Rationale of the Dirty Joke - G. Legman  
2007-11-01

Why do people tell dirty jokes? And what is it about a joke's dirtiness that makes it funny? G. Legman was perhaps the foremost scholar of the dirty joke, and as legions of humor writers and comedians know, his *Rationale of the Dirty Joke* remains the most exhaustive and authoritative study of the subject. More than two thousand jokes and folktales are presented, covering such topics as *The Female Fool*, *The Fortunate Fart*, *Mutual Mismatching*, and *The Sex Machine*. These folk texts are authentically transcribed in their innocent and sometimes violent entirety. Legman studies each for its historical and socioanalytic significance, revealing what these jokes mean to the people who tell them and to the people who listen and laugh. Here -- back in print -- is the definitive text for comedians and humor writers, Freudian scholars and late night television enthusiasts. *Rationale of the Dirty Joke* will amuse you, offend you, challenge you, and disgust you, all while demonstrating the intelligence and hilarity of the dirty joke.

**The Comedians in Cars Getting Coffee Book**  
- Jerry Seinfeld 2022-11-30

A celebration of and behind-the-scenes look at Jerry Seinfeld's groundbreaking streaming series *Comedians in Cars Getting Coffee*. Over eleven seasons and eighty-four episodes, Jerry Seinfeld drove around in classic cars, grabbing coffee and chatting with the funniest people alive. He reminisced with the late Garry Shandling; bantered with legends Steve Martin, Tina Fey, and Eddie Murphy; reunited with the cast of *Seinfeld*; and even paid a visit to President Barack Obama in the Oval Office. These and dozens of other guests talked about the intricacies of stand-up, the evolution of their careers and personal lives, and whatever else popped into their brilliant minds. The result was not only a hilarious collection of casual yet intimate conversations—a rare opportunity for viewers to witness their favorite performers unscripted and unvarnished—but arguably the

most important historical archive about the art of comedy ever amassed. Now that archive is preserved in the form of a gorgeously designed and carefully curated book. *Seinfeld* has hand-picked the show's keenest insights and funniest exchanges. Also included is a fascinating oral history featuring interviews with dozens of crew members, executives, guests, and *Seinfeld* himself that details how this scrappy creative experiment landed unprecedented access to the White House, earned multiple Emmy nominations, and helped lead the streaming revolution. Featuring a newly written introduction by *Seinfeld* and filled with beautiful never-before-seen production photos, this book is essential reading for comedy lovers, car aficionados, coffee connoisseurs, and Jerry *Seinfeld* fans.

**The Drop Dead Funny '70s** - Dan Lalande  
2023-08-04

This work offers a critical examination of 130 commercially-released film comedies of the 1970s. It considers the socio-political circumstances of each year of the decade, then critiques each film released that year with a focus on its effect on the film industry and the art of big screen comedy, as well as the emergence of talents whose work influenced (or was influenced by) the zeitgeist of the decade. Covering popular titles like *M\*A\*S\*H*, *Blazing Saddles*, *American Graffiti*, *The Bad News Bears*, *Smokey and the Bandit* and many more, it argues that the 1970s may rightly be considered the last golden age of film comedy.

**New York Magazine** - 1983-07-25

*New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and

an idea.

Enjoyment of Laughter - Max Eastman  
2017-09-29

Humor at its best is a somewhat fluid and transitory element, but most books about it are illustrated with hardened old jokes from the comic papers, or classic witticisms jerked out of their context. Max Eastman, in this work, avoids this catastrophe by quoting mainly from contemporary American humor. This is not an anthology in that selections have been made with a view to making a point rather than covering the field. The purpose of Eastman's fabled work is to make the reader laugh. Since his early school days, it has seemed to him that textbooks are wrongly written in that they are conducted in a way which ignores the natural operation of the mind. As a result, the opinion is universal, and under the circumstances a fact, that in order to learn anything you have to study. Since this introduction to humor is itself near to writing a textbook, Eastman uses the very text he constructs to illustrate the manner in which textbooks should be written. Examination and classification of the kinds of humorous experience upon the basis of a theory is a science. As such, this work offers a fair chance to illustrate a method of instruction. However, the distinction between a good joke and a bad one will not prevent the reader from making bad jokes nor enable one to make good ones. There is an artistic and playful element that simply cannot be taught. Enjoyment of Laughter presents a total view of the science of laughter and draws upon some of the great American humorists to do so.

**New Woman Little Book of Bloke Jokes 2** - Louise Johnson 2005-09-01

New Woman Little Book of Bloke Jokes 2 is a pocket-sized collection of the best and funniest humour about men, as seen in New Woman magazine's feature of the same name. The jokes cover everything you've ever found funny about the opposite sex, from their sex, food and hygiene habits to their sport and car obsessions to their takes on love and romance.

