Alex Aussmen Zero Zero One: Book One - Nelson Christian Amador 2018-05-28

Alex Aussmen is a young boy from Edmonds, Washington and because of him having high functioning in the 1970's He gets thrown out of school and runs away from his parents and he gets found by Emily Romney who starts training him to be a secret agent. But in doing so, Alex goes on many dangerous missions and he encounters a lot of evil around him such as the Soviet Union, The Sandinistas of Nicaragua, Dr. Jewell, Victoria Sennott, and also Victoria Borodina who would become Alex Aussmen's arch nemesis and the evil woman that would be responsible for all of Alex's early his missions as a secret agent. The 1970's were a

great decade for Alex as a teenager but also they were a very dark time as well as Alex discovers evil bad guys destroying the world either in the US at home or overseas as well

Foreign Affairs: Looking for Love in the Secret World of Mail Order Brides - Rick Kay 2011-10-15

You're About to Learn Secrets Most Men Will Never Know About How to Meet and Date Beautiful Foreign Girls Finally available to the general public, underground author Rick Kay reveals his no-holds-barred guide on the hidden world of foreign dating. Are you tired of getting rejected by entitled women who think you don't have the right job, the right looks or are just too old for them? Have you settled on frustrating

relationships where you don't get the respect you deserve? Did you know that there's a real alternative where nice, educated, beautiful young women will actually compete for your attention? My name is Rick Kay, and I've spent years traveling the world meeting and dating gorgeous women. In that time, I learned many secrets about foreign ladies who date Western men that few people seem to know, and almost no one will speak about even to close friends and family. After having had to learn the hard way, it's my goal to help other Western men have a much easier time in their quest to find a dream girl. In Foreign Affairs you'll learn... - Why you don't need to be rich or handsome to have a lifestyle filled with nice, young, attractive women - How much easier it is to approach women in foreign locales without getting rejected or having to act like someone you're not - Why foreign women in general make such good mates for Western men - Why the taboo of mail order brides is perpetuated and how this benefits you - How to know within moments of meeting a girl if she's "Miss Right", "Miss Tonight" or "Miss Trouble" - How to start meeting eligible foreign women right from home - How to avoid scammers and gold diggers I will show you everything you need to be surrounded by sweet, young, stunning foreign women who want nothing more than to be in a loving sexual relationship with you - and the best part is that it does not matter what you look like, how much money you have or even if you're much older. I am just a normal guy with average looks, who is not especially wealthy or memorable. But, I did something that most men would never think of and flipped the whole Western world dating dynamic on its head. Before I changed my life by embracing a lifestyle filled with hot foreign women, I felt confused by all the mixed signals in our modern "post-feminism" era. Society expected me to be the chivalrous man who always paid on dates, opened doors for women etc., but also told me that it was wrong to want a woman to tend to my needs like the women of yesteryear did for our grandfathers and fathers. I've read many of those hyped up books that teach men how to get ANY woman, but at the end of the day even if I got lucky using their techniques and landed one of those "desirable" American women, those books don't teach these women how to treat a man. So even if I play "jedi-mind-tricks" and hypnotize a beautiful American woman into going out with me, I can't teach her to be selfless, sweet and doting. There are a bevy of gorgeous women in Asia, Latin America, Eastern Europe and Russia who long for Western Men because they know he will provide them with safety and security. The amazing part is that you don't need to be handsome or even remotely wealthy to be attractive to these beautiful girls. In fact, women in these regions are fiercely competitive in their quest to find and fall in love with a Western man. Short of becoming a movie star or millionaire, there is probably no better way for the common man to fulfill his Hugh Hefner dreams than by going after foreign women in these choice regions where the numbers are actually in your favor. If you're at all unhappy with your love life and the women in it, or someone who is just intrigued about the fascinating and secret world of international dating and mail order brides, Foreign Affairs will be truly eye opening.

[Spooky Little Girl Like You](#) - Foxglove Lee

A young girl's obsession turns terrifying after her tragic death is witnessed by everyone at summer camp. All Melinda wanted in life was Zachary's undivided attention. Didn't matter to her that he was five years older or that he was her camp counsellor or even that he was gay. She wanted to be with him always. Now, in death, will she get her wish? Queer Ghost Stories are standalone tales that can be read in any order. Download Spooky Little Girl Like You today!

This book takes you beyond initial contact, with guidance through your entire Russian bride search, including cultural differences, travel, fiancée visas and other obstacles to true love. You deserve happiness and love. This book will show you how a girl from the former Soviet Union can make your life complete.

