction - Robert Greene 2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

Love For No Reason - Marci Shimoff 2012-01-10

Transformational leader and author Marci Shimoff outlines seven steps aimed at helping readers develop and maintain unconditional love which she believes will allow them to have lasting joy and fulfillment in life.

The New Feminine Evolutionary - Jane Ashley 2017-08-31

Are you ready to embrace the New Feminine Evolution? A new woman is emerging from the darkness—strong, determined, flowing with primordial power—fearlessly facing her demons. The New Feminine Evolutionary is a groundbreaking book: revealing in total for the first time the deep essences that run throughout this movement of women who are changing the world. This book is bold, fearless, and resonates with honesty. Each author brings her unique slice of essence to a chapter with stories and wisdom, as a special gift to the reader—reaching out a hand and lighting the way for her to step onto the path of transformation. Forged around the fire circle, this woman stands ready to step forward, fully embodied, carrying the torch of transformation to all those courageous enough to evolve. Twenty-two pioneers share their story—women who personify the Divine Feminine: Healers. Mothers. Medicine women. Artists. Quantum guides. Activists. She is US-created out of the forces of change—the Maiden, the Mother, the Crone. She is the woman next door. It is time to declare your power, time to remember our sacred mother earth. Time to add your voice and define who you are—and what you are doing to bring the resonance of love to the world. Published by Flower of Life Press, this book establishes a conversation about the different facets of this new feminine evolutionary woman, and how our open hearts and powerful lineage of sisterhood can transform not just the world we each inhabit, but the global energetic of love.

Enchanted Love - Marianne Williamson 2014-03-24

'Marianne Williamson reveals, with elegant simplicity, that love is not a mere sentiment of emotion, but the ultimate truth at the heart of creation' Deepak Chopra For millions of Westerners, the quest for material gain has led to increasing frustration and unhappiness. Now, says spiritual philosopher Marianne Williamson, our hunger for worldly gain has been transformed, for many of us, into hunger for spiritual renewal. What we deeply long for most is the experience of paradise. In this inspiring new work, Williamson explores different aspects of the power of that vision - the possibility of the highest love made manifest on Earth - in a series of reflective essays accompanied by prayers and meditations. Topics include the power of faith, innocence, being seen, forgiveness, blamelessness, healing, surrender, serenity, beauty and unity. For people seeking to enhance their lives, Williamson's insights lay the groundwork for spiritual evolution and fulfillment. Her practical advice will guide readers towards a place where passion, creativity and freedom - most important, the freedom to express and infinite love - are recognised not only as the soul's most potent desire, but also as the ultimate destiny of the human race.

A Return to Love - Marianne Williamson 2009-10-13

The phenomenal #1 bestseller - preorder Marianne Williamson's latest, picking up where A Return to Love left off: The Mystic Jesus This mega-bestselling spiritual guide has become a classic. Marianne Williamson shares her reflections on A Course in Miracles and her insights on the application of love in the search for inner peace. Williamson reveals how we each can become a miracle worker by accepting God and by the expression of love in our daily lives. Whether psychic pain is in the area of relationships, career, or health, she shows us how love is a potent force, the key to inner peace, and how by practicing love we can make our own lives more fulfilling while creating a more peaceful and loving world for our children.

Cat's Eye - Margaret Atwood 2009-09-03

By the author of The Handmaid's Tale and Alias Grace Elaine Risley, a painter, returns to Toronto to find herself overwhelmed by her past. Memories of childhood - unbearable betrayals and cruelties - surface relentlessly, forcing her to confront the spectre of Cordelia, once her best friend and tormentor, who has haunted her for forty years. 'Not since Graham Greene has a novelist captured so forcefully the relationship between school bully and victim...Atwood's games are played, exquisitely, by little girls' LISTENER An exceptional novel from the winner of the 2000 Booker Prize

Enchanted Love - Marianne Williamson 2013-12-17

Three of Marianne Williamson's previous bestsellers -- A Return to Love, A Woman's Worth, and Illuminata - explored the issue of relationships. Now, in this deeply personal collection of essays, prayers, and self-reflection, she turns to romantic love. In Illuminata, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in Enchanted Love, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every person. It is a bold and masterful inquiry into what two people really are and how we might become, while still on earth, the angels who reside within us."

The Age of Miracles - Marianne Williamson 2008-01-01

As seen on OWN's Super Soul Sunday! The need for change as we get older—an emotional pressure for one phase of our lives to transition into another—is a human phenomenon, neither male nor female. There simply comes a time in our lives—not fundamentally different from the way puberty separates childhood from adulthood—when it's time for one part of ourselves to die and for something new to be born. The purpose of this book by best-selling author and lecturer Marianne Williamson is to psychologically and spiritually reframe this transition so that it leads to a wonderful sense of joy and awakening. In our ability to rethink our lives lies our greatest power to change them. What we have called "middle age" need not be seen as a turning point toward death. It can be viewed as a magical turning point toward life as we've never known it, if we allow ourselves the power of an independent imagination, utilizing thought-forms that don't simply flow in a perfunctory manner from ancient assumptions handed down to us, but rather flower into new archetypal images of a humanity just getting started at 45 or 50. What we've learned by that time, from both our failures as well as our successes, tends to have humbled us into purity. When we were young, we had energy but were clueless about what to do with it. Today, we have less energy, perhaps, but we have far more understanding of what each breath of life is for. And now at last, we have a destiny to fulfill—not a destiny of a life that's simply over, but rather a destiny of a life that is finally truly lived. Midlife is not a crisis; it's a time of rebirth. It's not a time to accept your death; it's a time to accept your life—and to finally, truly live it, as you and you alone know deep in your heart it was meant to be lived.

Many Faces of Love - Kaarina Määttä 2013-04-19

What do we actually talk about when we talk about love? Research on love and emotions has been met with suspicion although people live in a network of relationships from birth to death, and the ability to build and maintain relationships is an important strength. This book provides a comprehensive research-based analysis of love in human life: romantic love and its ups and downs, and the fascination of love, the combination of work and family, the secrets of a long-lasting marriage, senior love, and the throes and relief of a divorce. Love is also discussed in relation to other phenomena, such as friendship, play, and creativity. In addition, themes of parental love and pedagogical love, and the ability to love, as well as dark sides of love are introduced. Love is worth cherishing and practicing. Other people's experiences may be helpful, and information about the nature of love can relieve the pain. Thus, love, in its various forms, makes the best health insurance! This book is meant for everyone interested in love but also for professionals in various fields, such as psychologists, educators, and couple and family counselors. The book is based on authors Prof. Kaarina Määttä's and Dr. Satu Uusiautti's extensive research on love at the University of Lapland, Finland.