Speculations - Paul J. Ennis 2020-07-30

**Encyclopedia of Women and Gender, Two-Volume Set** - Judith Worell 2001-10-16

The study of gender differences began in earnest

in the 1970s and has since increased dramatically to infiltrate virtually all fields of study in the social and behavioral sciences. Along the way, it was discovered that while women very often think and behave differently than do men, industrialized societies cater to masculine perspectives. The "Psychology of Women" emerged as a field of study focusing on just those areas in which women most often butted against assumed roles. And similarly, in the 1990s, the "Psychology of Men" emerged to focus on the same issues for men. The Encyclopedia of Gender covers all three areas under one cover, discussing psychological differences in personality, cognition, and behavior, as well as biologically based differences and how those differences impact behavior. Coverage includes studies of these differences in applied settings such as education, business, the home, in politics, sports competition, etc. Key Features \* Over 100 In-depth chapters by leading scholars in the psychology of women and gender \* Addresses critical questions of similarities and differences in gendering across diverse groups, challenging myths about gender polarization and the "Venus/Mars" distinction \* Broad coverage of topics from theory and method to development, personality, violence, sexuality, close relationships, work, health, and social policy \* Sensitive attention to multicultural and cross-cultural research \* Clearly written, readable, comprehensive, with helpful guides (outline, glossary, reference list) \* Raises difficult questions related to power, inequality, ethics, and social justice \* Challenges the reader to revise established "truths" and to seek further information \* Maintains a feminist and woman-centered focus

**The Monster Book of NSFW Jokes** - Editors of Funny.com 2011-10-11

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

*100% Funny Mexican Jokes* - R. Cristi 2010

Some random Mexican jokes from the book: A big tough Mexican man married a good-looking Mexican lady and after the wedding, laid down the following rules: "Honey, I'll be home when I want, if I want and at what time I want - and I don't expect any hassle from you. I expect a great dinner to be on the table unless I tell you

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-01-31  
by guest

otherwise. I'll go hunting, fishing, boozing, and card-playing when I want with my old buddies and don't you give me a hard time about it.

Those are my rules! Any comments?" His lovely new bride said, "No, that's fine with me. Just understand that there'll be sex here at eight o'clock every night - whether you're here or not."

\*\*\* A German, an Australian, and a Mexican are on a plane. They say that they can tell where they are by sticking their hands out of the pane. The German sticks his hand out and says "We are in Germany." The others ask, "How do you know," the German says, "Because it's so cold." Then the Australian sticks his hand out and says "We are in Australia," the others ask "How do you know," he replies "Because it's so warm." Then the Mexican sticks his hand out and back in. He says " We are in Mexico," the others ask "How do you know," he says " Because my watch is gone" \*\*\* What's a Mexican favorite book store? Borders. Did you hear about that one Mexican that went to college? Yeah.. me neither. How do you stop a Mexican tank? Shoot the guy pushing it. What do you call a Mexican without a lawn mower? Unemployed. What do you do when a Mexican is riding a bike? Chase after him, it's probably yours! Why are Mexicans so short? They all live in basement apartments. Why do Mexicans re-fry their beans? Have you seen a Mexican do anything right the first time? How come there aren't any Mexicans on Star Trek? They don't work in the future, either. What do you call a Mexican in a two-story house?

Adopted. Why do Mexican kids walk around school like they own the place? Because their dads built it and their mom clean it. 2 Mexicans are in a car, who is driving? A cop. Buy the book to read 100s more Mexican jokes!

**Funny Thoughts** - Seth Kinstle 2022-12-21

Are you looking for something to make your day a little brighter? Maybe you're in the market for something extraordinary. In this book the sky is the limit and the ground under your feet doesn't exist. The rabbit hole digs deep with every little line as it transcends your suspense of comedic ingenuity. With incredible little punchlines blended with senseless comedic artistry, you'll be sure to be the talk of the town when you use these bits at a community barbecue. Don't be afraid to steal these jokes to get laid, or throw them at someone for their birthday. Because

sometimes the gift that keeps giving resides in the mind of someone who conjures up a plethora of laughter. This book is guaranteed to mesmerize your mind and evolve your comedic conceptualism of proper hilarious attunement. It will be sure to hit the spot as you're aligned for new generational observations with the tools found in this book. The laughs you feel will ripple into countless eventualities meant for only the most classy people on the planet. So make sure to tie your shows and balance your footing, as you step into a landscape of hilarious absurdities.