Stories from Ukraine. - Marko Vovchok 2020-03-11

A collection of selected short stories, written by a famous Ukrainian woman writer Marko Vovchok in the late 19 century. She wrote about serfs and Cossacks, murders, traveling Ukrainian merchants - chumaks, unrequited love, separated lovers, hardships of serfdom. The stories are told by common people, the main characters or the witnesses, in common Ukrainian language, which was very daring back then, when even the use of Ukrainian language was forbidden. Translator's preface. "After the wedding the old man blessed the newlyweds, saw them off to their new home... Old Maxym felt sad on his own in the house; then he glanced at the Dnieper, recollected his eldest daughter, and tears rolled down to his grey moustache." "Where do you go, girl?" asked Ostap. "Run away with me!" "I was going to save you - here's a knife, a saw, here's the money, here is a necklace - run away, run away quickly!" And she gave him everything, the knife, and the saw, and the money, and the necklace from her own neck. "Let's run together," said Ostap. "No, no," said the Cossack girl, "no! The girl will bind your hands and feet - run away! Run away! And come back to set me free! Run away!" "Girl, let's go!" said Ostap, "in my own arms I will carry you back to Ukraine!" "No, no!" replied the girl. "I'll be waiting - come back and save me! Waiting! Waiting!"

The Price of Freedom - Tatiana Lysenko 2014

For hundreds of years, immigrants have been coming to America to gain greater freedom and to realize their dreams. Author Tatiana Lysenko is one of them. In *The Price of Freedom*, she provides a fictionalized account of her life story, recalling her childhood and youth, her successes and failures, and the eventual asylum she gained in the United States. Through the eyes of Slava, this narrative provides a look at a woman who considers herself a true Ukrainian, but with new views on the modern world that are not understood in the post-Communist society. She is suffocating in the society where she was born and seeks to find a new home where there is no persecution, where there would be no fear for the future and no bribery or corruption—a place where people live full lives rather than merely surviving. Slava discusses the Ukrainian history, culture, and customs, while sharing how these not only shaped her life but affected her present and her future.

[Roxolana's Rushnik](#) - Victoria Mriya 2023-03-10

Roxolana's Rushnik is a story about a girl who lives in a beautiful city in Ukraine, called Kyiv, with her mother and father. One morning, on her way to school, her entire life changes. Her city is attacked and her family must find safety. Follow along Roxolana's journey through Eastern Europe where she sees examples of kindness, courage and patriotism as she learns to be brave herself. This book will spark curiosity while instilling bravery and hope in your little one as you explore the culture, tradition and current events of Ukraine. It can inspire your child to be aware and connected with people around the world and their experiences.

[First Love And High Adventure](#) -

You Don't Know What War Is - Yeva Skalietska 2022-10-25

An inspiring memoir of resilience by a young survivor of the war in Ukraine, as told through her diary entries—a harrowing and ultimately hopeful survival story. Yeva Skalietska's story begins on her twelfth birthday in Kharkiv, where she has been living with her grandmother since she was a baby. Ten days later, the only life she'd ever known was shattered. On February 24, 2022, her city was suddenly under attack as Russia launched its horrifying invasion of Ukraine. Yeva and her grandmother took shelter in a basement bunker, where she began writing this diary. She describes the bombings she endured while sheltering underground and her desperate journey west to escape the conflict raging around them. After many endless train rides and a prolonged stay in an overcrowded refugee center in Western Ukraine, Yeva and her beloved grandmother eventually find refuge in Ireland. There, she bravely begins to forge a new life, hoping she'll be able to return home one day. Hardcover with dust jacket; 128 pages; 7.5 in H x 5 in W.

[To Get Ukraine](#) - Oleksandr Shyshko 2018-01-01

Since Maidan in Kyiv and Russian presence in the Crimea, Ukraine has never been the same. In 2014, the country is deeply divided by the conflict imposed on the Ukrainians. But since nobody actually asked the nation, author Oleksandr Shyshko decided to take matters into his own hands and look for the answer to the ultimate question - who are the Ukrainians and what do they want. Shyshko spent his time researching

the national identity of native Ukrainians, and as he went he stumbled on a discovery that led to yet another question – where is Ukraine going, the so-called Quo vadis? of the Ukrainian people. His findings and critical comments gave birth to this new book that is now for the first time being published in English. To Get Ukraine.

You Don't Know What War Is - Yeva Skalietska 2022-10-25

Published in association with the UNHCR, the UN Refugee Agency, with a foreword by Michael Morpurgo. Everyone knows the word 'war'. But very few understand what it truly means. When you find you have to face it, you feel totally lost, walled in by fright and despair. Until you've been there, you don't know what war is. 'Everyone, absolutely everyone, should read it. You will love Yeva.' Christy Lefteri, No.1 international bestselling author of *The Beekeeper of Aleppo* This is the gripping and moving diary of young Ukrainian refugee Yeva Skalietska. It follows twelve days in Ukraine that changed 12-year-old Yeva's life forever. She was woken in the early hours to the terrifying sounds of shelling. Russia had invaded Ukraine, and her beloved Kharkiv home was no longer the safe haven it should have been. It was while she was forced to seek shelter in a damp, cramped basement that Yeva decided to write down her story. And it is a story the world needs to hear. Yeva captured the nation's heart when she was featured on Channel 4 News with her granny as they fled Ukraine for Dublin. In *You Don't Know What War Is*, Yeva records what is happening hour-by-hour as she seeks safety and travels from Kharkiv to Dublin. Each eye-opening diary entry is supplemented by personal photographs, excerpts of messages between Yeva and her friends and daily headlines from around the world, while three beautifully detailed maps (by Kharkiv-native Olga Shtonda) help the reader track Yeva and her granny's journey. *You Don't Know What War Is* is a powerful insight into what conflict is like through the eyes of a child and an essential read for adults and older children alike.

