The Married Man Sex Life Primer 2011 - Athol Kay
2011-03-30

The author of the innovative sex and marriage blog "Married Man Sex Life" brings together his edgy and brilliant advice in a single volume primer delivering the motherload of substance. The Married Man Sex Life Primer 2011 cherry picks the best ideas of books like "The Mystery Method," "No More Mr. Nice Guy," and the volatile online world of the Pickup Artist a.k.a. "Game" community and merges them with a solid grounding in evolutionary psychology, sociology, biology and behavior modification. The result is a simple, effective plan for men to create sexually exciting marriages for themselves and their wives. The opening covers the underlying ancient "hard-wired" biological and modern social reasons women find men

attractive. Athol pulls no punches here and the sexual motivations of women are laid bare. Though rather than framing women as sexually devious and seeking to advantage themselves over men, he explains how their sexual behavior is entirely rational in nature and once understood as such, it becomes very useful information. The second part of the book takes the framework developed in the first part and offers a wealth of tools to put it to practical use. The most important tool is The Male Action Plan, which charges the husband with the task of becoming a better, sexier man and thereby leveraging his increased attractiveness for a better sex life with his wife. As Athol says, "whoever is the most attractive in the relationship is in charge." The third part of the book is a treasure trove of playful sexy and romantic moves women will find charming and engaging. It's clear that Athol could have a harem of young ladies, but here he displays an

endless variety of playful instigation to continually charm just one. The final section is a catchall of serious topics on what not to do, how to choose a wife, the current state of marriage law and a crushingly simple approach to dealing with being cheated on. Staying Well - Ron Frazer
2016-07-08

Health for \$1 per Day Even a dollar is too much. Good health can cost nothing. Optimal wellness can not be about expensive pills and tests. It includes fresh air, water, food, balanced exercise, and

effective rest. Ideally, there is very little stress. It doesn't sound like your life, does it? You need this book. Dr. Frazer explores hundreds of solutions for busy families that are stressed, and compounding that stress with unhealthy activities and diets. The basic idea is to stop doing the things that are making you sick. That costs nothing. The book was written for Dr. Frazer's daughter who was, and is, a busy mom with a limited budget to care for two growing boys with their own ideas about diet and exercise. This is a reference book that a busy mom can turn to for a quick answer about many health concerns. The small price of this book will save you many dollars in health care costs.

What Women Want in a Man - Kelly Jones Lee 2019-11-21
 What Women Want in a Man Tips to Understand what Your Girlfriend Really Wants and Build a More Lasting and Stable Relationship Over Time
 There is a lot of speculations about what women want in a man. Men have tried figuring this out for decades and women have tried to help them along the way as well. I've found that most of the books on the topic miss the important elements of it. Sure, it's easy to say that woman like charming men, but why? Why are they drawn to them? Most of these books don't explain it and motivate men to change their entire existence for a woman. I don't believe that anyone should change who they are for another person. Instead, they should change what they do and how they do it. Things can be improved upon, but some things are also best left untouched. No one seems to handle this in any of their books. Instead, it's some

money-making scheme with poor quality books and bad advice. I've been with all sorts of men and I am happily married now. I can teach you what I know, tell you the things my husband does that drive me crazy, and even the things that makes me love him more along the way. Perhaps I'll even share some secrets, too. This book will contain the following to help you better understand women and what they want. These benefits are well worth reading the book.

Understanding that nobody is perfect
Understanding that everyone is different
How to change what you do for the better to benefit you and your partner
Keeping your sense of self while adopting new habits
Remembering that what you want is important, too
A general idea of what women are looking for in a man and a relationship
Tips and tricks to better understand women
It's important to know all of these things. Why? Because each individual should stay just that; an individual. Most books encourage you to change into

just another gentleman, but the truth is that women don't want clones. That is why this book is going to help you far more than most other books on the market concerning this topic. Most books on the web are of poor quality and don't solve the problems at hand. My intention is to create books that help people solve whatever problems they might have without changing themselves entirely. I want to use my own experiences and my own troubles to help others overcome theirs. I won't tell you exactly how to do things. I might give a few tips, but the rest is up to you. The key to solving problems is to understand them, and that's my job: to explain it all to you. The answers you seek are in this book and I can assure you that it will help you immensely with understanding women better. I am a woman myself, after all. No one can explain what goes on in a woman's head better than a woman herself. If you Buy this book right now, all the secrets can be yours.

How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly.

It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

72 Ways to Get Your Girlfriend Back - Marc

Summers 2017-01-27

Losing your girlfriend or the woman you love sucks and it sucks even more when you want her back and you simply don't know what to do! You don't know: What are the right steps? What's the appropriate course of action? What should I say? How should I say it? Should I buy her stuff? Should I apologize? It can be very

confusing. She's already in a state of confusion herself: She's feeling a lot of emotion. She's feeling a lot of hurt. She's feeling a lot of pain. Any wrong move on your part can make it to where she never comes back. It's a very sensitive situation. It's important to know the right things to do and the wrong things that can happen when trying to get her back because the right things can make her feel a lot of attraction and make her want to be back in your life and the wrong things can cause her to run away and never want to see you, talk to you, or think about you ever again. In 72 Ways to Get Your Girlfriend Back, you'll learn 72 different steps, techniques, mindsets, behaviors, and actions to maximize your chances of her feeling the same attraction she felt for you when she first met you. These steps, techniques, mindsets, behaviors, and action will maximize your chances of her feeling the way you want her to feel and minimize the chances of her feeling the things she doesn't want to feel.