**Serving Up Some Funny** - Lisa DeMarco 2009-04

Can you handle a good joke? Serving Up Some Funny is one page after another of tasteful adult jokes collected over the past eight years by a veteran waitress in a family owned and operated diner-style restaurant. Did you hear the one about the cowboy with the erection? How about the boss who went to lunch with his secretary on his birthday? Within these pages you will find dirty jokes tasteful enough to tell at the breakfast counter in your favorite diner. Your audience will be rolling down the aisles and howling with laughter as you serve them up another order of purely funny jokes - extra spicy, of course! Author Bio: Lisa DeMarco grew up in a family reputed to be the "chattiest" people from New Jersey all the way down to the eastern coast of Florida. Her love of storytelling takes a break when she is busy working on her next collection of jokes and humorous writings. A waitress for over twenty years, Lisa can be found in her pink high-tops dishing some good eats and funny jokes at Haystax Restaurant. She lives with her husband, Joey, and two daughters, Amanda Jeane and Makenzie Rae, in Tavares, Florida.

Author and Journalist - 1942

**How to be Funny** - Steve Allen 1998

No one knows more about comedy than Steve Allen. For more than five decades as a writer, performer, and keen observer of the social scene, he has looked into every aspect of who's funny, what's funny, and why. Allen shares his discoveries in How to Be Funny, the book designed to help everyone develop their special talent for funniness. Now reissued in paperback,

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-01-31  
by guest

How to Be Funny covers all the basics, including joke telling, ad-libbing, writing humorously, performing comedy, emceeing, and much more. Allen takes you inside the world of comedy, from the early writings of Mark Twain, to the more contemporary work of Rodney Dangerfield and Bill Maher. Allen even provides homework assignments for the budding comic! Yet How to Be Funny is far more than just a book for aspiring comedians it will help anyone who wants to be a more amusing conversationalist, a more effective public speaker, and everyone who just wants to be the life of the party.

*Point Your Face at This* - Demetri Martin  
2013-03-19

The New York Times bestselling writer and comedian Demetri Martin is back with a brand new collection of drawings that urge you to: POINT YOUR FACE AT THIS In his first book, This Is a Book, Demetri Martin introduced fans and readers to his unique brand of long-form humor writing. That book spent twelve weeks on the New York Times bestseller list Now Demetri returns with an eclectic volume devoted entirely to his trademark drawings and word play. Point Your Face at This contains hundreds of hilarious drawings and visual jokes, showcasing Martin's particular penchant for brevity. With a sensibility all its own, this is a great gift book and an absolute must-have for fans of the brainy, ambidextrous, comedian, palindromist (and author), Demetri Martin.

The Author & Journalist - 1934

Treating You to Birthday Sex - Seth Kinstle

There are plenty of people out there who never get the birthday they dream of. They just can't seem to break their unlucky streak and get what they really want on their special day. So what better way to ease their pain than pranking them with this book? That's right, this is the perfect gag gift for anyone out there who has a sense of humor. Don't just get the person who matters to you a little nothing of a gift. Get them the ultimate experience they've been waiting for

their entire life. It's time to kiss bad birthdays goodbye and make sure everyone you know gets the best possible birthday they could ever ask for. Or maybe you know someone down on their luck. Maybe they deserve something better than a stagnant waste of a day that should matter more than most people care to realize. If that's the case then this respectable piece of literature will fit perfectly on their shelf. Let's spread this movement around the world and cure everyone of their bad birthdays. So get ready to jump into bed with a random guy you don't know. With an uncanny taste for mending wounds and setting the record straight, he's sure to get the job done. You're in for a rundown so raw you'll be aching at the stakes from the good time you never thought was possible until now. So get your birthday suit on and get ready for the best birthday experience the world has to offer. It's time to get the gift you deserve.

**The Sense of Humor** - Willibald Ruch  
2010-12-14

**Murmurings** - Murray Siegel 2021-09-13

"MurMurings" are illustrated jokes, one-liners, and non-sequiturs reflective author Murray Siegel's quirky and sometimes silly views and observations of the world around him. The book is sub-titled "Funny Tales of Terror and Other Desperate Cries for Help." The nine "Funny Tales of Terror", which appear after every few pages of "MurMurings" are hilarious short stories about true frightening or tense events from the author's life. Story titles include: The Time I Almost Got Robbed When A Dog Bit Me During the 1968 Riots The First Time I Had Sex (The shortest chapter) The Time I Really Got Robbed My First Car Accident The Time I Nearly Got Struck By Lightning My Kingdom for a Rest Stop Bomb Scary The Time I Got Crushed By A Giant

Dumb Men Joke Book - - Jim Mullen 2009-09-26

This uproarious collection pokes fun at the unfairest sex with 300 hilarious jokes and put-downs. Volume I of Jim Mullen's hilarious series.