[At the Fifth Attempt](#) - John Elwyn 1987-01-01

This tells the story of a soldier caught before the evacuation at Dunkirk, and his daring escape and life along the way.

Migrant Domestic Workers and Family Life - Maria Kontos 2016-02-23

This timely and innovative book delivers a comprehensive analysis of the non-recognition of the right to a family life of migrant live-in domestic and care workers in Argentina, Canada, Germany, Italy, Lebanon, Norway, the Philippines, Slovenia, South Korea, Spain, the United Arab Emirates, the United States of America, and Ukraine.

Ukrainian Womens Magic Traditions - Lada Luzina 2020-10-16

Lada Luzina — Golden Writer of Ukraine: “The folk rites of our great-grandmothers are so riddled with magic that there is no doubt — it was these real holidays and rituals that became the basis for all the famous legends and tales of Kiev witches. Reading now about the magical traditions of Ukrainians, you never cease to be amazed at what unique ancestors and knowledge our ancestors possessed! What a special, unique role a woman played in the Ukrainian community! And from what great depths these or other customs come!”

Ukrainian Women Writers and the National Imaginary - Oleksandra Wallo 2019

By writing of Ukrainian national identity from a woman-centered perspective, female authors from the last Soviet generation established themselves as authoritative critics of their culture and paved the way to visibility and success for their younger female literary peers.

[Ukrainian Girls: Casting Calls](#) - Jacob Hefner 2015-11-10

The Wings of the Dove - Jim Crompton 2021-11-08

The dove is a universal symbol of peace, most commonly recognized as a metaphor for the Holy Spirit. In a collection of inspirational short tales, retired minister Jim Crompton provides a glimpse into the lives of diverse characters attempting to resolve a wide variety of conflicts, internal or external, with help from God. Lenny is a happy-go-lucky boy who hates going to school. But when a man speaks to his class one day about Jesus, everything changes for him. Life has been hard for Halina, an elderly Ukrainian woman who survived Auschwitz. On Christmas morning, she becomes young once again as she rises to enthusiastically greet her final visitor. When an unfortunate event lands Steven Peters in jail, he finds reassurance in a sweet voice dragged from the depths of his memories of Sunday school. *The Wings of the Dove* shares short Christian tales that explore how God the Holy Spirit brings restoration and peace in both obvious and hidden ways.

Herstories. An Anthology of New Ukrainian Women Prose Writers - Michael M. Naydan 2018-01-01

Women's prose writing has exploded on the literary scene in Ukraine just prior to and following Ukrainian independence in 1991. Over the past two decades scores of fascinating new women authors have emerged. These authors write in a wide variety of styles and genres including short stories, novels, essays, and new journalism. In the collection you will find: realism, magical realism, surrealism, the fantastic, deeply intellectual writing, newly discovered feminist perspectives, philosophical prose, psychological mysteries, confessional prose, and much more.

Odessa Bride - K. . Peters 2016-12-14

How Far Would You Go For True Love? To love and be loved; every Ukrainian girl's dream. To the outside world, it appeared that Viktoria Babenko had everything going for her. A handsome, wealthy boyfriend, a good job and a bright future ahead of her. But, behind closed doors, life was something completely different. As her relationship flounders and her job hangs in the balance, her boyfriend, Vladimir, backslides into drinking and womanizing, leaving it apparent he will never commit. Frustrated and wounded, Vika decides it's time to make a change. At the urging of her best friend, and to make a little extra money, she publishes a profile to an international dating website with the hidden hope of finding true love abroad and leaving all of her pain behind in Odessa. Back in America, Wyatt O'Donaghue, a wealthy, heart-broken loaner, soured by the very thought of true love, desperately tries to get custody of his young, neglected son. After endless court battles and at the recommendation of his lawyer, Wyatt searches for a wife to help put his case over the edge and secure custody. A quick internet search and perusal of an international dating website puts him face to face with Viktoria... everything that he had ever looked for in a woman. Will these star-crossed lovers find true love? Can they overcome the deceitful nature of their original purpose and fall in love? Will they learn to trust each other and come together or will doubt and pain from their pasts trash this modern day love story fit for the ages? Find out what happens when two cultures collide and see if love can triumph over all in this international romance. How far would you go for true love?
